Annual Angus & Angus Factored Calf & Yearling Sale

3,171 head were sold at the September 7th Annual Green Chop Special Calf & Yearling Sale. No recently tested market for a price comparison. Steers and heifers sold with a higher undertone, sharply higher in many spots as the local cash market played catch up to the recent gains for feeder trade. Slaughter cows also traded sharply higher, mostly 6.00 to 10.00 higher. Really high quality on hand featuring a string of yearling load lots plus several part loads that fit together nicely. Buyers were very active throughout the day and easily absorbed the cattle on offer
