Two year old Spencer Gray has completed the 1000 Books Before Kindergarten "Read Every Day" Program through the Warren Library. Well done Gray family! Sharing books helps your child learn pre-reading skills such as understanding the sounds letters make, developing a larger vocabulary, and building background knowledge which are important skills that help prepare children for kindergarten and learning to read.

## Lady Hermits defeat Crusaders

Joanna Poole/Eagle Democrat

The Lady Hermits took on the Columbia Christian Crusaders on Tuesday, April 1 at home. They showed impressive teamwork and skill as they played through each inning. Number 17, Alli Cathey, leaps to catch a throw during the conference game. The Lady Hermits secured a dominant 17-7 victory.

## Swing and a miss for Hermits

Joanna Poole/Eagle Democrat

The Hermits faced the Columbia Christian Crusaders on Tuesday, April 1 at home. Hermits catcher Carson Curtis extends for a pitch during a game against the Columbia Christian Crusaders. Despite a strong effort, the Hermits fell short in the match up with a final score of 9-6.

## Blood drive scheduled for Thursday, April 10 at BCMC

### SPECIAL TO THE EAGLE

Bradley County Medical Center is looking for generous blood donors for the upcoming LifeShare Blood Drive scheduled for Thursday, April 10 from 1 p.m. until 7 p.m. The blood drive will take place in the BCMC Rural Health Clinic parking lot, located across the street from the ER entrance at the hospital, where the LifeShare Bus will be located.

Blood donations have hit a 20-year low nationwide, so if you can donate, please come by and give blood next Thursday, April 10. Blood drives are the main source of blood for hospitals in our region, including Bradley County Medical Center. Potential donors can reserve a time slot online through the donor portal at [www.lifeshare.org](http://www.lifeshare.org). You do not have to make an appointment, as walk-ins are encouraged.

Every two seconds, someone somewhere needs blood. One of every seven people who enter the hospital will need blood. That person could be you, your loved one, friend, or co-worker. With all the wonderful advances in modern medicine, there still is no substitute for human blood. The blood that helps patients comes only from caring people who volunteer to help others by donating their life-saving blood.

Every year, countless lives are saved through the generosity of blood donors, and Bradley County Medical Center is calling upon the community to join forces for this life-saving cause. The event aims to boost blood supplies during a crucial time, ensuring that hospitals and medical facilities in our region have an ample and steady blood inventory.

LifeShare Blood Center, established in Shreveport, La., in 1942, regularly supplies blood components and related services to more than 100 medical facilities and hospitals throughout Louisiana, East Texas, and South Arkansas. LifeShare is a member of America's Blood Centers and the American Rare Donor Program, is licensed by the U.S. Food & Drug Administration, and accredited by AABB. LifeShare Blood Center is a 501(c)(3) nonprofit community blood bank governed by a volunteer Board of Trustees.

For the latest news and updates regarding BCMC please like the Bradley County Medical Center Facebook page, follow us on Instagram (BCMCMWarren), or X, formerly Twitter, (@BCMCMWarren). To keep up with the most recent news and updates for the BCMC Rural Health Clinic, please like the BCMC Rural Health Clinic page on Facebook.

## Undefeated UAM Esports team to compete for Divisional Championship Title

### SPECIAL TO THE EAGLE

University of Arkansas at Monticello (UAM) E-sports League of Legends team will take on Ferris State University in the National Association of Collegiate Esports (NACE) Varsity Plus Divisional Championship on Tuesday, April 8, at 6 p.m.

As the top seed in the playoffs, the team earned a first-round bye

and then defeated Talladega College in the semi-final round of the playoffs on April 1, securing UAM a spot in Tuesday's divisional championship match. The team remains undefeated throughout both the regular season and playoffs — a significant milestone as it marks the first time in program history that a UAM Esports team has achieved a perfect regular

season record.

In addition, this is the second time in UAM E-sports program history that a team has advanced to the divisional championship match. Last semester, UAM E-sports Rocket League team also competed for the championship, successfully securing the university's first esports championship.

## Passin’ the Faith Along

By REV. JIM BALES  
Pastor - First Assembly of God  
*Sponsored by Merchants & Planters Agency*

WHY DO WE NEED GOD?

Someone recently asked, good people and encouraging “What’s wrong with just being others to hold up to their be-

UAM

Continued from Page 1

onship title only one year after the formation of the team at UAM.

UAM Esports League of Legends team members include Alexsavior Ayala, team captain and a sophomore biology and biochemistry double major from Warren; Jordan Berryman, a junior computer information systems major with a concentration in programming from Hamburg; Jaxon Davidson, a senior education studies major from Crossett; Marcia Lindsey, a freshman nursing major from Monticello; and Alexander Wargo, a sophomore mathematics major with a data science option from Warren.

Devin Burton, head coach of UAM Esports, praised the team’s dedication, stating, “This season has been a testament to the hard work and commitment of our players. Seeing them advance to the divisional championship after an undefeated regular season is incredibly rewarding. Their growth, especially under the leadership of team captain Alexsavior Ayala, has been remarkable. They’ve put in the time and practiced

relentlessly, and now they’re ready for this moment. They’re going into the championship with confidence, knowing they’ve earned their place, and they are the team to beat.”

Notably, Lindsey is UAM Esports’ first female student-athlete. “Having our first female player on the team has been a great experience,” Burton said. “Her presence brings a unique dynamic to the group, and she fits right in with the team. It’s not about gender, but about the drive, commitment and desire to improve, and she has all of that. She’s grown so much this season, and her contributions have definitely helped the team be more grounded and focused. It’s important to show that our program is inclusive, and UAM Esports encourages all passionate players to try out for one of our teams.”

The championship match will be livestreamed on UAM Esports’ Twitch channel, here. Follow the Weevil Esports page on Facebook for updates on the team and links to its livestreamed matches.

For more information on UAM Esports, contact Devin Burton at burtond@uamont.edu or 870-460-1663.

### Warren School District Job Opening

liefs so long as they don’t interfere with others’ rights?”

One does not have to read much of the Bible to find an answer to these questions. Those who think they are doing all right on their own without God are the people most in need. Those seeing themselves as in “need of nothing” are unknowingly the most “wretched, and miserable and poor, and blind, and naked” in the eyes of God

(Revelation 3:17).

Sin is acting as if I genuinely don’t want God and can make it on my own. Sin is acting as if God really doesn’t matter. In short, sin is why we need God.

We might live upstanding lives; yet, if we are blind to God and His provision for our salvation from sin, of what good are all our other relationships and even our best and most considerate acts?

Warren’s main cemetery, Oakland Cemetery, is an ever-growing and well-maintained one to which more land, to the north, has been recently-added. Oakland’ll be around, and in use, for a long time, it would appear.

People bullish on Warren’s growth should enjoy travel down south Main these days, what with the big additions to the Bradley sawmill, the Highway 8 extension (world’s oldest highway project . . . not the fault of Deon Construction of Warren, which has one of the pacts for the building). Then on down a little way, one sees the big expansion coming at the Witt Plant of Triangle Pacific and, to the west, the new water tank in the industrial park. Things are movin’ around here. Sometimes we just neglect to look. By the way, Dr. Stacey

Salvation, forgiveness of sins, requires simply that we ask God, through Christ, to forgive us of the many ways and times we have failed to acknowledge who He is. Then putting our dependency in Christ, God’s Son, we must begin to act as if God matters.

“I counsel you,” said the Lord, “to buy from me gold refined in the fire, that you may be rich; and white garments,

that you may be clothed, that the time of your nakedness may not be revealed; and anoint your eyes with eye salve, that you may see” (Revelation 3:18)

My prayer for you if you who are asking “Why do I need God?” is that you will see your need for God and accept His provision for your salvation through His Son Jesus Christ.

That took a lot of work.

The sun sure pops up quick now in the mornings. Ours hits us in the face at exactly 6:30 a.m. That’s all right . . .

The YMCA is said to be getting closer to issuing a pact for a new swimming pool. I don’t see how one can possibly be completed by swimmin’ season. In the old days, late 1930’s and beyond, we would all repair to Monticello and swim in their WPA-built pool. Monticello got more out of the WPA than just about anybody. See, even back

See NOTEBOOK Page 3

Oldtimer’s Notebook

The publishers of The Eagle Democrat have chosen to publish articles from the past Oldtimer’s Notebook in memory of Robert L. Newton. This article was first published March 25, 1998.

It was interesting to drive down the rebuilt Highway 15, (thanks to John Lipton) and visit the tiny, restored Harding Cemetery, now approaching 130 years in age. The woods around Warren are filed with what now appear to be abandoned cemeteries, including one to the west of town on the old Camden Road that was supposed to belong to Judge Josiah Gould’s family, or certainly the one behind the V.C. Ford Family home, across from Union Bank on Pine Street.

Arkansas House Report

Jeff Wardlaw  
Ark. State Representative

This week, the Arkansas House of Representatives passed several significant pieces of legislation focused on maternal health, breast cancer treatment, and state employee compensation.

HB1004 aims to extend Medicaid coverage to postpartum mothers for one year after childbirth, while HB1826 ensures that insurance covers births at licensed birthing centers, helping to expand access to care in rural areas. Additionally, HB1333 requires insurance to cover breastfeeding and lactation consultant services.

In another important development, SB392 adjusts the classification and compensation of state employees to bring their salaries in line with labor market rates, ensuring fairness in pay.

The House also passed SB83, a health-related bill that mandates health benefit plans in the state to provide coverage for all types of breast reconstruction surgery starting January 1, 2026. This legislation guarantees that any surgery considered the best treatment by a healthcare professional and in consultation with the patient will be covered, whether following trauma, the loss of breast tissue due to disease, or a mastectomy. Moreover, HB1859 was approved to amend current laws on mastectomies by requiring health plans to cover the use of artificial or biological mesh and nerve grafts in reconstruction surgeries.

The Arkansas House Revenue and Taxation Committee moved forward with HB1685, which proposes eliminating the state's 0.125% sales tax on groceries starting January 1, 2026. In addition, HB1631, which seeks to phase out the state's soft drink tax, also advanced through the committee.

Furthermore, the House State Agencies and Governmental Affairs Committee advanced HJR1018, a proposed Constitutional Amendment known as the Citizens Only Voting Amendment, which is expected to be considered on the House floor next week.

The House will reconvene on Monday, with plans to complete its business for the 2025 Regular Session by April 16. You can watch all House meetings at [arkansashouse.org](http://arkansashouse.org).

# Safety remains first as Entergy Arkansas crews work to restore power

**SPECIAL TO THE EAGLE**

Entergy Arkansas remains storm ready year-around. This week, crews have been working around the clock to restore power interruptions caused by multiple rounds of severe weather that began April 2. Although outage numbers reached more than 27,000 customers across the state at its peak, Entergy Arkansas crews have promptly restored power to many more customer interruptions caused by this week's cycle of severe weather, including two confirmed EF3 tornadoes. As the weather forecast calls for more weather impacts including high winds, lightning, heavy rain and flooding through Saturday evening, the company will remain ready to respond as conditions allow.

Entergy Arkansas has mobilized hundreds of line workers, tree trimmers and support personnel from across the state and region to assist in the restoration efforts. Crews are working tirelessly to assess damage, clear debris and rebuild the electric infrastructure impacted by the storms by using thicker, stronger poles. In some cases, concrete poles are being used to improve system infrastruc-

ture and make it more resilient. Damages consist of approximately 250 broken poles, 382 spans of downed wire, 12 transmission structures and 85 transformers.

"The safety of our customers and employees is a core value as we work to restore power as quickly as possible," said Ventrell Thompson, vice president of customer service for Entergy Arkansas. "We understand the inconvenience these weather events have caused, and we want to assure our customers that our teams are doing everything in their power to get the lights back on promptly and return home to their families."

Entergy Arkansas crews, along with mutual assistance contractors, will restore power to customers as safely and quickly as possible until the job is done. To support the safety of our workforce and avoid fatigue, individuals should not work more than 16 hours in a 24-hour period and should never work more than 13 days in a row without a 24-hour rest period. This allows our restoration crews to get adequate rest and safely restore power when working.

Senate Week in Review  
from Ben Gilmore  
Senator

The Senate voted to create a new and sustainable property insurance plan to help school districts meet the rising cost of property insurance.

Senate Bill 481 is the result of two years of work by legislators, school administrators and state officials. Two years ago the governor and legislators agreed to help schools pay for about 30 percent of the cost of increased premiums, noting that on average the cost of property insurance for schools was rising at an average of 130 percent a year.

The sponsor of SB 481, when presenting the bill before a Senate committee, said that some

schools had experienced "staggering" increases of 180 to 200 percent in the cost of insurance premiums.

SB481 will create a captive insurance plan, administered by the state, which will combine the participants in three current plans. The larger risk pool will allow more efficient management of costs and risks. The goal is to have the plan in operation by July 1, and savings could be as much as \$15 million in the first year.

The legislature will consider a separate funding bill that will capitalize the new insurance program with about \$136 million.

In other news, the House of Representatives approved a bill to extend coverage from 60 days to a year for women on Medicaid who have a baby. In nationwide studies of maternal health care, Arkansas ranks near the bottom.

According to state Medicaid officials, during a three-month

period last year 39 percent of women on Medicaid lost their coverage after 60 days.

Public health experts say that providing coverage for 12 months will improve the health of both the baby and the mother. One reason is that it eliminates concerns the mother may have about paying for visits to the doctor.

In other news the Senate approved legislation intended to preserve order and dignity in women's restrooms, changing rooms and sleeping quarters where they have traditionally enjoyed privacy and safety. It is SB 486. If a woman enters a restroom and encounters someone of the opposite sex, she would be able to sue the shelter or facility.

The bill would not apply if the person of the opposite sex was cleaning or doing maintenance, responding to a medical emergency or a natural disaster or performing law enforcement

duties.

The Senate also approved SB 426 to enhance criminal penalties against illegal aliens who commit a violent offense. The enhancement depends on the severity of the felony. An illegal alien convicted of a Class A, Class B or Class C felony would receive an additional 10 years to their prison sentence. The enhanced sentence for a Class D felony would be four years.

Two years ago lawmakers passed Act 689 to require social media companies to verify the age of users, and to impose fines when social media companies fail to do so. It was blocked by lawsuits, however.

This year, SB 611 has been filed to give parents greater control over their children's Internet usage. Also, SB 612 would allow lawsuits against social media companies that encourages use of drugs, self harm, suicidal behavior or eating disorders.

141 HART SENATE OFFICE BUILDING WASHINGTON, DC 20510  
202.224.4843  
WWW.BOOZMAN.SENATE.GOV

JOHN BOOZMAN

U.S. SENATOR FROM ARKANSAS

In an increasingly dangerous world, American leadership is frequently being questioned and tested. The United States' influence, as well as our resolve, is under pressure from volatility or outright conflict in many regions around the globe.

Russia's war against Ukraine continues to cost lives and prolong suffering. China further exerts its will and ambitions brazenly at the expense of its neighbors. Iran refuses to abandon the pursuit of a nuclear weapon or support for terrorist proxies. Multiple African nations grapple with civil war and rogue elements. The list is long and expanding.

This is a recipe for further chaos and instability that we must counteract.

President Trump is working to restore deterrence and American dominance that ultimately benefits the causes of international peace and prosperity, and he has chosen two Arkansans to serve in critical posts to advance that work – former Governor Mike Huckabee as Ambassador to Israel and investment banker Warren Stephens as Ambassador to the United Kingdom.

These are two excellent se-

lections, and I am grateful to the president for making both.

Raised in Hope and a proud graduate of Ouachita Baptist, Mike Huckabee served in ministry and eventually as the president of the Arkansas Baptist State Convention, where his leadership and communications skills intersected with the cornerstone of his life and foreshadowed his calling into public service. As our state's 44th Governor, he pursued pragmatic solutions with a tireless work ethic and innate ability to forge relationships across political divides.

After delivering transformational change to Arkansas during his tenure, he has continued to use his platform in support of commonsense policies and America's future success. He has also championed Israel throughout his entire life and is intimately familiar with its people and leaders, visiting the Jewish State repeatedly over fifty years.

He believes the sacred bond between the U.S. and Israel transcends politics – both in terms of shared values and mutual security – and is prepared to navigate the complex landscape with conviction and strength. Given our longstand-

ing relationship, I know Gov. Huckabee is the right person, at this moment and for this purpose, and I look forward to seeing all the great things he will do as the United States Ambassador to Israel.

Likewise, Warren Stephens is also a friend and fellow Arkansan who will bring his many talents, skills and relationships to bear as our Ambassador to the United Kingdom.

He has been a lifelong, truly tireless crusader for capitalism, championing its ability to expand opportunity and help others realize the American Dream. Warren has also rightfully earned a reputation as a thoughtful, respected leader in the U.S. and abroad.

His extensive experience and expertise in the private sector – which includes leading the financial firm started by his uncle and father to new heights – are tremendous assets that will compliment his dedication

to enhancing the special relationship between America and the U.K. at a critical time. I am confident he will strengthen the foundation underlying our alliance and encouraged by his commitment to bolstering our vital collaboration and partnership.

I was honored to introduce Gov. Huckabee and Warren Stephens at their recent nomination hearings, and to express my steadfast support for both men to my colleagues.

They are well-qualified to represent our country in two strategic parts of the world with significant implications for our own national security and interests. I'm pleased that, having represented our state so well in their personal and professional lives, they will soon have the same opportunity on behalf of our nation.

UAM-CTM student wins statewide EMS award

SPECIAL TO THE EAGLE

Lauren Twomey, a paramed-ic student at the University of Arkansas at Monticello College of Technology-McGehee (UAM-CTM), recently received the Star of Life award, recognizing her commitment to patient care and community service as an emergency medical technician (EMT). Twomey was nominat-ed by her employer, Emergency Ambulance Services, Inc., for her work in emergency medical ser-vices (EMS) and was honored at the Stars of Life Celebration on March 12 at the Arkansas State Capitol.

The celebration, hosted by the Arkansas Ambulance As-sociation, is an annual event recognizing EMS professionals statewide. It honors individuals and educates legislators on the role of EMS in public safety. This year's event included a medal

Courtesy photo

presentation, legislative meet-ings and a recognition luncheon.

"We are incredibly proud of Lauren for this well-deserved recognition," Manda Left-wich-Tharp, program director of EMS at UAM-CTM said. "Her passion for EMS and her com-

mitment to providing life-saving care reflect the quality of our program and the profession."

For more information about the EMT/paramedic program at UAM-CTM, contact Manda Leftwich-Tharp at [leftwich@ua-mont.edu](mailto:leftwich@ua-mont.edu) or 870-460-2131.

You don't buy life insurance for yourself.

Your kids count on you to be there for them, day in and day out, little problems and big ones too. Wouldn't it be comforting to know a Shelter Life Policy is there for them too? Ask me how life insurance can be a valuable resource for your kids or grandkids!

## NOTICE OF DEFAULT AND FORECLOSURE SALE

WHEREAS, on December 24, 2011, JOYCE SMITH AND SCOTTY RAY SMITH, HUSBAND AND WIFE (the “Mortgagor”), as mortgagors, executed and delivered that certain CLOSED-END FIXED RATE HOME EQUITY CONVERSION DEED OF TRUST to WFG Lender Services, LLC, as Trustee Mortgage Electronic Registration Systems, Inc., as nominee for Generation Mortgage Company as Mortgagee, which was recorded on January 6, 2012 in Book: DT 281, Page: 382-392 in the Office of the Circuit Clerk and Ex Officio Recorder, Bradley County, Arkansas; and

WHEREAS, the First Mortgage was insured by the SECRETARY (the “Secretary”) of the UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (“HUD”) pursuant to the National Housing Act for the purpose of providing single family housing; and

WHEREAS, the First Mortgage is now owned by the Secretary, pursuant to that ASSIGNMENT OF SECURITY INSTRUMENT executed October 1, 2018 and recorded on October 9, 2018 in Book: DT 318, Page: 763-763 in the Office of the Circuit Clerk and Ex Officio Recorder, Bradley County, Arkansas; and

WHEREAS, on December 24, 2011, that certain CLOSED-END FIXED RATE HOME EQUITY CONVERSION SECOND DEED OF TRUST (collectively, with the First Mortgage, the “Mortgages”) was executed by Mortgagor as mortgagor and delivered to the Senior Official with responsibility for Single Family Mortgage Insurance Programs in the Department of Housing and Urban Development Field Office with jurisdiction as Trustee for the Secretary as Mortgagee, and recorded on January 6, 2012 in Book: DT 281, Page 393-403, in the Office of the Circuit Clerk and Ex Officio Recorder, Bradley County, Arkansas; and

WHEREAS, a default has been made in the covenants and conditions of the Mortgages in that Mortgagor’s property subject to the Mortgages (the “Property”) has ceased to be the principal residence of a Mortgagor for reasons other than death, and the Property is not the principal residence of at least one other Mortgagor; and

WHEREAS, the entire amount delinquent as of February 24, 2025 through the date of this Notice is \$78,160.33, plus accrued costs and interest; and

WHEREAS, by virtue of this default, the Secretary has declared the entire amount of the indebtedness secured by the Mortgages to be immediately due and payable;

NOW THEREFORE, pursuant to powers vested in me by the Single-Family Mortgage Foreclosure Act of 1994, 12 U.S.C. 3751 et seq., by 24 CFR part 27, subpart B. and by the Secretary’s designation of me as Foreclosure Commissioner, recorded on March 29, 2023 with the Circuit Clerk and Ex Officio Recorder of Bradley County, Arkansas as Instrument No. L202300620, notice is hereby given that on Friday, April 25, 2025 at 10:00 a.m. local time, all real and personal property at or used in connection with the following described premises (“Property”) will be sold at public auction to the highest bidder:

A certain parcel of land in the City of Warren, Arkansas, described as beginning at the Northeast corner of the Northwest Quarter of the Southeast Quarter of Section 5, Township 13 South, Range 9 West, and running from thence West 115 feet, thence South 6.32 chains, thence East 115 feet, thence North 6.32 chains to the point of beginning.

SUBJECT, however, to all rights of way and easements apparent end of record, and all prior leases, reservations, exceptions and conveyances of the oil, gas, coal, lignite and other minerals in, upon and under said lands

Commonly known as: 1002 E. Church S Warren, AR 71671.

The sale will be held at the Bradley County Courthouse, 101 E Cedar St # 2, Warren, AR 71671.

The Secretary of Housing and Urban Development will bid \$59,312.73.

There will be no proration of taxes, rents or other income or liabilities, except that the purchaser will pay, at or before closing, his prorata share of any real estate taxes that have been paid by the Secretary to the date of the foreclosure sale.

**When making their bids, all bidders except the Secretary must submit a deposit totaling \$5,931.27 [10% of the Secretary’s bid] in the form of a certified check or cashier’s check made out to the “Secretary of U.S. Department of Housing and Urban Development”. The check must reference FHA Case # 031-4273719.** A deposit need not accompany each oral bid. If the successful bid is oral, a deposit of \$5,931.27 must be presented before the bidding is closed. The deposit is nonrefundable. The remainder of the purchase price must be delivered within 30 days of the sale or at such other time as the Secretary may determine for good cause shown, time being of the essence. This amount, like the bid deposits, must be delivered in the form of a certified or cashier’s check. If the Secretary is the highest bidder, he need not pay the bid amount in cash. The successful bidder will pay all conveying fees, all real estate and other taxes that are due on or after the delivery date of the remainder of the payment and all other costs associated with the transfer of title. At the conclusion of the sale, the deposits of the unsuccessful bidders will be returned to them.

The Secretary may grant an extension of time within which to deliver the remainder of the payment. All extensions will be for 15-day increments for a fee of \$500.00, paid in advance. The extension fee shall be in the form of a certified or cashier’s check made payable to the Secretary of HUD. If the high bidder closes the sale prior to the expiration of any extension period, the unused portion of the extension fee shall be applied toward the amount due.

If the high bidder is unable to close the sale within the required period, or within any extensions of time granted by the Secretary, the high bidder may be required to forfeit the cash deposit or, at the election of the foreclosure commissioner after consultation with the HUD representative, will be liable to HUD for any costs incurred as a result of such failure. The Commissioner may, at the direction of the HUD representative, offer the property to the second highest bidder for an amount equal to the highest price offered by that bidder.

There is no right of redemption, or right of possession based upon a right of redemption, in the mortgagor or others subsequent to a foreclosure completed pursuant to the Act. Therefore, the Foreclosure Commissioner will issue a Deed to the purchaser(s) upon receipt of the entire purchase price in accordance with the terms of the sale as provided herein. HUD does not guarantee that the property will be vacant.

The scheduled foreclosure sale shall be cancelled or adjourned if it is established, by documented written application of the mortgagor to the Foreclosure Commissioner not less than 3 days before the date of sale, or otherwise, that the default or defaults upon which the foreclosure is based did not exist at the time of service of this notice of default and foreclosure sale, or all amounts due under the mortgage agreement are tendered to the Foreclosure Commissioner, in the form of a certified or cashier’s check payable to the Secretary of HUD, before public auction of the property is completed.

The amount that must be paid if the mortgage is to be reinstated as of January 28, 2025 through the date of the scheduled sale is \$381,489.46, plus all other amounts that would be due under the mortgage agreement if payments under the mortgage had not been accelerated, advertising costs and postage expenses incurred in giving notice, mileage by the most reasonable road distance for posting notices and for the Foreclosure Commissioner’s attendance at the sale, reasonable and customary costs incurred for title and lien record searches, the necessary out-of-pocket costs incurred by the Foreclosure Commissioner for recording documents, a commission for the Foreclosure Commissioner, and all other costs incurred in connection with the foreclosure prior to reinstatement.

Tender of payment by certified or cashier’s check or application for cancellation of the foreclosure sale shall be submitted to the address of the Foreclosure Commissioner provided below.

Date: March 24, 2025

## NOTICE

To All Interested Engineers and Architects:

This is a Request for Statements of Qualification (RFQ) to provide Engineering services for the Southeast Arkansas Regional Intermodal Facility Authority which will construct a water well to connect to an existing 750,000-gallon water tank. The engineering will be funded under a grant award from the Arkansas Site Development program administered by the Arkansas Economic Development Commission (AEDC).

You are invited to submit two hard copies and one electronic copy of Qualifications to be received no later than Wednesday April 16th, 2025 at 4:00 p.m., to Southeast Arkansas Regional Intermodal Facility Authority (SEARIFA) P.O. Box 310 Warren, AR 71671 with an electronic copy to be submitted to success@monticelloedc.org. A selection committee appointed by SEARIFA will conduct an evaluation of all proposals submitted in response to this RFQ.

The proposal receiving the highest total points in the proposal evaluation process will be offered the contract. SEARIFA will notify all unsuccessful offerors of the contract award once contract negotiations have been completed. The contract awarded will be a lump sum contract.

Questions concerning the RFQ package may be addressed to SEARIFA by calling Nita McDaniel 870-367-3076.

The SEARIFA is an Equal Opportunity/Affirmative Action Employer.

John Lipton, President

Southeast Arkansas Regional Intermodal Facility Authority

Bids must be received prior to bid opening.

To request the full solicitation packet, please contact Kristi Best, Child Nutrition Director at kristi.best@hermitageschools.org. If questions arise during the solicitation process, answers to questions will be provided via email and added as an addendum to the solicitation. This information will be provided to all prospective bidders.

Bidders must be fully aware and comply with USDA rules and regulations. The Hermitage School District reserves the right to reject any and all bids. This institution is an equal opportunity provider.

4/9

## Warren School District Request for Bid Proposals

Bid Proposals are requested by the Warren School District for the removal of existing fencing & concrete footings plus the installation of new Chain Link Fencing, Gates, Footings & Related Accessories at the Brunson Elementary and Warren Middle Schools, located at 210 & 212 Scobey Drive, Warren, AR 71671. The bid opening will take place at the Superintendent’s Office, 408 Cherry Street, Warren, AR 71671 at 2:00 PM local time on April 29, 2025. A mandatory pre-bid conference with all proposed bidders to be present will occur at 2:00 PM local time on April 24 at the Middle School Principal’s Office 210 Scobey Drive, Warren, AR 71671. Any bids received from companies who fail to attend the pre-bid conference will be returned to the bidder unopened.

Details of new fencing:

6’ tall black chain link KK, 9x8g fuse bonded, 2 3/8” OD line post 40 wt top and brace rail 1 5/8” OD 40 wt, corners & end post 2 7/8” OD 40 wt. Each side gets truss rod and brace rail. Fittings steel, bottom cable 9gx6g. Ties 9g aluminum. Corner post foundations 12”x36”, line post foundations 10”x36”.

A layout diagram of the new fencing and the required bid form can be received by contacting:

Bryan Cornish

Warren School District

870-226-8500 or bryan.cornish@warrensd.org

All bids are to be in sealed envelopes and are to include a Bid Bond or a Certified Cashier’s Check for at least 5% of the Bid Amount made out of the Warren School District for damages created if the chosen low bidder fails to sign a contract for the bid amount within seven days of the bid date. The Owner desires that all payments be made by June 30, 2025 so the contract time stipulated in the bid form may be a basis for determining the successful bidder.

FEATURES FROM THE BIBLE

TRUTH IN SCRIPTURE

Solomon's Adversaries

I Kings 11

King Solomon was well respected by many neighboring leaders of nations but there were those who did not respect him .The LORD raised up against him an enemy. He was Hadad the Edomite, from the royal line of Edom (Esau). Years previously, when David was king and was at war with Edom and Joab was the commander of the army, they had destroyed all the men in Edom. Hadad was still a boy at that time. He and some Edomite officials who had served Hadad's father fled to Egypt where they found favor with Pharaoh. Pharaoh welcomed Hadad and gave him a house and land and provided him with food and gave him a sister of his own wife in marriage. When Hadad learned that King David and Joab had died he gained permission to return to his own country where he gave King Solomon trouble. God also raised up Rezon son of Eliada as Solomon's adversary. When King David destroyed the forces of Zobah, Rezon gathered men around him and became the leader of a band of rebels. They went to Damascus, where they settled and took control. Rezon too was Israel's adversary as long as Solomon lived, adding to the trouble caused by Hadad.
