DID YOU KNOW?

Estimates from the Department of Veterans Affairs indicate that there were around 19 million veterans in the United States in 2021. Veterans Day, observed each year on November 11, honors all those who served honorably in the U.S. military during both wartime and peacetime. Data from the VA indicates that, as of 2016, Gulf War veterans account for the largest share of all U.S. veterans. Roughly 7.8 million veterans served during the Gulf War. Vietnam veterans also make up a sizable percentage of U.S. military veterans, as VA estimates indicate there were approximately 5.9 million veterans who fought in the Vietnam War in 2021. Though veterans need not have served in wartime in order to be recognized and honored on Veterans Day, the vast majority of U.S. veterans served during wartime. According to the VA, 78 percent of veterans in 2021 had served during wartime.

Thank you, Veterans!

Your bravery, dedication and sacrifice are unmatched. We are forever grateful for your service to our great nation.

Each November, millions of people recognize the service and sacrifice of military veterans on Veterans Day. Initially commemorated as Armistice Day but renamed Veterans Day in the United States in 1954, the holiday is a federal holiday

throughout the country.

The first Armistice Day was observed in 1919. Despite that lengthy history, the general public may still have questions about Veterans Day.

WHEN IS VETERANS DAY OBSERVED?

The U.S. Department of Veterans Affairs notes that Veterans Day is always observed officially on November 11, regardless of which day of the week that happens to be. In 2023, Veterans Day is Saturday, November 11. Because Veterans Day falls on a Saturday in 2023, the federal observation date is Friday, November 10.

WHY IS NOVEMBER 11 SO SIGNIFICANT?

November 11 is a significant day in world history because it marks the signing of the armistice between the Allies of World War I and Germany at 5:45 a.m. on November 11, 1918. Though the formal peace treaty, the Treaty of Versailles, was not signed until 1919 and hostilities between the sides continued for hours after the armistice was signed, the day is still viewed as the end of World War I.

WHAT DISTINGUISHES VETERANS DAY FROM MEMORIAL DAY?

The VA notes that Veterans Day honors all those individuals who served honorably in the military during both wartime and peacetime. Memorial Day is a day to honor and remember military personnel who died in the service of their country, particularly those who lost their lives in battle or as a result of wounds sustained in battle.

WHAT IS THE SIGNIFICANCE OF RED POPPIES?

Red poppies are ubiquitous on Memorial Day, but they're also visible on Veterans Day. Though it's not taboo to wear red poppies on Veterans Day, it's a tradition that aligns more with Memorial Day. That's because the poppies are typically worn to honor fallen military personnel. A 1915 poem written by a Canadian Lieutenant Colonel named John McCrae referred to the fields of poppies growing around the graves of World War I soldiers in Flanders.

DO OTHER COUNTRIES HONOR THEIR MILITARY VETERANS?

Many countries across the globe honor their military veterans, and many do so on November 11 as well. For example, Canadians and Australians observe Remembrance Day in honor of their nation's respective veterans on November 11. Great Britain observes Remembrance Day on the Sunday nearest to November 11.

Veterans Day is a day to honor and commemorate the brave men and women who have honorably served in the U.S. military during wartime and peacetime.
