Choices

*When the last test has been taken,
And the last story has been read,
When the last play has been acted,
And the last poem has been said,
It will mean a new path must be taken
That can lead to success, failure, or fame.
Seniors must now make some choices
Of where to go on life's train.
It will mean no more bells or classes,
Or teachers that tell me what to do.
But it will mean no more fun times
With my school friends I once knew.
It means I must make some choices
Of what to do with my life.
It's a big old world out there--
Will I meet harmony or strife?*

*It is a question I must answer,
Which path must I now take?
Will I be sad and my heart break?
Sometimes we must make decisions
Of where to go from here,
And right before we know it,
It's another brand new year!
I know students have these questions,
For I have taught them for a long time.
I wish the best for my students,
And rewards on down the line.
I wish them good health and happiness,
Prosperity, love, and fame.
May they have greatness and honor--
Perhaps someday they'll remember my name.
