~ The Story of Life ~

We are born unto this earth and when a few years have passed we shall go the way of no return. So our time is short-lived and mostly full of turmoil to deal with. Like a flower, we come forth and then we eventually fade and wither. It is God, our maker, who determines the number of our days. God sets the limits, and you cannot pass your allotted time.

While here we are hired to humanity. Our days are set. If we choose God's ways, our time spent will contain a greater purpose. If we choose our own ways, then our days are wasted on ourselves and other self-interests that produce no eternal fruit for our journey beyond this world to the next.

It is appointed once for a man or woman to die. We breathe our last breath here, then our human body goes into the ground and our spirit goes to Jesus for the judgement to come concerning how we chose to live while we were here on earth.

Everything will all center on what we did with Jesus, what He was to us in our own life, how we chose to obey and follow His word, how Jesus was given the place of lordship in our lives, and if He was able to live through us or apart from us.

The results Jesus will pronounce, our eternal destiny, will depend on the answers to those questions.

## CLASSIFIED QUICK TIPS

**Prepare.** Know what is important to readers shopping in your classified category.

**Make Your Copy Complete.**

Use ad copy effectively to thoroughly communicate to potential buyer(s).

Organize the ad carefully. Space and punctuate, so that the reader can follow the ad and understand its content.

**Be Creative Descriptive.**

List major selling points (price, color, size, features or options).

**Be Factual. Be Helpful.**

Include hours of operation, best days and times in which to make contact as well as area code on phone numbers.

**Make Your Ad Easily**

**Recognizable.**

Choose a main benefit of your merchandise and feature it in a headline. Use art, large type sizes, bolding and best of all, use white space to make your ad visually attractive and so powerful, it's jumping off the page.

**Maximize The Amount Of Prospective Buyers/Readers.**

Multiply insertions help prospective buyers/readers REMEMBER the ad because of repetition. Take advantage of discounted rates available for multiple insertions.

**Urge The Reader To Act Now!**

Every ad should include a strong bid for action. Stimulate prompt action by using such phrases as "Call Now", "Available Immediately" or "Won't Last".
