## What is the Chamber of Commerce?

Chambers of Commerce across the United States are voluntary agencies organized to serve the business community and all the activities and events surrounding its members. The Chamber is a private, non-profit, taxpaying entity. It invites hundreds of businesses, individuals, and professional services into a strong central body with a common goal of improving business and providing opportunities for growth within the community.

The Chamber membership is made up of people largely concerned with enhancing the quality of life through dedicated community service. These people join forces to build a strong central core of businessmen and women united in their effort to accomplish goals set forth annually by each individual Chamber. Typical goals include increasing business growth and job development, building a healthy marketplace for economic stability and endorsing the free enterprise system by encouraging competition and fair play.

Medicare Advantage Prescription Drug—Part C  
Medicare Prescription Drug—Part D  
Medigap/Medicare Supplement

Typically, you may enroll in a Medicare Advantage (MA) plan only during the Annual Enrollment Period (AEP) between October 15th and December 7th of each year. There are exceptions that may allow you to enroll in a Medicare Advantage plan or a Prescription Drug plan outside of that period - Initial Enrollment (new to Medicare) or Special Enrollment Periods (e.g. loss of employer coverage, moving). In the Greater Toledo and Southeast Michigan areas there are over 20 MAPD plans, 25 PDP's, and several Medicare Supplement plans to choose from. Which plan is right for you?

Not all plans offer all of these benefits. Benefits may vary by carrier and location. Limitations and exclusions may apply. Plans are insured or covered by a Medicare Advantage organization with a Medicare contract and/or a Medicare-approved Part D sponsor. We represent some Medicare Advantage D-SNP organizations that are contracted with Medicare and a contract with the states Medicaid Program. Enrollment in the plan depends on the plans contract renewal with Medicare.

If you are, or someone you know is, entitled to Medicare Part A (or soon will be), enrolled in Part B and confused about plan choices, costs, benefits, networks, etc. call and speak to a licensed agent for a no obligation consultation.
