**~ THE FALL ~**

America has been blessed greatly by God. There's no other nation that can compare from that of Israel to how God has established this country. But America is not Israel. God has made a different covenant even though there are some similarities of the two. Both have experienced God's great blessings and punishment. Israel has real experience with this and now America is in line.

No one likes to talk about punishment, disasters to come, the loss of position, the fall from being great to losing most everything. Some won't accept the facts. Others know what is true but choose to ignore what is coming hoping it won't affect them. All of this happens because many of the gatekeepers which is the people of God haven't held the line of God's ways. They compromise and over time more of unrighteous living has gained more ground.

Today the problems and growing issues, America is caught up in will eventually cause the fall from God's blessings and removal of His protection and favor because so many of God's people love the world more than they do God. And now today we all are experiencing the uneasiness, the unrest of what is causing our country's crumbling ways to pile up around us.

Our hope, and only hope, is found still in God and our position with His Son, Jesus, who is the only Savior of the world. There is no other antidote, no other vaccine, nor special person that can help any of us but Jesus. Look to Him there's no other help that can save us from what is coming.
