# Look forward to a productive season.

Quincy  
Tractor

Climb inside a New Holland Guardian™ front boom sprayer and never look back. The front boom gives you a clear view of every spray nozzle and lets you run it closer to the ground to reduce drift. Work with greater comfort and control—and see clearly in every direction—inside the Guardian cab. Plus, you'll cover more acres per hour with industry-leading power, boom length and tank size. Full speed ahead!

Look forward to a productive season with a new Guardian sprayer. See your New Holland dealer today or visit [newholland.com](http://newholland.com).
