YOU DREAM IT, WE BUILD IT!

~ The Power You Need ~

When you pray, never forget who you are praying to. No manmade idol can help us. We are calling upon the Most High God who knows us each by name and answers our prayers. As we, His people, who are called by His name, seek an audience with Him to hear our petitions, we bring them each before His throne. There He will pick them up and bring forth the answers- melding them with His plans for His purposes to the greater glory of His kingdom, which we as His people are a part. The power of Heaven is unlocked on earth when we devote ourselves to prayer with the God who is in charge of the universe. The Bible is the most important treasure we can have in our hands today, and God's Word combined with prayer is an unstoppable force that Christians have at their disposal. Prayer is a gift from God, and prayer is the way we can communicate with God. God knows everything and is able to do anything. America needs God now more than ever, and it is God's people who will make the difference by prayer. Prayer is what is holding our nation together right now. More than ever before, there such a cry in the land for God to help our nation.
