# The Other Side Of The Lenz: Special Edition

MICHAEL VIGEANT

special to the *Sentinel*

Special! Football 2020! It is here and what a season we are gonna have! I don't even want to guess what our year is going to bring with all the new rules and regulations. I know that Coach Sean has been working himself sick trying to replace a lost coach, follow the new TSSAA and Health Department Rules. I know our Boys want to play and are ready, despite the restrictions.

One big advantage this year is that every district has been just as strangled as the Devils have been. With everyone facing shorter prep time and reduced the practicing time I feel that many of the games will be a lot more level and experience will play a huge roll in the games to come. Friday will be the first game and it will be the first time I have seen

the Devils in action. I know it will different, everything will be different because of COVID -19, but the one thing that won't change is the fans cheering them on and Mr. Mike on the sidelines! GO BIG BLUE!
