Fill in the grid so that every row, every column and every 3x3 box contains the numbers 1 through 9 only once.

Each 3x3 box is outlined with a darker line. You already have a few numbers to get you started. Remember: you must not repeat the numbers 1 through 9 in the same line, column or 3x3 box.

You'll captivate an audience with your natural charisma, even if you're shy. You'll receive a medical treatment that surprises you, helping to resolve a long-standing health concern.

#### **TAURUS**

It's not in your nature to relish being in the spotlight. However, you must remember that many accomplishments deserve applause and could bring you extra attention for a period of time.

#### **GEMINI**

You're known for being talkative and have a knack for making jokes, no matter the context. You'll crack a joke to lighten a tense mood. Your goofy side will be welcome at work or home this week.

You may succumb to the urge to make an impulsive purchase. You'll also likely feel the need to move around and explore new horizons. However, you must keep an eye on your finances.

#### **VIRGO**

Make sure you get enough rest to start your week off right. Take full advantage of your beauty sleep to improve your performance and achieve your goals.

As an artist, you'll draw inspiration from the diverse cultures around you to enrich your work. If you're feeling tired, consider taking a vacation to recharge your batteries and give you a change of scenery.

#### **SCORPIO**

You'll start building a remarkably loyal clientele at work. You'll be working on various tasks this week, strengthening your financial stability and motivating you to pursue interesting projects.

#### **SAGITTARIUS**

You may plan a spontaneous trip this week. You may also explore opportunities to work in a different area that will offer new and rewarding experiences. Taking a course could also provide valuable insights.

Embrace the call of change and let your inner voice guide you to live life to the fullest! You'll broaden your horizons and let yourself be carried from one discovery to the next.

#### **AQUARIUS**

Life will present you with challenges that align with your aspirations. You'll surprise yourself with your enthusiasm and joy. Your boldness will lead you toward fulfilling your destiny.

#### **PISCES**

You'll need to negotiate at work to reach an agreement following a disagreement. You'll likely take an active role in trade unions or community activities.

The luckiest signs this week: LIBRA, SCORPIO AND SAGITTARIUS

#### ~ The Narrow Gate ~

There is a lot of speculation about what God accepts into His Kingdom and who He doesn't.

There are those who believe that God doesn't care so much about the words they use, that lifestyles don't really matter. Many believe that what they have is theirs and they can pretty much do what they want with what they possess.

The majority of people live for self, take the wide road of life, enjoying as many of its benefits as they can take in. Few ever consider God's word, rarely ever examine the scriptures or darken the door of a church. Yet they still believe that by being a decent person and don't commit violent crimes and are friendly generally to others that God in some ways just accepts them as they are.

Jesus said in Matthew 7:13, "Enter by the narrow gate, for wide is the gate and broad is the way to destruction, and many chose this gate. For the narrow gate is difficult but leads to eternal life, but few ever find it."

Don't be fooled by living according to your or someone else's standards other than those found in God's word.
