Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

4								
	8			4	7			9
			5					2
		1						
2	7	3	1					8
5	4				6	8		1
			3					7
		2		5		9		

Level: Intermediate

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

~ The Bible's Instructions ~

Those who have forsaken God and walked after other gods, serving and worshipping them, and have not kept the Lord's commandments, will suffer.

When the people follow the dictates of their own evil heart and will not listen to God, they will be cast out of God's favor. The people's ways are not hidden from the Lord. When people make their own gods, they will not know the true God. Their wealth will not help them.

The heart of people is deceitful above all things and desperately wicked. Who can know it? If you heed God's instructions and follow His ways, God will send out those to guide them home. Keep His commands as holy.

The Lord searches every heart and tests the mind so to give to everyone according to their ways and according to the fruit of their doings. God's glorious throne is the place of His people's sanctuary. He is the hope and refuge for all.

It is the Lord that heals and saves. Praise Him, for the Lord is your strength and your fortress. Blessed are those who put their trust in the Lord, who is their only hope. Those that do will be like a tree planted by the waters which spreads out its roots and will not fear in hard times.
