ROTARY

THE FOUR-WAY TEST

of the things we think, say or do

first

Is it the TRUTH?

second

Is it FAIR to all concerned?

third

Will it build GOOD WILL
and BETTER FRIENDSHIPS?

fourth

Will it be BENEFICIAL to
all concerned?

Who We Are:
Rotary Club

Rotary is a global network of 1.2 Million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change - across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years. Rotary's people of action have used their passion, energy, and in-

telligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

Promote peace

Fight disease

Did you know?

Our President, Walter Hughes III, was chairman of a committee that developed and campaigned for a successful referendum during 2020 in Laurens County - The Capital Projects Sales Tax - that is funding 16 community enhancement projects countywide through a 1-cent sales tax that residents and visitors alike pay. As such, he has been an invited guest and speaker at the Historic Courthouse renovations groundbreaking, above and left, and the Laurens Splash Pad dedication, right, as these and other projects have started, and in some cases competed, construction in 2022-23. He also greets our guests in his "other role" and is an active Clinton businessman and local supporter (upper right).

The Clinton Rotary Club's April 18 trip to Thornwell

Thornwell began as a dream in the heart of a young Presbyterian minister, William Plumer Jacobs, of First Presbyterian Church in Clinton, SC.

Dr. Jacobs' dream was energized when 10-year-old Willie Anderson of a nearby community gave Reverend Jacobs fifty cents and said, "This is to help build your orphanage."

Dr. Jacobs named the orphanage after a mentoring theological professor, and Thornwell opened its doors on October 1, 1875, to 10 orphaned children. Dr. Jacobs' belief "that God so willed and would, therefore, support the endeavor," carried him and his beloved orphanage throughout the years until his death in 1917.

Dr. Jacobs documented the progress and struggles of the fledgling orphanage in his diary. Many find his recorded words inspirational for their demonstrations of his reliance upon the Lord for provisions for his children. Further, Dr. Jacobs' diary catalogs the answers that God provided. Those answers were often exactly what Dr. Jacobs needed and came at just the right time.

The Home of Peace was the original residence of Dr. William Plumer Jacobs. In his home, Dr. Jacobs and his wife, Mary, welcomed the first children to find a refuge at Thornwell.

For nearly a century-and-a-half, Thornwell continues to meet the call for help from society's most vulnerable—its children and families in need. Whether providing the safety and security of a place to call home, reuniting families after a crisis, or supporting families through a time of crisis, Thornwell has kept the faith with its mission of healing and hope.

Strong families mean strong communities. Thornwell has a legacy of adapting programs as society has changed around us and expanding services to meet identified needs. We will continue to meet future challenges head-on because so many depend on our success.

If one dollar is offered me for the Home of the Fatherless this month, or one child is tendered me, I will take it as God's call to this work. And if I enter upon it, then my lot is fixed for life in Clinton.

-Dr. William Plumer Jacobs

Thornwell, 302 South Broad St., Clinton,
South Carolina 29325

MISSION

Thornwell serves to prevent child abuse and neglect, to build up and reunite families, and to support healthy communities in the name of Jesus Christ.

VISION

We believe in empowered communities in which all people can experience both life and love in abundance.

TCS:

Mission Statement

Students at Thornwell Charter School will learn and develop in a rigorous, personalized academic environment that fosters a love for learning, in an individualized health and wellness program that promotes lifelong health, and in the Teaching Family model that helps children develop life skills which will enable them to succeed in higher education, in their careers and to be productive members of their communities.

Background

The Thornwell Charter School Planning Committee (TCSPC) began formal meetings in the summer of 2017, but the idea of utilizing the campus and serving the Upstate Area of South Carolina on the Thornwell Campus has been discussed since the original Thornwell School closed in 2007.

Location and Facilities

Thornwell Charter School is located on the grounds of Thornwell, a 350-plus-acre campus with multiple buildings including a school building with eighteen classrooms and a performing arts center, a gymnasium, an athletic center that includes a weight room and locker rooms, athletic fields (football/soccer, baseball, track, and softball), a dining hall with a commercial kitchen, farm buildings and a swimming pool.

ALZHEIMER'S -- The CART Fund Coins for Alzheimer's Research Trust --- At each meeting, Rotarians are asked to donate their pocket change to "The CART Bucket" which goes toward Alzheimer's research. The May 2023 Rotary magazine has a 10-page feature entitled "Building up like pocket change - How the CART Fund is fueling Alzheimer's research - one coin at a time." The article says CART was the idea of South Carolina Rotarian Roger Ackerman in 1995, adding that "today, 41 Rotary districts contribute, and, as of last year, the donations had amputed to \$11.2 million dollars, funding 64 grants. ... In 2022, CART awarded grants to three research teams for a total of \$850,000."
