## ~ Not Your Timing ~

When you jeopardize your principles, it will cause you to compromise your integrity and damage your character and destroy the trust people have in what you say and do.

There is no future having any meaningful value in life apart from Jesus Christ as being the Lord over anyone's life.

For all that reject Christ, a life without Jesus amounts to nothing done at all in the end. You live your life as you choose, and you will die as you choose. But it stops there. God then determines where you go.

Everything is done in God's timing. His clock never resets nor changes to daylight savings time. God does not adjust to the culture nor does He rearrange His schedule, and God will not allow anyone to dictate His plans.

You may be able to live with your decisions made today and tomorrow, but there is coming a day when all your decisions will be evaluated. Then the outcome. Make sure you have a personal relationship with Jesus.

# CLASSIFIED QUICK TIPS

**Prepare.** Know what is important to readers shopping in your classified category.

**Make Your Copy Complete.** Use ad copy effectively to thoroughly communicate to potential buyer(s). Organize the ad carefully. Space and punctuate, so that the reader can follow the ad and understand its content.

**Be Creative Descriptive.** List major selling points (price, color, size, features or options).

**Be Factual. Be Helpful.** Include hours of operation, best days and times in which to make contact as well as area code on phone numbers.

**Make Your Ad Easily Recognizable.** Choose a main benefit of your merchandise and feature it in a headline. Use art, large type sizes, bolding and best of all, use white space to make your ad visually attractive and so powerful, it's jumping off the page.

**Maximize The Amount Of Prospective Buyers/Readers.** Multiply insertions help prospective buyers/readers REMEMBER the ad because of repetition. Take advantage of discounted rates available for multiple insertions.

**Urge The Reader To Act Now!** Every ad should include a strong bid for action. Stimulate prompt action by using such phrases as "Call Now", "Available Immediately" or "Won't Last".

**The Big Nickel hopes these tips will help you, please call 417-624-4100 and our telephone sales representatives will be happy to assist you.**
