The Best of Coryell County — *Celebrating excellence*

SAM HOUSTON

Sam Houston is the publisher of the Gatesville Messenger. He is also an actor, author, playwright, performer and entertainment producer/promoter.

It is with a great deal of pride the Gatesville Messenger presents the 2022 Best of Coryell County winners!

This is the first year for the Messenger to conduct a The Best of Coryell County competition. It did not take businesses long to catch on and seek the vote and support of their loyal patrons so they could be declared a Best of Coryell County winner. Why do businesses compete? Simple. When locals, newcomers, or visitors in town are seeking a particular good or service, they know when they see a business displaying the **Best of Corvell County** decal, they are trading with someone who provides a high quality good or service. It gives customers peace of mind knowing the business they are utilizing is not simply competent, but exemplary.

Why do people vote? Partly because it is fun, but mostly patrons have favorites and businesses they enjoy. Sometimes it is because the business has a good price, or they provide outstanding customer service, or they simply are outstanding in everything they do. Loyal customers love to support their favorites and want their voices heard.

Our nation and our

Houstor

nity have been through challenging times the past few years. COVID-19

commu-

has caused the closure of many small businesses, some right here in Coryell County. Those that have remained open lost significant income and suffered hardships, which are real and apparent. Small business is the backbone of the American economy, and it is important to recognize those outstanding entities that serve our community so well.

It is the hope of the Gatesville Messenger that our readers support the businesses which make up this great place we call home. Go have a taco, drink a margarita, get your car washed, get your shirt cleaned, or trade with the hundreds of businesses that make up our local economy. It has been my experience that these businesses provide great value for your hard-earned dollar, and your support helps our town grow and prosper.

Thank you to all the voters for taking your time and earnestly making your selections.

We salute the winners and runners-up! Congratulations and remember the challenge — the hardest thing to do after winning is to repeat! Keep up the good work.

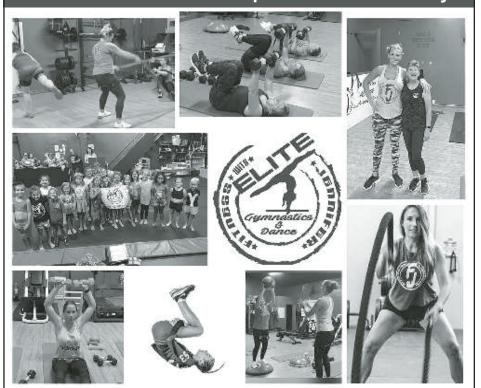

Thank you to the community of Coryell County for voting Let's Grow Learning Center Best Day Care/Preschool!
