## Golf Patriot Day honors the legacy of SFC Matthew Charles Lewellen

By Photos by Lynn Roberts

The SFC Matthew Charles Lewellen Patriot Golf Day was held at the Kirkville Country Club on Friday, Sept. 2, named for the Kirkville soldier killed in an ambush while training troops in Jordan.

Patriot Golf Day was not a golf tournament but a day to honor all those that made the ultimate sacrifice. All proceeds go to SFC Matthew Charles Lewellen's scholarship fund, which last year benefited four local students with \$2,500 each.

Ninth hole with Matt and cousin Blair Hinkle.

Blair, Taylor, Grant and Mason Hinkle — this foursome traveled from Kansas City and Grinnell, Iowa to honor their cousin Matt and contribute to his Foundation Scholarships..

Happy Hour attendees Janice McGinnis of Edina; Larry Roberts of Kansas City; and Matt's grandmother, Sue Johnson of Baring.

Winner of the 50/50 Raffle, Mason Hinkle.

## 2022 Kirkville Football Hall of Fame Inductees:

By Orange & Black Foundation

The Orange & Black Foundation and the Kirkville Football Hall of Fame proudly announce the inductees to be honored during half-time of the annual Hall of Fame Game, Sept. 9t at Spainhower Field.

The public is invited for the Friday night pregame tailgate celebration, hosted by the Orange & Black Foundation as well as to the formal Induction Ceremony at 10 a.m. on Saturday, the 10th. The formal ceremony on Saturday will take place at the Kirkville Country Club.

2022 Kirkville Football Hall of Fame Inductees:

### Sean Bartlett

Sean Bartlett graduated from Kirkville in 1991 after a stellar football career on both sides of the line of scrimmage. In his

senior year he contributed over 600 yards of rushing, 450 receiving yards, eight returns longer than 40 yards, six returns longer than 50 yards and averaged 15 tackles per game with high of 26 tackles that year against the Hannibal Pirates.

For his outstanding senior effort Bartlett was recognized as 1st Team All Conference DB, 2nd Team All Conference RB, 1st Team All District LB, 1st Team All District WR and All Heartland DB.

After graduating from Kirkville, Bartlett played football for Northwest Missouri State University where he played defensive back and special teams, earning Special Teams Player of the Week three times in 1991. In 1992 and 1993, Bartlett played both baseball and

## Water tower disappears from Kirkville skyline

By Marty Bachman  
Daily Express

The downtown water tower that has loomed over the city since 1954, was brought to the ground in pieces beginning Friday. In 2015, an inspection of the water tower found numerous substan-

tial deficiencies. It was determined that the tower had reached the end of its useful life. A new 1,000,000-gallon water tower was constructed in 2020 near Patryla Park. It has assumed all water responsibilities. Allstate Tower, Inc. was awarded the demolition contract.

Workers atop the water tower.

Piece by piece, the water tower began to disappear.

## Adair County Public Library to hold second Accessory Swap

By Adair County Public Library

We all love accessories, right? Join the Adair County Public Library in the fun at their second Accessory Swap on Saturday, Sept. 17, between

the hours of 10:30 a.m. and 3:30 p.m. They will start accepting items now through Saturday, Sept. 10 at the Adair County Public Library, during business hours.

Items that can be dropped

off are purses and accessories such as scarves or jewelry. Bring items that are gently used and that you would want to bring home yourself. Everyone is welcome to come in and browse even if they did

not donate items. There is a limit of 10 items per person. Items not picked up during Accessory Swap will be donated to a local thrift store by the Adair County Public Library.

Terrence Joseph "Terry" Killday, 83

OBITUARIES

Terrence Joseph ‘Terry’ Killday

Feb 18, 1939 — Sep 1, 2022

Terrence Joseph “Terry” Killday, 83, of Winchester, IL, answered his last trouble call and walked his last line on Thursday, September 1, 2022. Terry peacefully left this world surrounded by the love of his family at his home. He was born on February 18, 1939, the son of Robert D. Killday and Esther Witherow Killday of Edina, MO. Terry graduated from Edina High School in 1957. He married Carol Ann McMahon on February 9, 1963 in Edina, Mo. and she survives.

Terry, husband, father, papa, great-papa, brother, uncle, and friend, will be remembered by his wife, Carol Ann of Winchester; Christine (Carl) of Chapin; John (Crystal) of Jefferson City, MO; Joe (Donna) of Pittsfield; James (Shannon) of Winchester; Kathie (Drew) of Mankato, MN; Kimberly (Adam) of Peoria; and Jason (Stephanie) of Kirksville, MO. Grandchildren: Courtney (Blaine) Toeppen and Carson Killday of MO; Kayla Killday and Brooke Killday of Springfield; Sam Killday of Arizona; Joyce Killday of Winchester; Megan (Max) Rykus of MN; Derek Helms of WY; Hanna Helms of MN; Makenna, Matthew, and Emmerson Crews of Peoria; and Taylor and Trey (TJ) Killday of MO. Great Grandchildren: Kamden and Parker Toeppen and Ruby Rykhus.

Surviving siblings include; Betty (Jim) Bruegenhemke of O’Fallon, MO; Bill (Dorothy) Killday of Edina, MO; Danny Mike of Holts Summit, MO; Dennis (Linda) Killday of Russellville, MO; and Mary Carol (Mike) Early of Kirksville.

He was preceded in death by his parents Rob and Esther Killday; brother Bob Killday and his wife Shirlene, and sister-in-law Carolyn Killday.

A mass of Christian Burial will be celebrated at 10 am Monday September 5, 2022 at St. Mark’s Catholic Church in Winchester. Burial will be in St. Marks Cemetery. A visitation will be held on Sunday from 2 until 5 pm at the Coonrod Funeral Home in Winchester, where a rosary service will be held.

Following the funeral mass Monday, a celebration of Terrys life and reception with the family will be held at the Winchester EMS Building

In lieu of flowers memorials are suggested to the Fallen Linemen Organization or Scott County EMS of Winchester.

Annabelle Keller Riley

Mar 11, 1927 — Sep 4, 2022

Annabelle Keller Riley went to be with God on Sunday, September 4, 2022. Born on March 11, 1927 to Irving Samuel Keller and Bernice Bachman Keller of Pennville, Missouri, she was the first born of four children.

Annabelle attended Pennsville’s Victory and Boone Hill Rural Schools. She later, in the 1940’s, attended North Central Bible School located in Minneapolis, Minnesota, known now as the North Central University.

As a child, Annabelle liked to play her father’s guitar but her lifelong instrument of choice and love was the piano. She was an accomplished pianist with a fondness for gospel music.

As a teenager during a pentacostal tent revival in Pennville, Missouri, she dedicated her life to Christ, was later baptized and eventually joined the Assembly of God Church helping in Sunday School and Church services.

Annabelle married her much loved husband Fletcher Clifton Riley on September 15, 1946. They were married by Reverend Charles Rowland who had married Annabelle’s parents as well. They lived in Missouri then Iowa before residing the rest of their marriage in the Kirksville, Missouri area.

She attended Hazel Creek Free Will Baptist Church located outside Kirksville for many years with her beloved husband and family. She worked with the children of the church and in the Women’s Church Auxiliary.

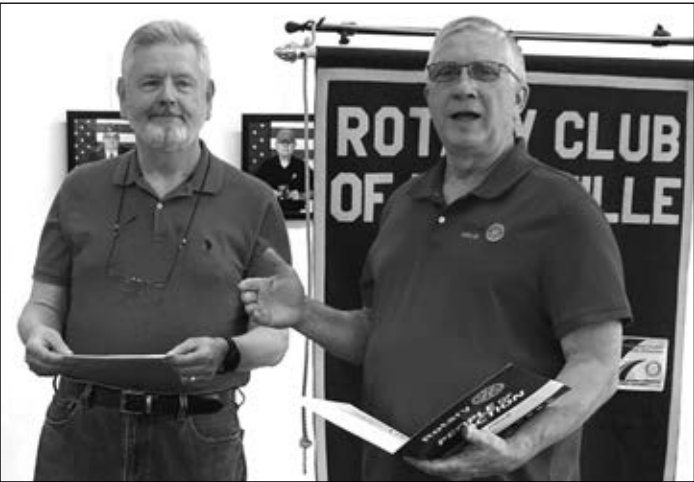

Annabelle was a member of The Gideons International Bible Society serving as secretary-treasurer for a brief time. She was also involved in the Porter School Extension Club and the local 4-H club.

She is survived by her two sons Gregory Thomas Riley(Diane Riley) and Steven Wayne Riley( Lisa Riley), four grandchildren, eight great-grandchildren, two great-great-grandchildren, sister-in-law Gladys Riley, brother-in-law Dick Sanders and several nieces and nephews.

Annabelle was proceeded in death by her parents, one brother, Sam Keller and two sisters Patsy Keller Gordon and Iris Keller Cafer Sanders.

Funeral service for Annabelle Riley will be held 1:00 p.m. Saturday, September 10, 2022 at Travis-Noe Funeral Home in Kirksville, with Pastor Alan Coonfield officiating. Interment will follow the service at Green City Cemetery in Green City, Missouri. No public visitation will be held.

In lieu of flowers, please make a contribution in Annabelle’s honor to the Hospice of Northeast Missouri or a church or charity of your choosing, and may be left at or mailed to Travis-Noe Funeral Home, P.O. Box 306, Kirksville, MO 63501.

ROTARY CLUB OF KIRKSVILLE ADDS NEW MEMBER

At the Aug. 31 Rotary Club of Kirksville meeting, Mike Mitchell was inducted as a new member. Mitchell, a retired Kirksville R-III principal, is pictured with his Rotary sponsor, Jeff Romine (right). ROTARY CLUB OF KIRKSVILLE

BRASHEAR SCHOOL REPS SPEAK TO KIRKSVILLE KIWANIS CLUB

The Kirksville Kiwanis Club welcomed Mr. Josh Brummit and Mr. Cody Moore to speak at their Aug. 25 meeting. Brummit is the superintendent and Moore the PK-12 principal, at the Adair County R-II School District in Brashear. They presented on the district’s experience through the Covid-19 pandemic and the state of their district today. Pictured, from left, are Moore, Kirksville Kiwanis Club President Jim O’Donnell, and Brummit. KIRKSVILLE KIWANIS CLUB

Continued from Page A1

football for Northeast Missouri State (now Truman State) before going on to graduate from Central Missouri State BS in Education. After a short career in teaching and coaching football at the high school level, he began a career in the hospitality industry. He currently resides in Kansas City Mo.

Mike Munn

Mike Munn dominated both sides of the ball when the gritty Kirksville Tigers took the field in the fall of 1968. At 6’1” and 205 lbs, Munn anchored the offensive line at center for the prolific offensive season. As only a sophomore, Munn was rewarded with selection as the center for North Central Missouri Conference All Star Team of ’68,

the only sophomore on the All Star Team. He was also 1st Team All District. Equally dominate on defense, Munn racked up 58 solo tackles that season, with a single game high of 14.

Patrick Williams

Patrick Williams, KHS ’75, earned All Conference honors as a defensive back in the fall of 1974 on a team that had only one win. That win,

however, broke a KHS 36 game losing streak and began the turnaround of the football Tigers. Williams’ unanimous selection to the Football Tiger Hall of Fame has as much to do with his accomplishments and contributions off the field as on. Known by most as “Mr Williams”, he had a 31-year career with the Kirksville R-III school district after earning bachelors, masters,

and specialist degrees in education from Northeast Missouri State (now Truman State) where he was recruited to play baseball for the Bulldogs.

During his career in Kirksville schools, Williams served as teacher, assistant football coach, assistant principal at William Mathew Middle School, principal of Kirksville High School (18 years) and superinten-

dent of Kirksville R-III for eight years. It was as superintendent that Williams perhaps made his greatest contributions to Kirksville Tiger Football, overseeing the massive upgrades to Spainhower Field that included upgraded bleachers, a new entryway celebrating the history of the program, new vendor building and a resurfacing of the field to artificial turf.

KIRKSVILLE AREA NEWS BRIEFS

Mostly Ghost Towns Car Cruise

Novinger Renewal is coordinating a Mostly Ghost Towns Car Cruise on Sunday, Sept. 25. This tour will include the sites of the former Riverside Coal Mine, Salisbury Rural School, Simler Bluff Mine (also known as Baiotto or #11 Mine), and trading posts of Simlerville, Nefy (pronounced Knee-fy) and Boot Jack. Those wishing to participate should meet at the Novinger Community Center at 2 p.m. to join the fun. No special vehicle is needed. Larry Evans and Glenna Daniels-Young will provide information about these sites, however anyone who lived in the area or has knowledge or pictures of these locations are encouraged to come and share as well. This is the 6th Mostly Ghost Towns Car Cruise organized by Novinger Renewal, a non-profit organization established to preserve the history of the area and to help to make the community a better place in which to live. Donations will be accepted to help cover the cost of handouts. For more information, call 660-342-6455.

Missouri National Guard Hall of Fame Induction Ceremony at Rieger Armory

The Missouri National Guard Hall of Fame Induction Ceremony will be held on Sept. 9 from 10:30 a.m. to Noon at the Rieger Armory in Kirksville. The Missouri National Guard Hall of Fame (MONGHOF), formed by a group of Missouri veterans in 2020, is physically located at the Rieger Armory. Chairman John J. Sastry announced a list of four inductees for the Hall of Fame’s second class: Major William Robertson (Deceased), Lt. Col. James E. Rieger (Deceased), Major Charles A. Gates (Deceased), and Lt. Col. James Schaffner (Living). The Missouri National Guard Hall of Fame is seeking information on living relatives of this year’s three deceased inductees so that they may be extended an invitation to the induction ceremony. If you have information on the family of Maj. Robertson, Lt. Col. Rieger on Maj. Gates, contact Jeremy P. Amick at jamick1@earthlink.net. For information about the Missouri National Guard Hall of Fame, please visit its website: www.monghof.org.

Art Gallery Exhibit: New Work by Truman State Art Faculty

New artwork by current art faculty will be on display through Oct. 8 in the University Art Gallery. Exhibits will include Laura Bigger, printmaking; Lindsey Dunnagan, painting; Nick Phan, printmaking; Amy Smith, ceramics; and Danielle Yakle, sculpture/fibers. Hours are Monday-Thursday 8:30 a.m. to 7 p.m. Friday 8:30 a.m. to 5 p.m. and Saturday Noon to 4:30 p.m. Art Gallery exhibits are free and open to the public.Please note, the University Art Gallery is closed between exhibitions and during all Truman State University breaks. Additional information at gallery.arttruman.com The Art Gallery is located on the first floor of the Ophelia Parrish Fine Arts Center, entrance on the west side of the building.

The Revolutionists to be performed at Truman State

Performances of “The Revolutionists”, a play by Lauren Gunderson and directed by Dr. Dana Smith, will be held Sept. 28-Oct. 1, at 7:30 p.m. at the James G. Severns Theatre, Ophelia Parrish Building, Truman State University. This play combines hilarity with some high-stakes drama about four real women during the French Revolution’s Reign of Terror. Olympe De Gouge was a rare bird—a woman playwright, who was executed by guillotine for expressing her dissenting opinions. Charlotte Corday was the young woman who assassinated Jean-Paul Marat, a major player in the worst excesses of The Terror. Marie Antoinette is another character; the former queen in the play

is a big fan of ribbons. The fourth character is Marianne Angelle, a composite character made up of real women who were revolutionary activists in what is now Haiti. The four women hang out, brainstorm revolutionary plays, and in general, attempt to beat back extremist insanity in 1793 Paris. The women are united by their dismay over the way this hopeful, people’s revolution is now sinking into hyper-violent and hypocritical male rhetoric. How on earth will modern audiences relate...? TICKETS: to be announced on http://boxoffice.truman.edu

Construction of North Baltimore sidewalk project begins Sept. 6

Work is set to begin next week on new sidewalk construction along North Baltimore Street. Construction is expected to begin on Tuesday, Sept. 6. The project location goes from the intersection at New Street to State Highway 6. The sidewalk along Baltimore Street will provide safer passage and better connectivity for all modes of transportation. Traffic signal and sign improvements at Rosewood Drive, Potter Avenue and Northtown Road intersections will also provide a safer environment for all modes of transportation. Traffic control will be in effect, and one lane of traffic may be closed during construction. The traveling public is strongly encouraged to use caution, drive slowly through work areas, and use alternate routes when possible.

Update on Missouri Route 149 in Adair County

The Missouri Department of Transportation closed Route 149, in northwest Macon County, on July 10, 2021 following flooding that washed out a section of roadway and a large box culvert at Walnut Creek. Since the location has been prone to flooding, and drift from wooded areas upstream has been an ongoing problem, the drainage needs were evaluated, and it was determined an actual bridge, instead of a culvert, is warranted at this location. The district has hired a consultant engineering firm to design the new bridge, and construction is currently scheduled for the summer of 2023 at an estimated cost of almost \$500,000.

“We understand this closure is a significant inconvenience for the residents and property owners in the area,” Kroner said. “With the flood damage occurring in July of 2021, the department did not have resources available, nor the needed window of time, to have bridge plans ready to meet a summer 2022 construction timeframe, resulting in the project being planned for construction in 2023,” he explained.

In addition to the bridge project, there are two projects scheduled to resurface 40 miles of MO 149 from Route 6 in Adair County to U.S. Route 36 at New Cambria. “As currently planned, by the fall of next year, MoDOT will have invested approximately 4.5 million dollars on Route 149 in Adair and Macon County,” Kroner said.

Missouri Livestock Symposium

The Missouri Livestock Symposium, the premier educational event and trade show for livestock producers, will be held on Dec. 2-3 at William Matthew Middle School, 1515 S Cottage Grove in Kirksville. The trade show opens on Dec. 2 at 4 p.m. and there will be a free supper at p.m. If you’re serious about livestock production, don’t miss their lineup of nationally-known speakers covering timely topics, and their large agricultural trade show. There’s no cost to attend and no pre-registration required. Just show up and enjoy their educational programs, trade show and free meals. If you’re interested in becoming a sponsor of this event or would like to have a trade show booth, call the Adair County MU Extension Center at 660-665-9866.

# Polly Petree Hampton, Quinn Benson to join the Benson Law Firm

By Benson Law Firm

Polly Petree Hampton, originally from LaPlata, was sworn in last Wednesday as an attorney in Iowa and now Missouri with the Benson Law Firm. Also joining the Benson Law Firm is Quinn Benson, a 2013 Kirksville R-III High School graduate and son of Jay and Vickie Benson. Quinn graduated from UMKC School of Law in 2020 and has been in Kansas City with the Western District Court of Appeals. He will be returning to Kirksville to join The Benson Law Firm and work with his father.

Hampton joined the Benson Law Firm in June 2021. She has been an attorney for 17 years and practiced in Illinois and Iowa before returning home to Northeast Missouri. Hampton is an

experienced trial lawyer and has tried 18 jury trials to verdict. She is a former assistant state's attorney (prosecutor) in St. Clair, Ill., where she prosecuted DWI, misdemeanor, domestic battery and felony cases. Hampton later founded Hampton Law Office in Belleville, Ill. As a criminal defense attorney, Hampton never lost a jury trial in St. Clair County. She researched and wrote a successful appeal which led to the release of a small business owner who had been sentenced to 21 years in prison. When one of her fellow motorcyclists was injured, Hampton and an associate attorney obtained a \$750,000 (policy limit) settlement for their client. Hampton later practiced with the Iowa Civil Rights Commission as an investigator and

Quinn Benson

mediator. As a solo practitioner in Des Moines, she continued to advocate for the accused and the injured, using her nursing background to maximize settlement amounts for victims of negligence. Hampton uses her experience as a former prosecutor to pinpoint weaknesses in cases

Polly Petree Hampton, originally from LaPlata, was sworn in last Wednesday by Jay Benson of the Benson Law Firm, as an attorney in Iowa and now Missouri with the Benson Law Firm.

against her client and to develop the most effective defenses to criminal charges. In 14 years as a criminal defense attorney, she has secured acquittals for clients accused of DWI, domestic battery, resisting arrest, assault, and obstructing a police officer. Hampton grew up in

LaPlata in the loving home of Beth and Gary "Pete" Petree where, she, her brother and her sister assisted their parents in their car and auto dealer supply business. She served in the United States Air Force Nurse Corps before attending law school. Hampton is a touring

motorcyclist and has ridden nearly 100,000 miles on Harleys. She enjoys playing what she describes as "very bad guitar" and helps raise beef cattle with McIntyre Farms. Hampton brings the work-ethic and common-sense approach she learned in her hometown to representing the accused.

## SBA announces call for nominations for the 2023 National Small Business Week Awards

By Small Business Administration

WASHINGTON – Today, Administrator Isabella Casillas Guzman, head of the U.S. Small Business Administration (SBA) and the voice for America's 33 million small businesses in President Biden's Cabinet, announced the call for nominations for the 2023 National Small Business Week (NSBW) Awards. The NSBW Awards recognize SBA-assisted small businesses' inspirational achievements and contributions to their communities and our nation's economy. All nominations should be submitted electronically by 3 p.m. ET on December 8, 2022. The awards will be presented during the NSBW Awards ceremony in the first week of May 2023. For over 50 years, the SBA has celebrated National Small Business Week, which recognizes the critical contributions of America's entrepreneurs and small business owners. To nominate a small business owner in your area or download related forms, criteria, and guidelines, visit [sba.gov/nsbw](https://www.sba.gov/nsbw).

Nominations for the following categories will be accepted: Small Business Person of the Year: A business/owner from each of the 50 states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, and Guam will be selected for the State Winner award. The state award winners will compete for the title of National Small Business Person of the Year, SBA's signature award. Additional awards include: Small Business Exporter of the Year Phoenix Awards for Disaster Recovery: Phoenix Award for Small Business Disaster Recovery Phoenix Award for Small Business Disaster Recovery — Mitigation Phoenix Award for Outstanding Contributions to Disaster Recovery, Public Official Phoenix Award for Outstanding Contributions to Disaster Recovery, Volunteer Federal Procurement Awards: Small Business Prime Contractor of the Year Small Business Sub-contractor of the Year Dwight D. Eisenhower Awards for Excellence (for large prime contractors who use small businesses as suppliers and contractors) 8(a) Graduate of the Year Awards to SBA Resource Partners: Small Business Development Center (SBDC) Excellence and Innovation Center Award Women's Business Center of Excellence Award Veterans Business Outreach Center of the Year Small Business Investment Company of the Year For local area contact and other related information, visit online at <https://www.sba.gov/about-sba/sba-locations/sba-district-offices>.

## North Central Missouri Regional Water Commission will make annual change from chloramines to chlorine

By Press Release

On Tuesday, Sept. 6, North Central Missouri Regional Water Commission will be making its annual change from chloramines to chlorine. Every year, the commission, Sullivan County PWS #1, Milan, Green City and Green Castle, implement an annual flushing program. Public utilities employees will flush the water mains by opening fire hydrants and allowing them to flow freely for a short period of time. The flushing cleans out sediment and allows routine maintenance of the fire hydrants. Flushing may result in some discoloration and the presence of sediment in water. These conditions are not harmful and should be of short duration. During this period of time, a slight change is made in the water treatment process to facilitate an effective flushing program. Throughout

the year, chloramines, or combined chlorine, are added to the water as the primary disinfectant. During the flushing program, chlorine is added in an uncombined state, commonly referred to as free chlorine. Free chlorine is somewhat more volatile than combined chlorine, providing exceptional availability to react with sediments suspended during flushing. The commission will use free chlorine as the primary disinfectant from Sept. 6 until further notice. Depending on your location within the distribution system and usage patterns, it could take up to a week for your drinking water to transition from combined chlorine to free chlorine at the beginning of the flushing program. The annual change from chloramines to chlorine for this brief period is required by the Missouri Department of Natural Resources. You may notice a chlorine

taste and odor in your drinking water while free chlorine is utilized. If you are especially sensitive to the taste and odor of chlorine, try keeping an open container of drinking water in your refrigerator. This will enable the chlorine to dissipate thus reducing the chlorine taste. Remember — drinking water has a shelf life. Change out the water in your refrigerated container weekly. Please note, if you have an aquarium or pond, always test the water you add to your aquatic environment to be sure it is free of any chlorine before adding fish or other animals. Chemical additives with directions for removing either free chlorine or chloramines from water for use in fish tanks or ponds are available at pet/fish supply stores. If you have any questions or concerns regarding this process, contact the NCMRWC at 660-265-3807 or your local water provider.

## Wabash partners with northeast dealers to expand its North American footprint

By Press Release

LAFAYETTE, Ind. — Wabash (NYSE: WNC), the visionary leader of connected solutions for the transportation, logistics and distribution industries, today announced it has added two dealers to its industry-leading North American dealer network. Two of the largest dealers in the Northeast, Bergey's Truck Centers and Allegiance Trucks, will be full line dealers of Wabash parts, services and equipment, including dry and refrigerated van trailers, dry and refrigerated truck bodies and platform trailers. "By further developing our dealer relationships, Wabash can build off of our brands to grow our footprint and further connect our products and services to improve the operations of our customers," said Kevin Page, Wabash's

senior vice president, customer value creation. "Wabash has been expanding its dealer network for over a decade. Both Bergey's Truck Centers and Allegiance Trucks have extensive expertise and a long history of providing effective transportation solutions to their customer base," said Todd Chrzan, senior director of strategic dealer accounts at Wabash. "We are pleased to welcome them to the Wabash community as we continue to expand our dealer network to provide the level of quality support that today's customers demand." Based in Stamford, Conn., Allegiance Trucks is one of the fastest growing commercial truck dealers in the country with over 41 locations in nine states. Allegiance Trucks offers new and used medium- to heavy-duty trucks, parts, and services, providing a one-stop solution

to address customer needs, reduce downtime and keep trucks on the road. Allegiance Trucks will be representing Wabash in Maine, Vermont, New Hampshire, Massachusetts, Connecticut, Rhode Island as well as parts of New York and New Jersey. "As one of the largest full-service truck dealerships on the East Coast, the expansion of our relationship with Wabash, with its portfolio of trailers and truck bodies, better positions Allegiance Trucks to service our customers," said Chad Schrempf, chief operating officer at Allegiance Trucks. "We value the opportunity to create a long-term relationship with Wabash, because they understand that providing customers the best equipment, parts and services are foundational to our combined success."

## We Need Your Help!

**If your company has hired anyone new, promoted anyone, had an employee win an award or attend a conference, we want to publicize that. We want to share with the public your success and the many good things you might be doing that benefit and/or affect the community. While our sales staff can help you promote a big event you have planned, the news department is here to share with the community the successes your business and employees have achieved. If you feel what you've done as a business is important, submit a picture and/or story so that everyone can know.**

New Covid-19 boosters targeting currently circulating strains becoming available in Missouri

By Missouri Department of Health and Senior Services

JEFFERSON CITY — Bivalent Covid-19 boosters are becoming available among some providers in Missouri beginning as early as today with additional providers adding these boosters to their inventory next week. A list of providers who pre-ordered these booster doses is available at [MOStopsCovid.com](#). On Sept. 1, CDC Director Rochelle P. Walensky, MD, MPH, endorsed the CDC Advisory Committee on Immunization Practices' (ACIP) recommendations for use of updated Covid-19 boosters from Pfizer-BioNTech for people ages 12 years and older and from Moderna for people ages 18

years and older. The Moderna and Pfizer bivalent boosters both target two strains of SARS-CoV-2, the virus that causes Covid-19 – the original strain of the virus and two of the Omicron subvariants (BA.4 and BA.5), which are currently the most widespread variants globally. Only individuals who have completed their primary vaccination series (two doses of Pfizer or Moderna or one dose of Johnson & Johnson) are eligible to receive the bivalent booster. Those who have recently received Novavax are not yet eligible for any booster at this time. “We encourage those who are eligible to receive this new booster dose as it will greatly

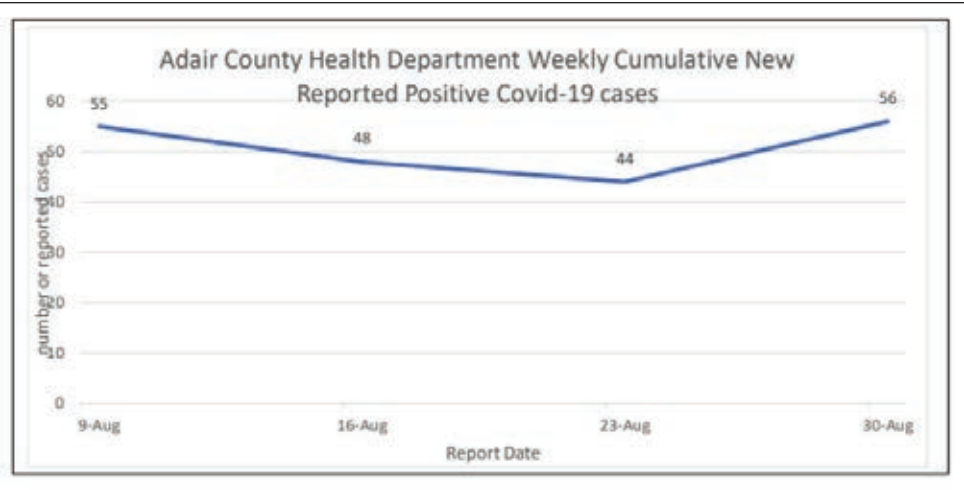

help protect individuals from the variant most commonly detected today and for the past several months,” said State Epidemiologist Dr. George Turabelidze with the Missouri Department of Health and Senior Services (DHSS). “As we head into the fall and winter months, this added protection becomes even more important since viruses generally tend to circulate at a more rapid pace during this time.” In the coming weeks, CDC also expects to recommend updated Covid-19 boosters for other pediatric groups, per yesterday’s discussion and evaluation of the data by ACIP. When data is available and FDA authorizes these other

types of Covid-19 boosters and CDC provides use recommendations, the CDC and DHSS will work to quickly make them available in Missouri with the help of Covid-19 vaccinators throughout the state. If you have not been vaccinated or have not completed your primary series, visit [MOStopsCovid.com](#) to find a location offering vaccines. The original formulations of Pfizer, Moderna, J&J and Novavax will continue to be used. Booster doses use reduced amounts of the original vaccines. Individuals are eligible for the bivalent booster two months since their last primary or booster dose of Pfizer, Moderna or Johnson & Johnson.

The previous monovalent booster will no longer be available to persons 12 and older; the FDA is removing authorization for those boosters to reduce provider confusion for staff administering vaccines. The Pfizer bivalent booster is currently authorized for ages 12 and older while Moderna’s

is currently authorized for 18 years of age and older. Individuals may choose to receive either the Pfizer or Moderna bivalent booster, regardless of which primary series vaccine or original booster dose they had previously. For the latest information on bivalent boosters, visit [MOStopsCovid.com](#).

Adair County Covid cases rise as schools reopen

By Adair County Health Department

The number of cases of Covid-19 reported to the Adair County Health Department over the seven-day period ending Aug. 29 rose to 56. Cases had fallen to 44 for the previous reporting period. The Adair County Health Department recommends that everyone become fully vaccinated

and boosted to protect themselves against severe disease, hospitalization, and death from Covid-19. It continues to administer Pfizer Covid-19 vaccines and boosters. Vaccines are administered to those ages 12 and older on Tuesdays from 2 to 4 p.m., and to those ages 5 through 11 on Thursdays from 3 to 5:30 p.m. The Health Department

is now administering the Pfizer vaccine to children ages 6 months to 4 years old from 9 to 11 a.m. on Thursdays. To schedule an appointment for the appropriate dose of vaccine or booster, or if you have questions regarding the timing of primary vaccines and booster doses, call the Adair County Health Department at 660-665-8491.

\$10 million in ARPA funding for Missouri residential care and assisted living facilities

By Missouri Department of Health and Senior Services

JEFFERSON CITY — Missouri residential care and assisted living facilities licensed with the Missouri Department of Health and Senior Services (DHSS) are now eligible for reimbursement for COVID-19-related expenses through the American Rescue Plan Act (ARPA). \$10 million of this federal funding has been allocated for reimbursement. Providers may seek reimbursement for expenses incurred and/or business interruption costs directly related to

preparing, preventing and responding to the Covid-19 pandemic. The funds will compensate expenses incurred between April 1, 2021 and March 31, 2022. Expenses eligible for reimbursement include: • Payroll costs. • Training and orientation. • Operational supplies. “Missouri’s residential care and assisted living facilities had some of the most challenging situations to navigate throughout the pandemic, from infection control management to workforce and equipment shortages,” said

Paula Nickelson, DHSS acting director. “This reimbursement opportunity will allow facilities to recover from the unprecedented challenges the past two and a half years have presented so they can focus on providing care to some of Missouri’s most vulnerable.” DHSS created two portal guidance documents to assist operators with registering online and navigating the portal. Operators will need to register on the MO ARPA portal before they can apply. An application checklist and FAQs can be found on [moarpa.mo.gov](#).

New three-digit code designated for mental health services

By Truman State University

Any individuals experiencing emotional distress or a mental health crisis can now use 988 for help. This new three-digit number makes it easier for people to remember and access mental health crisis support. People can call, text or chat 988 to be connected to trained counselors that are part of the existing National Suicide Prevention Lifeline network. These trained counselors will listen, address immediate needs, make referrals for ongoing care and offer follow-up services. If a higher level of care is needed, the crisis specialist will work with the caller and other supports to connect them to a mobile crisis response team that can assist in-person. Using 988 reduces avoidable emergency department or hospital admissions and prevents stressful interactions with the criminal justice system. While 988 is available nationally, it is up to each state to ensure that crisis services are sufficiently funded and accessible to anyone at all times. Missouri’s seven Lifeline centers will handle all in-state contacts made to 988 and will have 24/7 coverage of all calls, texts and chats. In addition to answering calls, 988 is also about provid-

ing emotional support to people when they need it most and connecting them with resources for continuum care. Although 988 is the new number, the previous Lifeline phone number, 800-273-8255, will always remain available to people in emotional distress or

suicidal crisis. Truman University Counseling Services is also available for walk-in crisis during their business hours of 9 a.m.-7 p.m. Monday-Thursday and 9 a.m.-3 p.m. Friday. For more information about crisis services, visit [truman.cfmcares.com](#).

Woman concerned for nephew's care by her younger sister

DEAR ABBY: My younger sister, "Fern," gave birth to a son three months ago. Since she returned to work, it seems like all she does is dump her baby, "Ricky," on others so she can sleep with her special someone. I watched Ricky a couple of times while they ran errands, even though they have someone living with them to keep an eye on the baby.

Fern works nights and her S.O. works days, but all I hear is that Ricky is getting watched by someone else. She's always in the parking lot at work 30 minutes before we open although she lives nearby. She also volunteers for extra work as often as she can.

JEANE PHILLIPS

DEAR ABBY

She has struggled with mental health and alcohol abuse, so I'm worried she may have postpartum depression.

I want Ricky to be safe, and I'd love for them to have a healthy bond. From the things she says, I'm worried they don't. I know for some moms it takes time, but she wasn't excited about her pregnancy or about giving birth. She's a first-

time mom, so maybe I'm not giving her a chance. Am I just a nosy aunt, or is this normal? -- AUNT IN THE SOUTH

DEAR AUNT IN THE SOUTH: While Fern's parenting style isn't the same as yours, from what you have written, she and her significant other are making sure Ricky is cared for in their absence. This is why I think the answer to your question is yes, you ARE being a nosy aunt.

Dear Abby is written by Abigail Van Buren, also known as Jeane Phillips, and was founded by her mother, Pauline Phillips. Contact Dear Abby at [www.DearAbby.com](http://www.DearAbby.com) or P.O. Box 69440, Los Angeles, CA 90069.

NEWS OF THE WEIRD...

The Entrepreneurial Spirit

Over the Labor Day weekend, former boxer Mike Tyson (now a cannabis mogul, according to NJ.com) was set to debut his "bitten-ear-shaped" edibles at three New Jersey dispensaries. Tyson, you may remember, bit off part of Evander Holyfield's ear, then spit it out, 25 years ago this summer during a boxing match in Las Vegas. In an interview earlier this year, Tyson said the "bitten-ear" product is his way of controlling the narrative about the infamous moment. "They fined me \$3 million for biting his ear," he said. The edibles are a "way to flip it to the positive side."

What We Do for Fun

After a punishing two-year hiatus because of COVID, the World Gravy Wrestling Championships returned to Rossendale, Lancashire, England, on Aug. 29, the BBC reported. During the contest, entrants grapple in a pool of gravy for two minutes to raise money for East Lancashire Hospice. Carol Lowe, restaurant manager of the Rose 'n' Bowl Pub where the event took place, said people came from "far and wide" and the atmosphere was "absolutely bouncing." Competitors are encouraged to don "fancy dress" and are also graded on entertainment value. "It's very messy," Lowe conceded.

Goals

Duane Hansen, 60, has fulfilled a long-held dream of his: to paddle the Missouri River in a pumpkin, NBC News reported. On Aug. 27, Hansen set out in an 846-pound pumpkin for a 38-mile float on the Big Muddy to celebrate his 60th birthday. "I've been dreaming about this," he said. "This has been a five-year journey to get a pumpkin that's big enough." Hansen grew the pumpkin himself; his wife named it Berta.

Good for a Laugh

-- GOAT Deputy Casey Thrower, a 40-year veteran of the Madison County (Alabama) Sheriff's office, was making rounds on Aug. 26 to deliver civil documents when two goats started exploring his patrol car, Fox13-TV reported. Thrower found a goat inside the car, chewing on paperwork, and another on top of the vehicle. Fortunately he thought to make a video as he scolded them for their antics, ordering one to get out of the car. "Don't eat that!" Thrower can be heard yelling. He explained that he often leaves his door open so he can flee from attacking dogs after he delivers documents.

# Kirksville football team bounces back from Week 1 loss, beats Chillicothe 40-14

By Adam Tumino  
Daily Express

The Kirksville varsity football team bounced back in a big way from their Week 1 loss to Macon. Playing their home opener Friday against Chillicothe, the Tigers took control after allowing an early touchdown and beat the Hornets 40-14 to improve to 1-1 on the season.

The early touchdown came just about as early as it possibly could, with Chillicothe scoring on an 84-yard touchdown run on the first play from scrimmage. But Kirlsville responded with a touchdown on the ensuing possession, and the next two possessions after that, to take a lead they would not relinquish.

Head coach Kevin Krite-meyer said he was upset with himself after the loss to Macon, and he was happy to see the team execute in all phases of the game against Chillicothe.

“I was so proud of our guys,” he said. “Offensively we were much better. Last week I really think I failed our kids and our program by not having our kids ready to play because I failed them big time. But we were ready to play football tonight.”

Senior quarterback Isaac Danielson was responsible for the Tigers’ first three touchdowns. He hit Kenny Hartman on a 37-yard touchdown pass on the first possession, which came just one play after a would-be touchdown pass to Jalen Kent was called off due to a penalty. Danielson than scored on a 36-yard scramble on the next

possession to put Kirksville up 14-7 and also scored on a QB sneak from the one to put them up 21-7 entering halftime.

The Tigers got the ball to start the third quarter and drove down the field, scoring when Danielson pitched the ball to sophomore Jace Kent who ran it in from the two yard out. The next Kirksville score came on the ensuing possession for Chillicothe, when Hartman intercepted a pass and ran it back for a score. Danielson would then cap off the Kirksville scoring with a 25-yard touchdown pass to Jalen Kent on fourth and 24, putting the Tigers up 40-7 at the end of the third.

Danielson said that it was a nice feeling to put everything together to get the big win at home. “It feels great,” he said. “This was a big turnaround from last week, and we finally got it figured out.”

After throwing three interceptions last week at Macon, Danielson did not record a turnover against Chillicothe, something that he said he has been working on.

“The goal is no turnovers, and I sometimes struggled with it a lot last year,” he said. “I threw a lot of them, and it feels good not turning the ball over.”

On the defensive side of the ball, the Tigers forced the Hornets to punt on three of their four possessions following the opening touchdown, with an interception by Jozeph Tiberi Ramos ending the other Chillicothe drive.

The Hornets’ second touchdown did not come until there was seven minutes remaining in the game, and the Tiger defense gave up very little in the approximately 40 minutes of game time between Chillicothe scores.

Krietemeyer said the defensive success started with physical play up front.

“Our defensive line, our linebackers just got downhill, played low with good pad level and were physical,” he said. “I was so proud of those guys.”

This defensive success came despite the Tigers’ missing key defensive players on the defensive line, at linebacker and in the backfield. Krietemeyer said that the younger players that filled in played well to make up for it, and Danielson added that this can be beneficial as the season progresses.

“With everyone out, we found some people that can play,” Danielson said. “I think we have a lot more depth than we did Week 1.”

The Tigers will be back at home for Week 3 as the host Savannah on Sept. 9. The Savages are off to a 2-0 start to the season.

## NFL returning to London for international combine in October

By THE ASSOCIATED PRESS

NEW YORK — The NFL is holding an international combine in London for the second consecutive year.

Forty-four athletes will be selected to participate in the combine in front of NFL evaluators at Tottenham Hotspur Stadium on Oct. 3-4.

Instead of team scouts, the NFL that evaluates the players and selects a handful to train in the United States for three months, after which final choices are made to allocate players to NFL teams for the 2023 season. And

then, they still need to win a spot on the team roster.

It will be the fourth international combine after one in Australia in 2018, another in Germany in 2019 and London last year.

“Hosting the International Combine in London for the second year provides tremendous exposure for our great game,” said Roman Oben, NFL vice president of the football development. “The combine allows us to evaluate new talent globally, shine a spotlight on our sport and provide an opportunity for participants to compete at the highest level.”

Athletes representing as many as 13 countries will be evaluated for a potential position in the NFL’s International Player Pathway program. The program, instituted in 2017, aims to provide elite international athletes the opportunity to compete at the NFL level, improve their skills, and ultimately earn a spot on an NFL roster.

Washington defensive end Efe Obadu, Philadelphia left Tackle Jordan Mailata and Las Vegas full-back Jakob Johnson earned NFL roster spots following the program.

## Local football scores for Week 2

By Adam Tumino  
Daily Express

Friday marked Week 2 of the 2022 football season for the area’s high school varsity teams. Four local teams picked up wins Friday.

Kirksville bounced back from a week one loss to beat Chillicothe 40-14 at home. Macon, coming off last week’s win over Kirksville, improved to 2-0 after shutting out North Callaway 33-0.

Knox County dropped to 0-2 with a 50-18 loss to Sweet Springs. They had lost their first game to Schuyler County last week. Schuyler County in

turn lost to Pattonsburg with Gilman City and North Harrison 78-40.

Milan picked up its first win of the season, beating Harrisburg 41-8. Putnam County picked up its second-straight home win to start the season, taking down Father Tolton 34-29. Scotland County fell to 0-2 with a 26-7 loss against Highland.

### The Week 3 schedule is as follows:

- Kirksville vs. Savannah
- Knox County at Northland Christian
- Macon vs. Clark County
- Milan at Putnam County
- Schuyler County at Keytesville with Brunswick, Northwestern
- Scotland County vs. Fayette

# Late turnovers prove costly as Truman football team loses opener 20-19

By Adam Tumino  
Daily Express

Late turnovers and a costly penalty call hurt Truman State football team in their opener against Davenport on Saturday, which they lost 20-19.

After leading by six points for most of the second half, the Bulldogs fumbled the ball away deep in their own territory with just over 3:30 left in the game. Davenport scored just over a minute later to go up 20-19.

On the ensuing possession, Truman was at the Davenport 31-yard line, the fringe of field goal range for kicker Grant Ross who had hit a 45-yard field goal earlier in the game. But an offensive pass interference

call pushed Truman back to the 46, and the next pass from quarterback Nolan Hair was picked off with just over a minute to go, sealing the game.

Truman did get the ball back with 32 seconds left, but with no time outs, and the clock quickly ran out. Head coach Gregg Nesbitt, now in his 12th season at Truman, said that some struggles were to be expected for the first game of the season, but there are also plenty of things they could have done better.

“It was a typical first game,” he said. “We saw some good, we saw some bad. I certainly liked the fight.”

Nesbitt mentioned that he liked the team’s response early in the game after falling behind 13-0 when Davenport took ad-

vantage of solid field position to score a pair of first-quarter touchdowns.

Truman’s defense then forced and recovered a Davenport fumble, giving the offense the ball just 38 yards from the endzone.

Later in the possession, Hair hit Zach Zerwig on a 5-yard touchdown pass to put the Bulldogs on the board. They scored once again in the early stages of the second quarter on a 9-yard touchdown run from Jake Tuttle. That possession was the result of a Davenport fumble on the kickoff following Truman’s first score.

Truman would score five more points in the quarter, coming on a safety as Jack Marth took down Davenport quarterback Johnny Saavedra in the endzone after Saavedra recovered a botched snap. Ross’ field goal made the score 19-13 at halftime.

There would be no more scoring until Davenport’s game-deciding touchdown to take the lead.

Nesbitt said he thought the team was playing well and in control for most of the game, before those costly late mistakes popped up.

“Falling behind 13-0, there wasn’t any flinch,” he said. “The guys were resilient and came back, really controlled play pretty much throughout the second half, and unfortunately put the ball on the ground and they were opportunistic and we didn’t answer the bell.”

Truman State running back Shamar Griffith tries to run by a Davenport defender in the Bulldogs’ game on Sept. 3 at Stokes Stadium. Griffith ran for 46 yards in the game, a 20-19 loss for Truman. ADAM TUMINO

Even after the Davenport score, the Bulldogs seemed to be in good shape to, at the very least, get a manageable field goal attempt to retake the lead. That was before the offensive pass interference call and ensuing interception.

“Even at that point with the two-minute offense, we’re in really good shape,” Nesbitt said. “Had that call of offensive PI, we’ll see it on video, it very well may have been, but it was game-altering either way.”

Throughout the game, neither team was able to generate much offense on the ground. Truman’s run defense, which ranked near the top of the nation last season, was characteristically strong, holding the Panthers to just 42 rush yards and an average of 1.6 yards per carry.

Uncharacteristically, the Truman run game on offense was not especially effective. Tuttle and Shamar Griffith split carries, with Tuttle running for 49 yards on 12 carries and Griffith carrying the ball 15 times for 46 yards.

Truman State defensive linemen Alec Devecchi (4) and Jack Marth (50) celebrate after Marth forced a safety in the game against Davenport on Sept. 3.

The rushing attack seemed to improve as the game progressed, but Nesbitt said it was still below expectations.

“Certainly today was not anything that we would want. That’s not what we want representing us,” he said. “We’ll build on the positives. We got a little better late as the heat took hold, and I thought we were a little better conditioned. And you’ve got to give Davenport a lot of credit. They’re a good football team.”

Elsewhere for the Bulldogs, Hair finished the game 17-of-32 passing for 148 yards with a touchdown and interception. Defensively, linebacker Isaiah Estes led the team with eight total tackles while defensive back Ben Thomas had seven total tackles and two interceptions.

Truman’s next two games will be on the road against South Dakota Mines and Hillsdale. They return home on Sept. 24 to play Tiffin University.

Truman State quarterback Nolan Hair scrambles away from the Davenport defense in the game on Sept. 3.

SUDOKU

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

HERMAN

ASTROGRAPH BY EUGENIA LAST

Idle time is the enemy. A tight schedule will keep you moving forward and excited about life, love and your overall well-being. Trust your instincts and know when to sprint and when to sit back and recuperate. Your ability to read situations correctly will encourage you to help others. Mix business with pleasure, and you'll surpass expectations.

**VIRGO (Aug. 23-Sept. 22)** -- Have a plan in place. High energy coupled with intuition will get you where you want to go. Don't let anger or frustration stand between you and your dreams. Face situations head-on and play to win.

**LIBRA (Sept. 23-Oct. 23)** -- Speak passionately and pursue your goals. Share your thoughts with someone you look up to, and the input you receive will enrich your vision. Don't let disappointment set in.

**SCORPIO (Oct. 24-Nov. 22)** -- Do what you must, then move on to something more pleasurable. Rewarding yourself will give you the boost you need. A partnership will provide you with the leverage to explore possibilities.

**SAGITTARIUS (Nov. 23-Dec. 21)** -- Support a cause and do your best to make a difference. Consider what's possible and apply your skills. Enthusiasm and high energy will help you set the pace and inspire others.

**CAPRICORN (Dec. 22-Jan. 19)** -- Don't give up. If you are a good listener, you will gain insight into what's possible. Play around with the facts and figures, and you'll find a workable solution. Live within your means.

**AQUARIUS (Jan. 20-Feb. 19)** -- Put your energy into something that will make you feel good

about who you are and how you live. Fixing up your surroundings will give you a boost, but don't go into debt doing so.

**PISCES (Feb. 20-March 20)** -- Sort through your thoughts and feelings before you share them with others. It's essential to understand what's possible before you make promises. Personal improvements require patience.

**ARIES (March 21-April 19)** -- Your hard work will pay off. The support of influential people will lead to better days ahead, but you may have to work hard to earn such confidence. Progress and rewards are heading your way.

**TAURUS (April 20-May 20)** -- Indecisiveness will be your downfall. Your decisions will help determine how much respect you receive from others. Don't let your emotions interfere with doing what's right and best for you.

**GEMINI (May 21-June 20)** -- You've got momentum; don't look back or slow down. Keep your eye on the target, and you'll reach your destination on time and with a healthy attitude. Don't be shy; recognize your strengths.

**CANCER (June 21-July 22)** -- Handle domestic and financial matters carefully. Be ready to turn down anyone looking for a handout. Offer suggestions and physical assistance, but don't pay for someone else's mistake.

**LEO (July 23-Aug. 22)** -- Put more emphasis on finding the truth and taking care of anything that may stand between you and whatever you want to pursue. Listen to what's being said and offered.

SUDOKU

**Here's How It Works:**  
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
