~ Party Over God ~

Lines are drawn all the time. People make decisions, set goals and boundaries, join their beliefs with others, and it makes a big difference what kind of things you believe in and the type of people you choose to align yourself with.

Today, slowly but surely, and yet quicker than in times past, people are beginning to make decisions that are going to cause separation from friends even family. There is a great difference beginning to divide our nation. Satan is behind it all, but most won't believe this for they don't consider things like this. The proof is everywhere around America; there is race-baiting, religious, immorality and idolatry of favored political parties.

There is only one truth, and it is found in the God of Christianity, the only true God. But again, most people won't believe it. Satan is no match for God, but you've got to take God seriously. There may be much confusion. The world is full of delusions; and Jesus, the Son of the True God, has the only way out of the mess we are in.

Philippians 4:6 says this: "Let your request be known to God and my God shall supply all your needs..." You'll have to believe and have faith in the God who started it all and will finish it all. It works, but you'll have to follow Christ to get there.
