*~ America Under Seige ~*

There is a tremendous need for a true Biblical awakening of the church in America. The USA is now under an all-out demonic assault from Satan as he has infiltrated the land at its highest levels of government and many state and city governments as well. This devil from hell and his filthy demons have gotten a foothold into corporate America, the sports world and most of our learning institutions.

America is in great peril. There are great efforts from the outside world to take apart our country from within. It should be evident by what we are seeing in our nation's leaders and in our cities within society. It is time now for the true church of Jesus Christ to arise and move on behalf of the people of the United States. There must be a recharged church that will stand in the midst of all the turmoil around us.

The church is God's chosen instrument. The real church of Jesus Christ must take the field and declare the truth of God's Word regardless of the pushback. Jesus Christ is the only solution to mankind's problems. Lives turned over to Jesus are the only hope for the American people.

Only praying Christians, committed to the interests of heaven, will make the difference in the outcome of our nation's future.

**Here's How It Works:**  
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
