FROM THE DESK OF  
**RAY TURNER**

Dear Fellow Manatee County Patriot,

The Declaration of Independence changed the world forever and all it took was several signatures.

Today, I want to change the direction Florida and our Nation are headed under Joe Biden's lack of leadership and **all I need is one signature, yours.**

Without your signature, Florida will charge me thousands in what are popularly known as a "ballot tax" just to have my name placed on the ballot.

Let's be clear, I stand with President Trump to put America First and reclaim our country.

**Reclaim** our Southern Border from lawlessness.

**Reclaim** our economy from inflation.

**Reclaim** our stature in the world.

And it all starts here in Manatee County.

President Trump needs more allies in local and state government and I will be one of those allies.

I know how hard these last couple years have been. **But, since being appointed by Governor DeSantis, I've worked diligently to raise impact fees on big developers, slow growth and invest in roads to reduce traffic.**

Conservative policies that protect our God given rights will also lead us back to prosperity.

I kindly and humbly ask that you lend me your signature so my name will appear on the August Republican Primary Ballot for Manatee County Commission.

I thank you in advance for your support and your signature.

A Fellow Patriot,

*Ray Turner*
