Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the puzzle. The more numbers you name, the easier it gets to solve the puzzle!

~ God Will Deal with the Issues ~

It is nothing new. There has always been- and until the God of the universe puts a stop to it, there will always be- leaders and those in authority who will oppress people and rule as tyrants or, in some way, abuse their power over people. They are selfish and make themselves into their own little gods of some sort.

In the book of Exodus, it starts off by telling of how the leader, Pharaoh, mistreated the Hebrews and ruled with no regard to anyone but himself. Finally, God sent a man to deal with this arrogance, and over a period of time, God's people were freed.

Today there are plenty of Pharaohs over the world, far and near, who believe they can rule however they wish, make laws treating people as their slaves and even doing these things using God's name. History is about to repeat itself, for God will only take so much of a Pharaoh's disrespecting heartless attitude before He deals with them.

For you, no matter the Pharaoh of life you may have to deal with, remember there is a God in heaven that does overrule all earthly kingdoms. And the Son of God is the deliverer from all Pharaohs. Jesus is the only one that has all authority to deal with any of our Pharaohs and will decisively do so if you put all your life in His hands and trust Him.
