Special Calf & Yearling Sale

Green City Livestock held their Annual Thanksgiving Special over the course of the holiday week, featuring yearlings on Tuesday and calves on Friday, with a total of 5,582 head being sold. Exceptional quality on offer both days, the type that brings buyers back year after year. No recent test to compare to Tuesday's sale but yearlings traded with a sharply higher undertone. Most of the yearlings were offered in large drafts or load lots, with steers outnumbering heifers and the majority weighing over 700 lbs. The calf market got off to a hot start Friday and even gained strength as the day went on, peaking with several long strings of reputation calves, most weaned and worked. Trade was active from start to finish both days with the bulk of the cattle spread out over a limited number of buyers. Prices on both days ran consistently a full 20.00 higher than last years' Thanksgiving Special with spots closer to 30.00 higher on some light to mid weight heifers.

Tuesday, Nov. 22nd Thanksgiving Yearling Sale

RUTH FARMS - 200 fancy Angus bred heifers consisting of 69 heifers AI bred to Brinkley Enhance due to calve February 14th; 87 heifers AI bred to Linz Kingsman due to calve February 14th; 43 naturally serviced heifers bred by low birthweight Angus bulls with a guaranteed 21 day calving period. This set of heifers originated through the Ellingson Angus production sale of North Dakota. Heifers are sired exclusively by Ellingson bulls, who are sons of Ellingson Roughrider, Plateau and Boardwalk. The cowherds also trace back to breed legends such as SAV Traveler 004, SAV Net Worth, and SAV Final Answer (maternal cow makers).

Heifers originated from Kimbrough & Halley farms or from one ranch in Nebraska and were sired by Connealy Angus bulls. These heifers are bred to low birthweight full brother bulls from Brinkley Angus Ranch. They have been acclimated to fescue hay and pasture for over a year and are on a Vit-A-Ferm mineral program.

GRIGSBY FARMS - 20 fancy Angus 1100+ # bred heifers. Start calving February 15th to low birthweight Brinkley Angus bulls for guaranteed 30 day calving window.
