~ BEYOND THE GRAVE ~

The days of an older man or woman should be better than the day of their birth. The Bible tells us in Ecclesiastes 7:2, "Better to go to the house of mourning than to go to the house of feasting, for that [is] the end of all men; And the living will take [it] to heart."

In verse 3 it says, "Sorrow [is] better than laughter, for by a sad countenance the heart is made better." When a person is so sad that they are in deep thought and they ponder on what has happened, their heart should grow in wisdom because the heart of the wise should learn in a time of mourning. The Bible goes on to say in the next verse, 4, "The heart of the wise [is] in the house of mourning, But the heart of fools [is] in the house of mirth."

The word says here that the heart of the wise learns more when it is in the house of the mourning. Now in Ecclesiastes 6:8 the Bible tells us, "For what more has the wise [man] than the fool? What does the poor man have, who knows [how] to walk before the living?"

You see only God, who made you, knows what you truly have need of, God knows what's good for you during your life time here on earth. If you truly want to be successful then you will place your life in God's hands and let Him lead you through life.

Invite Him to guide your steps and direct your paths, spend time with God, build a relationship with His Son Jesus and make Jesus the Lord of your life. Become more concerned about God's will for your life, than doing what you want for yourself. Life will be better than you can make it yourself.
