~ Who is Really in Charge? ~

Many people make the statement that "God is in control." I understand why people say this but is it always true? God is in charge; He holds authority over all things. Yet God gives people the ability many times to have control over areas of life.

It has been said that the movements of nations, their wars, social policies and politics are shaped and dictated by higher spiritual powers than themselves. There are good and bad forces, such as angels, who are constantly influencing people, business leaders and governments. Wars and strife on earth are merely the effects of opposing spiritual powers fighting in the lower heavens that affect us. There are invisible struggles between the forces of light and the powers of darkness. These struggles are real and influenced by spirit-beings that are trying to govern this world we currently live in.

The fighting between these invisible and visible forces is trying to force the outcome of those battles, and the victors will be determined by what the Christians do or do not do. If Christians will set aside their desires for the pleasures of this world, they cannot lose, for God's authority is the greatest of all powers. Satan's plans only succeed when people give him access, and Satan is behind all that troubles this world. Still, God is greater.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

-PUZZLE- SODOKU

-FEBRUARY- WEEK 2

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
