~ GODS WATCHING ~

At times you may feel that you are walking near the valley of the shadow of death. The Lord is there to save you. His ways are not like your ways but His ways are best. What you will face may be too strong for you but not for the Lord. When you need it, He will provide light to the path you need to take. Your ability to trust the Lord will make all the difference in how He can work in your life.

There is much division in America today and it will escalate. But it is God who is able to guide with a pillar of fire to light your way. The Lord is a warrior and He fights for you. Who is like the Lord, who is majestic in holiness, awesome in splendor, able to work wonders? In His strength, He will guide you. In His care the Lord is in charge concerning you.

God's watching all the deeds of people and He knows whom He can trust. Is that you? There is coming such a judgement upon the land that many will have to experience because of their sinful deeds. But for the righteous, there is a reward for those who will turn their interest from the world and their focus instead on the interest of Christ.

Trust in God and lean not on your own understanding, for the Word and ways of God are tested and perfect. He is able to keep your feet planted firmly on His foundation. Make sure that you always go to the solid rock that God provides where His hand can uphold and sustain you so that you won't slip and fall as you journey in these days ahead of you.

CLASSIFIED QUICK TIPS

Prepare. Know what is important to readers shopping in your classified category.

Make Your Copy Complete.

Use ad copy effectively to thoroughly communicate to potential buyer(s).

Organize the ad carefully. Space and punctuate, so that the reader can follow the ad and understand its content.

Be Creative Descriptive.

List major selling points (price, color, size, features or options).

Be Factual. Be Helpful.

Include hours of operation, best days and times in which to make contact as well as area code on phone numbers.

Make Your Ad Easily

Recognizable.

Choose a main benefit of your merchandise and feature it in a headline. Use art, large type sizes, bolding and best of all, use white space to make your ad visually attractive and so powerful, it's jumping off the page.

Maximize The Amount Of Prospective Buyers/Readers.

Multiply insertions help prospective buyers/readers REMEMBER the ad because of repetition. Take advantage of discounted rates available for multiple insertions.

Urge The Reader To Act Now!

Every ad should include a strong bid for action. Stimulate prompt action by using such phrases as "Call Now", "Available Immediately" or "Won't Last".
