

The screenshot shows a web browser at <https://davesredistricting.org/maps#viewmap::a5b5e0aa-bc3a-4a10-8815-2be4f8028cee>. The browser window displays a map titled "Manatee Pretend B" with a "District Selector" table on the left. The table lists districts 1 through 5 with their respective colors and population deviations. The network developer tool on the right shows a JSON response for a map update session, including details like the map name "Manatee Pretend B", creation time, and update sessions.

District	Population	Deviation
