

A SPECIAL CHRISTMAS GREETING  
WEDNESDAY, Dec. 21, 2022

# Dear Santa

SANTA'S MADE  
HIS LIST  
AND CHECKED  
IT TWICE  
*Have you been  
naughty or nice?*

*T*here is something magical about a child sending Santa a note so St. Nick would know what to load up in his sleigh.

First and second graders from area schools sent letters for Santa that they wrote in class to the Hood County News. We found many of them want hoverboards, LOL dolls and iPhones.

Now, it is all up to Santa and his elves to make a child's dream come true.

It all hinges on whether they have been naughty or nice.

# Merry Christmas

## NOTE FROM THE PUBLISHER

**W**hen it comes to Christmas there are a lot of emotions which live in each one of us. Memories of Christmas past spent with family and friends or experiences like the Granbury Christmas Parade are burned into our minds and warm our hearts when they are rekindled. I am sure for most of us, one of the best memories is seeing small children excited about Santa.

This year, the Hood County News reached out to the community and secured many times over the number of Letters to Santa, than we have printed in previous years. It was our goal to have as many children be a part of our Christmas

celebration as possible.

As I looked over the letters, I could feel the passion, love, and innocence of the small children who wrote them. Some letters were very funny, some poignant, and others were simply warm and engaging.

The Hood County News is YOUR community newspaper, and it is our pleasure to print these letters for your enjoyment. It is my hope the authors of the letters have a memory which they will never forget, and you, readers, get a smile on your face.

From the bottom of my heart, and from the staff of the Hood County News, Merry Christmas!

Sam Houston

## NOTE FROM THE EDITORS

Letters to Santa are presented here as children wrote them. We mostly preserved the original spelling of the letters to maintain authenticity. We hope you enjoy reading them!
