From the Creators of

Finley Grace Soy Candles & Skin Care Products

Bill and Patti Murphy, owners of At Home in Galena, launched Finley Grace, a wickless soy candle business in 2009, as a way to raise funds for their granddaughter, Finley Grace Murphy, who has a rare and incurable genetic disorder. Since then the business has added many new products and now also offers Finley Grace products to businesses and organizations across the country as a unique, effective fund-raising and promotional opportunity. Stop in soon to enjoy their large selection locally made handcrafted products.

## What happens when you *Shop* *Galena?*

More than half of all Americans own or work for a small business. The U.S. Small Business Administration (SBA) reports that more than 50% of Americans either own or work for a small business.

Here are some reasons to shop those businesses--particularly in Galena!

- Small businesses power our economy. According to the SBA, small businesses create about 2 out of 3 new jobs in the U.S. each year.
- More of your money will be kept in your local economy. For every \$100 you spend at locally owned businesses, \$68 will stay in the community. What happens when you spend that same \$100 at a national chain? Only \$43 stays in the community.
- You embrace what makes your community unique. You wouldn't want your house to look like everyone else's in the U.S. So why would you want your community to look that way?
- Shop Small. Shop Galena!
