Dear Laurie. 30 or so years ago I knew you as Laurie B., You are my biggest regret of the past 40 years! As good as my life has been I can't help but think that it would have been better with you in it. Also, I am sorry for any misguided or off the wall comments or actions I may have said or done once it was over. I've thought about you a lot through the years. As Mark Chestnut has sang "I just wanted you to know".
