	OTHER DESCRIPTION _____

Details of the incident. (Use additional sheets, if necessary)
 On October 25, 2011, Deputy April Dugan, who was off-duty, responded to Premier Center for Cosmetic Surgery located at 300 South Hyde Park Avenue, Tampa, Florida to obtain copies of her medical records. After being informed that there would be a cost associated with the copying of her records, Deputy Dugan took the records and walked out of the office. Mr. John Waterman, an employee of the business, followed Deputy Dugan outside and attempted to retrieve the medical records. When Deputy Dugan refused to return the records, a struggle ensued which resulted in Deputy Dugan allegedly punching Mr. Waterman in the face. During the altercation, Deputy Dugan also allegedly identified herself as a law enforcement officer.

Officers from the Tampa Police Department responded to the scene and subsequently completed an investigation which included interviewing the involved parties and independent witnesses to the incident. Criminal charges were not filed against Deputy Dugan, as the victim signed a complaint withdrawal at the time of the report.

I have read and understand this complaint and find it true and correct. It is my desire that this complaint be diligently investigated. I further understand that if the investigation proves these allegations to be false, I may be liable to both civil and criminal prosecution.
