**Attention:
WireCo
Hourly
Employees**

The law office of Donelon, P.C. and the Tourigny Law Firm filed an overtime class action on behalf of hourly employees working at Wireco's manufacturing plants from 2019 to the present (Wampler v. Wireco Worldwide Group, Inc., D.Kan. case no.: 22-cv-2242). It alleges that Wireco required employees to be present before (and sometime after) shift times to perform work with its timekeeping system rounded this time away. In turn, this denied overtime pay.
