Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

~ He Gave of Himself ~
God gave of Himself by making in His own image as a Son of spiritual flesh whom God gave so mankind would have an example. So Jesus came, lived among people, and showed us that we can live by the Spirit in the flesh. Jesus suffered a cruel death as God took upon Himself through His Son all our sins, all of our problems, in whatever form they come.
Jesus as the Son gave the once-and-for-all sacrifice that all people could obtain forgiveness of all sin and obtain the victory of all the trials and tribulations of a sinful world. When Jesus arose, He came from defeating all of hell, dealing with Satan and his demons, leaving them totally defeated, setting the captives free from bondage, and bringing with Him the keys to hell because of this ultimate victory. Jesus today sits at the Father God's right hand and pleads for us and all others to obtain eternal life and victory over the devil's schemes.
Jesus left us not alone when He ascended to the throne with God. He left us His Holy Spirit to help us as our daily companion to guide, assist and show us Jesus in all matters if we follow the spirit. We walk as servants of Jesus, and nothing is ever impossible for us. All we have need of has been provided so that we can accomplish great things if we accept Jesus as Lord.
