-PUZZLE-SODOKU-
-JUNE-
WEEK 1

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Government Contracting Opportunities for Food Service Providers!
By: Anastasia Tiedemann, SBDC, MERIC

Many of our small businesses have heard me talk about the benefits of contracting with the Government. ANY business can register to bid on government contracts. Historically, many of these contracting jobs have to do with manufacturing and construction, but things are changing!

Every year, the Missouri National Guard spends around \$800k feeding its Soldiers and Airman during training events throughout the state of Missouri. Previously these transactions were usually a Credit Card transaction, but as policies shift, the use of agency credit cards has been discouraged. The Missouri National Guard is now seeking to register restaurants, caterers, food trucks, and other food service providers on sam.gov so that the agency may award contracts and ultimately set up a multiple award blanket purchase agreement directly with the food service providers in Missouri who have an interest in supporting our Airman and Soldiers during training events. Specific emphasis in Northeast Missouri and surrounding areas include: Boonville, Chillicothe, Columbia, Fulton, Hannibal, Macon, Mexico, Moberly, and Trenton.

Our APEX Accelerator team (our government contracting specialists) is hosting an event to connect food service vendors with the Missouri National Guard Contracting Office in Jefferson City on **July 13, 2023 from noon – 3pm** at the Ike Skelton Training Sight (ISTS).

You'll learn whether your business is ready for government contracting and what the next steps will be. If your food truck, catering establishment, or restaurant is interested in expanding your scope of services to include government contracting, this would be a good event for you to attend!

You can sign up at this link: <https://missouri.ecenterdirect.com/events/24520>, or contact Kris Bocking at 573-882-9398 for more information. This is a free, in-person event.

Congratulations to all of the local graduates! And if you have any questions about entrepreneurship or small business resources, please feel free to reach out to me at atiedemann@kirksvillecity.com.

Thank you for reaffirming your belief in the Chamber of Commerce
