Words of wisdom from your home town Sheriff Marty Hinson of Jackson County, as you embark on your life's journey and career path, remember that careers and drugs don't mix. If you choose drugs, you will eventually end up in jail and have a criminal record that will follow you for the rest of your life. I as your Sheriff and father of children that have graduated from Jackson County High School would like to encourage each and every one of you to choose a career that you can be proud of, make your name stand out when spoken of by upcoming graduates and leave a legacy your teachers can be proud of in know all their hard work over the 13 years of prepared you for your life's journey and choosing the right career path. I encourage each and every one of to be leaders and not followers and to just say no to drugs.
