

Minnesota 4-H

DAIRY SHOWCASE

Thank You to our generous donors!

The Minnesota 4-H Dairy Showcase is a points-based recognition program that recognizes the involvement, dedication and passion of Minnesota's dairy youth. More than \$60,000 in cash prizes were awarded to the state's top 4-H dairy project members in 2024. Selection is based on receiving a purple or blue ribbon with their animal, earning points for involvement in the project and completing a leadership profile. A group of 10 dairy project members who scored well and have just completed grades 6, 7 and 8 were also recognized as the program's Rising Stars. Since its inception, donors have contributed more than \$679,000 to the 4-H Dairy Showcase.
