Showers for the homeless

BY TUMBLEWEED SMITH

Tumbleweed Smith of Big Spring is a newspaper columnist and producer of The Sound of Texas radio series.

Homeless people in Houston can take hot 20-minute showers in mobile shower stalls provided by a group called Moving Waters.

"We're providing 150 showers a week," said Dr. Jennifer Park, who started the nonprofit group two years ago. "In 2021 we provided 400 showers. In 2022 we provided nearly 4,000."

Right now, Moving Waters has two shower trailers, each pulled by a truck. One trailer has three shower stalls, the other has four.

"In each stall there is a shower, a toilet, a sink, and it's all private," Park said. "Each stall has its own lock. These people don't get

much privacy. We don't get hung up on their living situation. We want to hear what team they're rooting for, what books they're reading, what music they like. We focus on the humanity of it."

They go to five locations in Houston.

"Our partner locations let us hook up to their water and electricity," Park said.

"We stay at each location for four hours on different days. Some people use the showers twice a week."

Each trailer is equipped

Disabled American Veterans Fort Hood hiring event set for April 11

Press Release

DAV (Disabled American Veterans) and RecruitMilitary will co-host a Fort Hood hiring event at the Killeen Civic & Conference Center on April 12 from 11 a.m. - 3 p.m. The event is free to military veterans, their spouses, active-duty military personnel and members of the National Guard and Reserve.

More than 60 employers actively seeking the unique talents of America's veterans will be on site representing a range of industries, from construction to medical to administrative and logistics, with career opportunities from entry level to senior management. In addition to employment assistance, the veterans expected to attend can utilize career counseling and resume assistance, network with fellow veterans and military personnel, and get support with their Department of Veterans Affairs benefits and claims assistance — all at no cost to them.

This year, DAV will sponsor more than 90 in-person and virtual job fairs. Since the inception of its employment initiative in 2014,

there have been nearly 274,000 attendees and more than 167,000 job offers. Last year, to support employers, dispel myths and demonstrate the business case for employing America's nearly 4 million veterans with a service-connected disability, DAV developed The Veteran Advantage: DAV Guide to Hiring and Retaining Veterans with Disabilities. This guide offers best practices and helpful tools for employers and strives to inspire more organizations to consider the veteran talent pool.

DAV's National Employment Director Ryan Burgos, an Army veteran of the Iraq War, is available to discuss trends in veteran and military spouse hiring, valuable employment-related resources, and job opportunities in the Fort Hood area and nationwide. To arrange an interview, contact Ryan Burgos at 859-442-2063.

To register for the Fort Hood hiring event and access additional no-cost resources for veterans and their families, go to jobs.dav.org online.
