**Annual Angus & Angus Factored Calf/Yearling Sale**

Really good showing for the Annual Angus and Angus Factored Calf and Yearling Special to kick off the fall run after a long, hot summer. Several loads of yearlings were featured throughout the day, most in excellent condition with plenty of good left in them. Demand was good for all weights and classes of cattle with several stick out sales along the way, including a partial load of 661 lb steers that sold just one chant short of that 3.00/cwt mark and a few loads of 710-720 lb blackheaded heifers bringing just over \$1850/head. Supply included: 99% Feeder Cattle (47% Steers, 53% Heifers, 0% Bulls); 1% Slaughter Cattle (78% Cows, 22% Bulls). Feeder cattle supply over 600 lbs was 82%.

## PUZZLE SODOKU

SEPTEMBER WEEK 3

**Here's How It Works:**  
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
