# WHY SHOP LOCAL?

Economic Vitality!

By shopping local, you are helping your community thrive. Every dollar spent counts! Not only are local jobs being created and sustained, but sales tax generation supports our police and fire departments, road maintenance, parks and an overall quality of life.

A study done by Civic Economics found that for every dollar spent in a **local small business, 48 cents recirculate** into our community. For every dollar spent at a **chain retailer, 14 cents** finds it way back into the local economy; whereas, sales and use taxes paid for online purchases **go to the state** where the company or warehouse is located.
