## Statewide winter weather drill set for Oct. 19

Crews will drive routes to train for winter

By MoDOT

JEFFERSON CITY – Winter is just around the corner, and in preparation, the Missouri Department of Transportation will hold its annual winter operations drill on Thursday, Oct. 19. Motorists may notice an increased number of MoDOT vehicles on state routes during the drill, which will begin at 8 a.m. in rural areas and 9 a.m. in urban areas. The exercise should be completed by 3 p.m. With turnover rates and many positions still open, driver training on this day is more critical than ever.

“While MoDOT has successfully hired approximately 100 new maintenance employees this summer, we’re still several hundred employees below what’s needed to cover more than one shift in a statewide storm,” said MoDOT Chief Safety and Operations Officer Becky Allmeroth. “Nearly 27 percent of our snowplow operators have less than three years of experience. Those three years did not include many significant winter storms, making this training more critical than ever.”

MoDOT has more than 3,000 employees across the state involved in work to clear roads and bridges when winter weather hits. During the drill, MoDOT employees will react to a simulated forecast of sig-

nificant snow for the entire state. The department’s emergency operations centers will activate, and all employees involved in winter operations will be deployed to their trucks. Emergency communications systems will also be tested.

“Safety is the cornerstone of everything we do at MoDOT,” said Allmeroth. “The drill ensures that proper equipment, plowing techniques and safety measures are used by every MoDOT employee.” In addition, every piece of equipment—every truck, motor grader, snow blower and tractor—is inspected and calibrated to conserve materials and operate efficiently and safely.

MoDOT spent \$33 million on winter operations last year and

MODOT

used 63,000 tons of salt; 957,000 gallons of salt brine; and 147,000 gallons of beet juice.

For the most up-to-date information on road conditions in

any winter storm, motorists are urged to use the Traveler Information Map at [traveler.modot.org](http://traveler.modot.org). The map is also available on the Apple Store and Google Play.

Laura (Zyk) Holloway drove the Wienermobile around the country for nine months after her graduation from Truman State University.

## Wienermobile job drives Truman State alumna on career path

By Truman State University

After crossing the stage and getting her degree, Laura (Zyk) Holloway (Truman State Class of 1998) did what a lot of new college grads do and hit the highway for a nice, long road trip. What made her experience unique was her ride of choice — a 27-foot hotdog.

The iconic Oscar Mayer Wienermobile is scheduled to appear in the Homecoming parade Oct. 21 and be on display at Bolognafest in downtown Kirksville later that afternoon. Holloway is one of the select few people who know what it’s like to get behind the wheel and drive this piece of moving Americana all over the country. More than just a fun after-college job, Holloway’s time as a “hotdogger” propelled her on a career path in marketing and public communication.

Each year, only about 20 individuals earn the honor to operate the Wienermobile. Holloway’s path to snagging a coveted position came through an experience while earning her degree in communication with a concentration in journalism.

“I decided to write an article for the Truman Detours publication, which gave me the opportunity to meet with and interview current hotdoggers and Oscar Mayer Wienermobile staff, learn more about the position and ultimately apply,” she said.

At the time, Oscar Mayer received more than 1,200 applications annually. Through her research for the Detours piece, Holloway learned it was important to apply in a creative manner, and that hotdoggers are trained to use puns when dealing with the media.

“I tried to make sure my cover letter was franktastic in order to cut the mustard,” she said.

Before being turned loose with the Wienermobile, all new hires attend Hotdog High, a two-week intensive training program to learn skills such as working with media, conducting special events and driving an oversized hotdog. Holloway was hired specifically for a program called Share the Smiles, which worked with local food banks in each visited community. While the skills she learned helped in her role with Oscar Mayer they have also come in handy throughout her career. Holloway has worked in multiple marketing and communications positions, including the Missouri Division of Tourism, the Missouri Department of Transportation and most recently with the Missouri Municipal League. In her current role, she is the editor of Municipal League’s member magazine, and she coordinates communications to assist local elected officials and staff with local government resources, state and federal advocacy, and training/networking events.

“An unexpected bonus was how relaxed job interviews have been over the years. Most employers see this on a resume and it becomes what they are most anxious to discuss,” Holloway said. “The experience prepares you for all aspects of interacting with media, marketing and working with the public. You work with your team of hotdoggers, who are both your co-workers and family, for likely months on end. This means you must be successful at communicating, staying flexible and maintaining a great attitude.”

## Walk to End Alzheimer’s

Participants in last year’s Walk to End Alzheimer’s. FILE PHOTO

Alzheimer’s Association’s ‘Walk to End Alzheimer’s’ to be held on Oct. 22

Staff Reports

The 2023 Alzheimer’s Association’s “Walk to End Alzheimer’s” will be held at Stokes Stadium on the Truman State University campus on Sunday, Oct. 22. Registration opens at 8:30 a.m. and the opening ceremonies will begin at 9:30 a.m. with the walk to follow.

More than 100 walkers will be decked out in purple and personalized t-shirts with a dozen teams honoring a loved one, either living with them or who has died from Alzheimer’s.

Promise Garden flowers will be given to walkers with each color corresponding to their connection to the disease. Blue represents someone living with Alzheimer’s or

another dementia; Purple is for those who have lost someone to the disease; Yellow represents someone who is currently supporting or caring for a person living with Alzheimer’s and Orange is for those who support the cause and the Association’s vision of a world without Alzheimer’s and all other dementia.

For more information, visit [www.alz.org/kirksvillewalk](http://www.alz.org/kirksvillewalk).

## Dr. Taylor Jones to lecture on ‘The Linguistic Skills of Leaders’

By Truman State University

Dr. Taylor Jones, a lecturer at the Naval Postgraduate School where he teaches Leadership and High Performance DEI, and a principal at CulturePoint, LLC, will lecture on “The Linguistic Skills of Leaders” at Truman State University’s Baldwin Little Theater on Thursday, Oct. 19 at 7 p.m.

In a multicultural, multi-ethnic society like the United States, managers and leaders are confronted with a variety of unique challenges by virtue of

leading diverse teams — whether in terms of demographics and federally protected classes, or simply diversity of thought and experience. In this lecture, Dr. Taylor Jones condenses the communication skills used by effective leaders into a set of skills that anyone can master.

Relied on by U.S. military senior leadership, members of the diplomatic corps, and multinational business leaders, these skills remove diversity barriers, accelerate performance, and reduce interpersonal conflict.

Dr. Taylor Jones

## UPCOMING EVENTS

### Kirksville Area Calendar of Events

#### Kirksville Area Chamber of Commerce Ribbon Cutting

The Kirksville Area Chamber of Commerce will hold a Ribbon Cutting ceremony for Brawner Insurance, 2605 N. Baltimore Street, Kirksville, on Oct. 18 at 11 a.m.

#### Truman's Best Buddies Chapter seeks friends with disabilities

Truman's Best Buddies Chapter, a group of students devoted to making friendships with those with disabilities, is seeking new buddies between the ages of 18-40. Best Buddies has not been very active since covid started. If you are interested in being matched with a TSU student and grow a genuine friendship and circle of friends, you will want to

attend their next meeting on Oct. 18 at 7 p.m. The chapter meets at TSU in Violet Hall, Room 1144. Best Buddies is also looking for anyone over the age of 40 who would be interested in participating in group activities and events without being matched with a specific buddy. If this is you, you'll want to attend the meeting on Oct. 18 as well. Questions? Email: [trumanbestbuddies@gmail.com](mailto:trumanbestbuddies@gmail.com). Instagram: @bestbuddies\_truman

#### United Way Charity Poker Tournament

The United Way of Northeast Missouri Charity Poker Tournament will be held on Wednesday, Oct. 18 at the DuKum Inn, 111 S. Elson Street in Kirksville. Registration is from 5:30-6:15 p.m., and the first hand will be drawn at 6:30 p.m. \$25 buy-in Texas Hold 'Em. Rebuys are \$25. \$850 in cash prizes. First Place, \$500, second place, \$250, and third place, \$100. 50/50 Raffle.

#### Northeast Missouri Women in Agriculture workshop

University of Missouri Extension and local Soil Water Conservation Districts (SWCD) will be hosting a Women in Agriculture workshop on Thursday, Oct. 19 at the Missouri Department of Conservation (MDC) Northeast Regional Office, at 3500 S. Baltimore in Kirksville, from 9 a.m. to 3:30 p.m. This program is for women of all ages with an interest in agriculture. Workshop topics will include SWCD/NRCS/MDC agency updates, What's Wrong with My Trees, Mental Health in Agriculture, Horticulture Hodgepodge, Succession and Estate Planning, and there will be a soil health demonstration. Lunch is provided by your local county SWCD boards. There is no cost to attend the program, but registration is required by Oct. 16. RSVP to the Adair County Extension Center at 660-665-9866 or [schutterjl@missouri.edu](mailto:schutterjl@missouri.edu) or call the Adair County SWCD office at 660-665-3274 ext. 3.

#### Thousand Hills State Park Petroglyph Tour

A Thousand Hills State Park Petroglyph Tour will be held on Friday, Oct. 20 at 6 p.m. Thousand Hills State Park is home to a collection of petroglyphs or rock carvings made by ancestors of today's American Indians. Explore the petroglyphs with park staff to learn more about this unique piece of history. Questions? Contact the park office at 660-665-6995.

#### Truman State Homecoming Parade and activities

The Homecoming parade will begin at 9 a.m. Oct. 21 on Franklin Street, running from downtown Kirksville and through campus. The ribbon cutting for the Greenwood Interprofessional Autism Center will take place at 10:30 a.m. at Greenwood located at 606 S. Halliburton Street. Tailgating will start at 11 a.m. at the lot on the corner of Franklin and Patterson streets with a pep rally beginning at 12 p.m. in the tailgating parking lot. Football will face William Jewell at 2 p.m. at Stokes Stadium. During halftime the Homecoming honorees will be recognized and the philanthropy check will be presented. Bolognafest will take place at 3 p.m. in downtown Kirksville.

#### NEMO Fairgrounds Community Yard Sale

The NEMO Fairgrounds Community Yard Sale will be held on Oct. 21 from 8 a.m., to 2 p.m., at the NEMO Fairgrounds multi-purpose building in Kirksville. Are you gearing up for a fall purge? Do you need some extra cash for your pumpkin spice latte fix? Or perhaps you're in need of more space for your family gatherings during the holiday season? If so, mark your calendars for the NEMO Fair Grounds Community Yard Sale on Oct. 21. This year, they are expanding into the 4H building and will have 20-yard sale spots

available. Each spot is \$20 and will measure approximately 16'x16' and come with two tables. You have the option of bringing your own tables or renting additional ones for just \$2 each.

#### BolognaFest at the courthouse

The Kraft Heinz Bologna Fest will be held at the courthouse square in downtown Kirksville on Saturday, Oct. 21 from 3-5 p.m. This is a free family event with kids games, music, prizes food, Kool-Aid Man, Frank Mobile, balloons, and Truman the Bulldog.

#### Plan ahead for Truman State Homecoming Tailgate

Alumni, family and friends are invited to attend the Bulldog Forever Homecoming tailgate before the football game, Oct. 21. People who reserve a tailgate spot in advance will be granted early access to the tailgate lot and admitted ahead of the post-parade crowd. Those who wish to reserve a spot can register here. All requests must be approved by Alumni Relations. Review the Homecoming Tailgate Policies prior to the event. Spaces will be reserved for requests submitted by Oct. 6. Non-reserved space at the tailgate will be first-come, first-served at the event. For any questions email [bulldogforever@truman.edu](mailto:bulldogforever@truman.edu).

#### Olive Gilbreath McLorn Birthday Celebration

The Green Theater in La Plata will be alive with the sounds of the One-Woman Band and Friends on Saturday, Oct. 21, to celebrate the birthday of local historical figure Olive Gilbreath-McLorn. The One-Woman Band and Friends will be

performing at the Green Theater, located at 217 S. Gex Street in La Plata from 3-5 p.m. The One-Woman Band and Friends consists of Sharon Seufferer who plays four instruments at the same time, a 12-string guitar, bass guitar, harmonica and a tambourine. Carol Oliver plays keyboard and accordion and Wanda Fremont joins in singing country, gospel and bluegrass music. The three have entertained at the Iowa State Fair for several years and are from Laconia, Iowa. Enjoy live music, birthday treats and meet Olive as she takes you back in time. Tickets are \$10 and may be purchased from any Olive Gilbreath-McLorn Home trustee before the show or that day. Follow their Facebook page at Olive Gilbreath-McLorn Historical Home on Facebook or contact 660-341-6112 for tickets for further information. All proceeds will go towards upkeep of the home.

#### International Observe the Moon Night

International Observe the Moon Night (Oct. 21) is a time to come together with fellow Moon enthusiasts and curious people worldwide. Everyone on earth is invited to learn about lunar science and exploration, take part in celestial observations, and honor cultural and personal connections to the moon. They will have several telescopes and binoculars set up for viewing the moon on the sidewalk near Sip Downtown in downtown Kirksville. You will be able to see several craters, mountains, and lunar maria. This is a free event, hosted by Truman State University, Thousand Hills State Park, the Adair County Public Library, and local astronomers.

## OBITUARIES

### Hazel Charlene Green

Oct 27, 1931 – Oct 5, 2023

(Hazel) Charlene Green, age 91, passed away unexpectedly with her loving daughters at her side on October 5, 2023. She was a resident of Lees Summit, MO, at John Knox Retirement Village.

Born the only child of Georga Rose (Mingus) and Bernard Povlovich on October 27, 1931, she lived most of her life in Kirksville and several years in the Baring, MO, areas. In 1949, she married James Robert Mason of Kirksville and to this marriage two daughters, Cheryl and Debbie, were born. Charlene married Ted E Green of Baring in September, 1963, who preceded her in death in May, 2004. Surviving are her daughters, Cheryl Mason Litwin (Dr. Fred Regenstein) of New Orleans, LA, and Debbie Mason of Leesksde\_ Summit, MO; three grandchildren, Jill Diehl (Colin) of Blue Springs, MO, Benjamin Litwin of Lafayette, LA, and Martin Litwin of Monroe, LA; four great grandchildren, Coltin, Brayden and Ethan Diehl of Blue Springs, MO, and Elliana Grace Allen of Monroe, LA.

Mrs. Green graduated Kirksville Senior High school in 1949, and from NMSU in 1973 with a BS degree in Early Childhood Education. She dearly loved teaching Kindergarten classes in both Greenwood and Benton schools of Kirksville, as well as in Hannibal, MO, while her husband served there as Superintendent of Schools. She enjoyed her days of retirement in their home outside Baring and then to the warmer climate of South Texas, where she and Ted loved the fun life of friends and golfing. Upon the death of her husband, Charlene relocated to the Kansas City area to be near family.

When she wasn't tending flowerbeds or vegetable gardens, Charlene could be found in her craft room busily working on all types of needlework, knitting and crocheting projects. She loved the meticulous perfection skills required in quilting and created a variety of heirloom pieces for her family. She most recently crocheted prayer shawls for the elderly and newborn infant blankets and caps for hospital nurseries. Her final masterpiece was a special 4-piece snowman needlework Christmas creation for her only great granddaughter, Elliana. Cooking, especially at Christmastime, was another love. Of special note were noodle and gravy dishes, peanut butter fudge and pecan pralines. Finally, she adored her precious pets, particularly Shih-tzus Heidi & Tippy, and her beloved Maine Coon cat, Cuddles.

Mrs. Green was a former member of the Edina Country Club. She was also a member of the International Order of Eastern Star and the First Presbyterian Church in Lees Summit, MO.

A graveside service will be held on her 92nd birthday, October 27, at 1:00 p.m., at Maple Hills Cemetery, Kirksville, MO, where she will be interred with family.

In lieu of flowers, please consider a local animal shelter donation of your choosing.

Arrangements in the care of Davis-Playle-Hudson-Rimer Funeral Home; [www.davisplaylehudsonrimer.com](http://www.davisplaylehudsonrimer.com).

### Arlene Louann (Brown) Novinger

Nov 13, 1946 – Oct 12, 23023

Arlene Louann (Brown) Novinger was called to her heavenly home on October 12, 2023 at St. Luke's North Hospital in Kansas City at the age of 76.

She was born on November 13, 1946 in Lynch, Nebraska, daughter of Henry and Myrtle Brown. In 1960, the family moved to Missouri. As a resident of northeast Missouri, Louann graduated from Brashear High School in 1965. She learned at an early age to play the piano and accompanied large family gatherings to sing songs and hymns. Louann served as an organist at Faith Lutheran Church in Kirksville when her children were young. Barry and Kim fondly recall standing on either side of her at the organ as she played the remaining songs after the service. Louann continued as a member of Faith Lutheran Church throughout her life.

On August 28, 1965 she was united in marriage to Terry Novinger, the love of her life, who preceded her in death in 2017. From this union her children, Barry and Kim, were born.

Louann served for 30 years as a paraprofessional at the Kirksville Middle School. She worked individually with students who had special needs, dedicating herself to their success. Her most rewarding role was being a wife, mother, grandmother and great grandmother. She really looked forward to family get-togethers, always wanting to fix her grandchildren's favorite meals. She treasured the time she was able to spend with them in the summer. She made some great memories during family trips as well as all the fun times spent camping and boating. Louann loved to garden and enjoyed watching the squirrels and birds in the yard. She especially loved hummingbirds.

Louann had a very giving heart, providing care for her mother-in-law and Terry in their final years. She was preceded in death by her mother and father, Myrtle and Henry, and husband Terry.

Survivors include two children; Barry Novinger and Kim Novinger, six grandchildren; Zechariah and wife Clare, Joshua and wife Hana, Angelica, Rebekah, Josiah and Sarah Novinger and four great grandchildren; one brother, Richard Brown and wife Jean, and sister, Linda Hardwick and husband Bill, and many nieces and nephews.

Visitation will be held at Davis-Playle-Hudson-Rimer Funeral Home on Saturday, October 21, from 12:00-2:00 p.m. The funeral service will be held at Faith Lutheran Church at 3:00 p.m., immediately followed by the graveside service at Park View Memorial Gardens.

Memorials can be made to Faith Lutheran Church/School.

Arrangements in the care of Davis-Playle-Hudson-Rimer Funeral Home; [www.davisplaylehudsonrimer.com](http://www.davisplaylehudsonrimer.com).

### Diane Louise Helm Fincher

Thursday, January 26, 2023

Diane Louise Helm Fincher, 58, of Kirksville, Missouri, died on January 26, 2023.

Born in Honolulu, HI & raised in San Francisco, CA, she is survived & loved by many cousins & friends in Hawai'i, Kirksville, & across the states.

A private memorial service will be held by close family in Honolulu on Saturday, Oct. 21, 2023 with the scattering of her ashes the next day on Hawai'i Island.

## 2024 Drive Chair for the United Way of Northeast Missouri speaks to Kiwanis Club

By Kirksville Kiwanis Club

The Kirksville Kiwanis Club welcomed Amanda Selby to speak at their Oct. 12 meeting. Selby is Director of the Board and 2024 Drive Chair for the United Way of Northeast Missouri. She presented on the 2024 Campaign Drive and the United Way's goal of raising \$180,000. Learn more at [liveunitednemo.org](http://liveunitednemo.org). Pictured, from left, are Kirksville Kiwanis Club President Elect, and Past President of the United Way, Ted Frushour; Kirksville Kiwanis Club President Dan McGurk; and Selby.

## Local girl scout seeks to raise funds for her troop

By Daily Express

Local Girl Scout Mandy Meinen is participating in a program as a member of the Girl Scouts of Eastern Missouri to raise funds for her troop.

According to her personalized site, by being in Girl Scouts, she believes she can grow her in her personal life.

"Being in Girl Scouts, I can learn important life long skills," Meinen wrote. "Girl Scouts do activities and help the community while learning important skills that will help us forever."

She said that her goal this year is to earn \$425 to help Girl Scouts so that her troop can use the money for patches and activities for the troop.

"Will you please help by shopping at my online site?" she asked, thanking everyone in advance.

Ways to support Mandy are by going to the website and ordering a magazine subscription; by visiting the "Nuts and Chocolates" site and ordering chocolate/nut combinations; by going to a third site to order premium insulate tumblers; or by going to the Bark x Girls Scout site and ordering a BarkBox for your dog.

Orders can be delivered by Mandy or be shipped directly to your home.

For online readers, go to: <https://www.gsnutsandmags.com/landing/0/9e324540-1639-4b99-b542-ec44c53e-be86/en-us/False>

## CAREER

Continued from Page A1

Sometimes those communication skills might be as simple as waving to a stranger when driving through a new town.

"It was always the most fun to see someone on the street light up, from small children to kids at heart," Holloway said. "So many people wave and smile while you drive down the road. I remember it seemed strange when I would be in a normal car and no one was waving."

Holloway has no idea how many miles she logged driving the Wienermobile during her nine-month stint. Most of her travels took place throughout the southeast and Midwest, with some trips are far north as New York. Ironically, her journey across the country

ultimately helped her appreciate things closer to home.

"While travel is such a great way to gain new perspectives, we should not underestimate how much we can learn in our own communities and how a simple conversation can bring you a new perspective," Holloway said. "It's so important to be open to everyday conversations and experiences around you, and just learn to enjoy people for who they are."

In preparation for National Bologna Day, the city of Kirksville will celebrate Bolognafest from 3-5 p.m. Oct. 21 downtown. In addition to free bologna and fried bologna sandwiches, there will be booths featuring games, prizes, balloons and face painting. A vintage Oscar Mayer Wienermobile, similar to the one Holloway drove, will be on display.

## Local road maintenance report

By MoDOT

The following is a list of general highway maintenance work the Missouri Department of Transportation has planned in the Northern Missouri region for the next few weeks. All road closures and planned roadwork may be viewed on the Traveler Information Map at <http://traveler.modot.org/map/>. Inclement weather may cause schedule changes in some of the planned work. There may also be moving operations throughout the region,

in addition to the work mentioned below. MoDOT asks drivers to work with us by buckling up, putting your phone down, slowing down and moving over in work zones.

### Macon County

Missouri Route 3 – Oct. 18, Closed for culvert replacement operations from Gypsum Street to Route HH between 8 a.m. and 4 p.m.

Route T – Oct. 18, Closed for culvert replacement operations from Index Place to Jackpot Street between

8 a.m. and 4 p.m.

U.S. Route 36 (Eastbound) — Oct. 18-19, Lane restriction for grinding high joints from Route C to Longbranch Lake Road between 8 a.m. and 3 p.m. daily. A 12-foot width restriction will be in place where crews are actively working daily.

### Putnam County

Route YY – Closed for multiple culvert replacements from Route Y to U.S. Route 136, Oct. 16-20, 7 a.m. to 4 p.m. daily.

### Sullivan County

Route 5 – Intersection improvement project at Mid-Lake Road, Route N and Mayapple Road through early November. (Capital Paving & Construction, LLC) <https://www.modot.org/missouri-route-5-route-n-and-route-vv-new-pavement-construction-sullivan>

Through early November: Intersection improvements at Route 5 and Mid-Lake Road.

Traffic Impacts: Road-

way will be narrowed to one-lane with flaggers directing motorists through the work zone. Motorists may face travel delays.

Through early November: Intersection improvements on Route 5 at the

intersections of Route N and Mayapple Road.

Traffic Impacts: Roadway will be closed during construction. Motorists will be directed to follow the signed detour on Routes 6, J, Y, N and B.

## Green Castle nationally recognized as a Smart Rural Community

By NEMR

Green Castle has been nationally recognized as a Smart Rural Community (SRC) by NTCA-The Rural Broadband Association and NEMR (Northeast Missouri Rural Telephone Company). Green Castle and the surrounding area have buried fiber optic cable, a must have for economic development, online education, telehealth, precision farming, working from home, and connecting rural America to the world. NEMR provides future-proof infrastructure. “Being on the cutting-edge of technology is good for the Co-Op and even better for our

Pictured left to right: James Snyder, utilities; Dana Dobrinski, council; Michele Gillespie, NEMR; Greg Dobrinski, Mayor; Sandy Jackson, council; Brittne Parrish, City Clerk; Rusty DeJong, council; and April Dobrinski, council.

members,” said Michele Gillespie, NEMR CEO. The city received a metal

sign and certificate of recognition during the October city council meeting.

## Shaping the future with Missouri's First Governor's Mentored Deer Hunt

By National Wild Turkey Federati

Over the weekend, the Missouri Department of Conservation hosted the first annual Governor's Mentored Deer Hunt, marking a significant milestone in wildlife conservation and the preservation of hunting heritage in the state. The event took place during Missouri's new antlerless rifle season from October 6 to 8, made possible through partnerships with prominent organizations committed to the cause.

Mentored hunts occurred across several counties, offering an invaluable opportunity for both new hunters and landowners facing challenges with increasing deer populations. Partnerships with the Conservation Federation of Missouri, National Wild Turkey Federation, National Deer Association, Missouri Hunting Heritage Foundation, Pheasants & Quail Forever, Missouri Disabled Sportsmen, Missouri's Legislative Sportsmen's Caucus, Whitetails Unlimited, ALPS Outdoorz, Dead End Game Calls, MO Woods and Wildlife and Missouri Backcountry Hunters and Anglers played a pivotal role in bringing this event to fruition.

Deer populations have been on the rise across Missouri, particularly in areas where intensive wildlife management practices are in place or regions with a significant agricultural component capable of supporting high deer densities. Landowners with larger properties have found it challenging to achieve the necessary doe harvest to stabilize or reduce deer populations. The Governor's Mentored Deer Hunt seeks to address this issue by providing access to these properties during a special antlerless-only rifle season.

One notable advantage of this season's timing, well in advance of the rut, is its ability to minimize interference with regular hunting activities on these properties, aligning seamlessly with broader efforts to effectively conserve and manage wildlife populations.

Additionally, the declining trend in hunter numbers has necessitated collaborative efforts to recruit, reactivate and retain new hunters (R3 programs). Deer hunters play a crucial role in helping state agencies achieve deer management goals by maintaining populations at desirable levels. Declining hunter numbers pose a significant concern for both state natural resource agencies and non-governmental organizations in-

Hunters harvest deer in Pike County. Pictured from left to right: Audrey Simmons, John Simmons, Cade Robinson and Alyssa Morrison.

involved in conservation efforts.

The Governor's Mentored Deer Hunt is a vital part of this strategy, aiming to introduce newcomers to hunting while providing them with essential knowledge about conservation, deer biology, hunting strategies, safety and etiquette.

“This event is a perfect marriage of providing opportunities that help accomplish agency and organizational R3 objectives while at the same time assisting landowners with large land holdings and high deer densities to accomplish harvest goals determined in their property-specific plans designed to achieve and maintain optimal herd health for their properties,” said John Burk, NWTf district biologist for Missouri, Iowa and Illinois.

The Governor's Deer Hunt exceeded expectations, with 25 participants selected to attend a comprehensive hunting clinic and participate in the hunt, fostering an atmosphere of learning, camaraderie and conservation.

Each property across the eight MDC regions welcomed three to five hunters, all expertly paired with experienced adult mentors from the partner agencies and organizations that orchestrated the event. The mentors were thoroughly vetted, ensuring a safe, informative and enjoyable experience for all participants. Each hunt comprised a social gathering on Friday, October 6, followed by an orientation session, morning and afternoon hunts on Saturday, and concluded with a morning hunt on Sunday.

The success of the first annual Governor's Mentored Deer Hunt sets the stage for continued collaboration among partners and paves the way for future conservation initiatives.

For further information about the Governor's Mentored Deer Hunt, contact MDC Outreach and Education Coordinator Rob Garver at 573-522-4115 ext. 6507 or at [Rob.Garver@mdc.mo.gov](mailto:Rob.Garver@mdc.mo.gov).

### About the National Wild Turkey Federation

Since 1973, the National Wild Turkey Federation has invested over half a billion dollars into wildlife conservation and has conserved or enhanced over 22 million acres of critical wildlife habitat. The organization continues to drive wildlife conservation, forest resiliency and robust recreational opportunities throughout the U.S. by working across boundaries on a landscape scale.

2023 is the NWTf's 50th anniversary and an opportunity to propel the organization's mission into the future while honoring its rich history. For its 50th anniversary, the NWTf has set six ambitious goals: positively impact 1 million acres of wildlife habitat; raise \$500,000 for wild turkey research; increase membership to 250,000 members; dedicate \$1 million to education and outreach programs; raise \$5 million to invest in technology and NWTf's people; and raise \$5 million to build toward a \$50 million endowment for the future. Learn how you can help us reach these lofty goals.

## / Sparklight®

### Sparklight accepting fall 2023 applications for Charitable Giving Fund

By Sparklight

PHOENIX — Sparklight® will open fall 2023 applications for the company's Charitable Giving Fund, which annually awards \$250,000 in grants to 501(c)(3) nonprofit organizations, from Oct. 1-31.

Grants will be made available across communities served by Sparklight and the other Cable One family of brands (Fidelity Communications, Hargray and ValuNet Fiber) and will concentrate support in the following priority areas:

- Education and Digital Literacy
- Hunger Relief and Food Insecurity
- Community Development

Last year the company awarded grants to nearly 60 nonprofits, including organizations serving the homeless, providing senior assistance and supplying food to those in need, to name a few.

The Charitable Giving Fund is an extension of the company's existing corporate social responsibility efforts, which include:

- Supporting national organizations dedicated to advancing education and diversity, including the Emma Bowen Foundation and the National Diversity Council.
- Supporting the mission of Special Olympics,

which provides year-round sports training and athletic competition in a variety of Olympic-type sports, as well as health, arts, and leadership and advocacy programs for children and adults with intellectual disabilities.

• Planting trees through the Arbor Day Foundation on behalf of customers who switch to paperless billing. By the end of 2023, the company will have planted 130,000 trees in its markets and national forests.

• Supporting the mission of Keep America Beautiful in cleaning up and beautifying communities across the U.S.

• Raising funds for Feed My Starving Children and collecting food for local food banks to make a difference in the lives of hungry kids around the world. Since 2018, the Cable One family of brands has donated more than 46 tons of food to local food banks and nearly \$400,000 to address food insecurity.

“We are committed to helping strengthen the cities and towns where we live and work by giving back to the local nonprofits who do so much to support our communities,” said Julie Laulis, Cable One President and CEO.

For more information about the Sparklight Charitable Giving Fund, visit [www.sparklight.com/charitablegiving](http://www.sparklight.com/charitablegiving).

## Missouri Route 149 in Macon County to close for bridge replacement project

By MoDOT

HANNIBAL — Weather permitting, Oct. 16, work is scheduled to begin on a bridge replacement project located on Missouri Route 149 over Walnut Creek, 1.2 miles south of Missouri Route 156 near Gifford, in Macon County. Weather permitting, anticipated completion of the new bridge is scheduled for late January 2024.

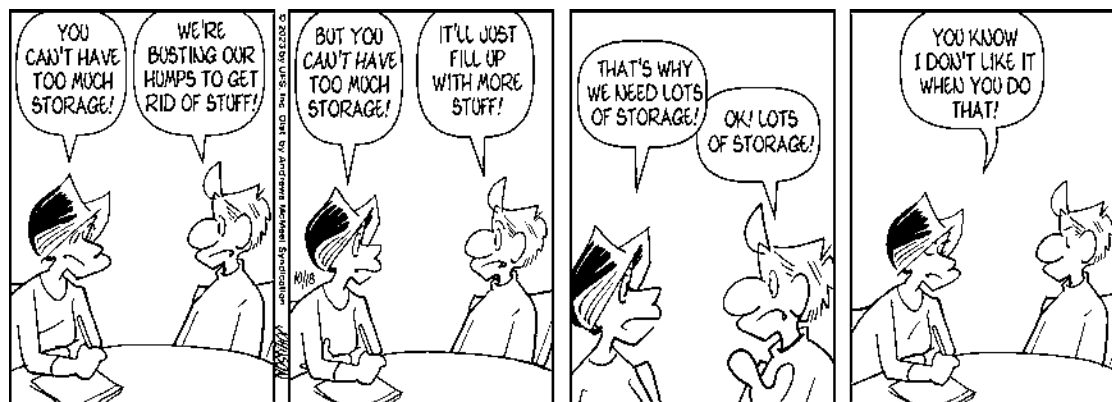

The Missouri Department of Transportation closed MO 149 at this location on July 10, 2021 following flooding that washed out a section of roadway and a large box culvert. Due to frequent flooding and ongoing issues with debris from

upstream wooded areas, it was decided that a bridge, rather than a culvert, was necessary at this location. However, when flood damage occurred, the department lacked the necessary resources and time frame to prepare bridge plans for a construction start in summer 2022, so the project was rescheduled for 2023.

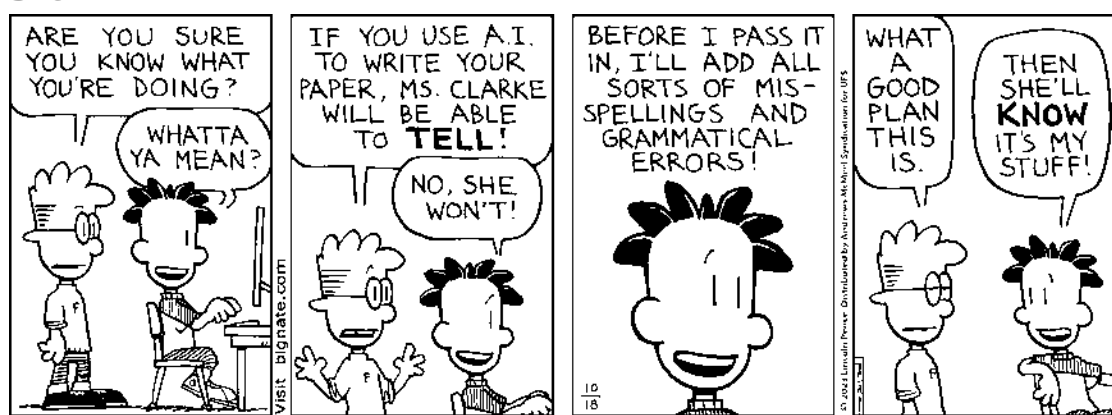

E & C Bridge, LLC was awarded the contract last month in the amount of \$788,629.

For more information on this and other projects in your area, contact MoDOT's Customer Center toll-free at 1-888-ASK MODOT (275-6636). You can also visit us online at [www.modot.mo.gov/northeast](http://www.modot.mo.gov/northeast).

**SUDOKU**

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**HERMAN**

"What if everyone went around pouring ketchup over their mother-in-law?"

**ASTROGRAPH BY EUGENIA LAST**

Bide your time, take care of details, and refuse to let emotions or outside interference cloud your vision or disrupt your plans. Embrace domestic changes that help stabilize your financial situation and give you breathing space. Your security depends on making intelligent decisions, avoiding unnecessary expenses and taking advantage of financial opportunities.

**LIBRA (Sept. 23-Oct. 23)** -- Monitor situations before engaging in talks that prompt changes you aren't ready to accept. Take time to digest what's available and devise a way to get the most out of what you've got.

**SCORPIO (Oct. 24-Nov. 22)** -- Follow the money, evaluate every expense and sell what you no longer need. A tight budget and solid game plan will put you in a good position. Discipline will create opportunities.

**SAGITTARIUS (Nov. 23-Dec. 21)** -- Don't share personal information. Hide your true feelings from anyone who might take advantage of your vulnerability. Listen carefully to what people are telling you and act accordingly.

**CAPRICORN (Dec. 22-Jan. 19)** -- Pay attention to contract negotiations and medical issues. Ask questions and look for alternatives that suit your lifestyle. An opportunity to gain financial ground is apparent.

**AQUARIUS (Jan. 20-Feb. 19)** -- Concentrate on what's at stake and do whatever it takes to live up to your promises. A simple lifestyle will help you save money and encourage stability. Don't take on additional debt.

**PISCES (Feb. 20-March 20)** -- Don't believe everything you hear or get involved in someone else's dream. Focus on what brings you the highest return. Put your emotions aside and get to work.

**ARIES (March 21-April 19)** -- Search for the information you need. Knowledge will be vital when it comes to getting what you want. Don't forgo what's necessary; attending to the fine print will save you time and money.

**TAURUS (April 20-May 20)** -- Don't give up on your dreams. Having a plan ready to go when opportunity knocks will encourage success. Be sure to think things through before making a big decision.

**GEMINI (May 21-June 20)** -- Review every detail before presenting your offer. Someone will look for any reason to take advantage of you. Attend a seminar, talk to experts and devise a solid plan to avoid unnecessary setbacks.

**CANCER (June 21-July 22)** -- Don't start something without getting the go-ahead from when who may object. Having the proper documents or a blessing from a neighbor, colleague or loved one will determine your success.

**LEO (July 23-Aug. 22)** -- Put on blinders and focus on what you are trying to achieve. Don't let anyone redirect or tempt you. Invest your time and money in yourself, your skills and your long-term plans.

**VIRGO (Aug. 23-Sept. 22)** -- Look to experts, institutions and yourself for answers, and make changes that will help you make something you enjoy doing or excel at into a lucrative pursuit.

CLASSIFIEDS, Cont. on A7

The City of Kirksville hereby gives Notice of its intent to renew a Non-Exclusive Franchise Agreement with Tri-County Electric Cooperative Association taking up such action on November 20, 2023 at 6:00 pm in Council Chambers, 201 South Franklin Street, Kirksville, Missouri.

**AN ORDINANCE OF THE CITY OF KIRKSVILLE, MISSOURI RENEWING AN EXISTING FRANCHISE AND GRANTING FOR A PERIOD OF TWENTY (20) YEARS TO TRI-COUNTY ELECTRIC COOPERATIVE ASSOCIATION, A NON-PROFIT, ELECTRICAL COOPERATIVE CORPORATION, ITS SUCCESSORS AND ASSIGNS, A NON-EXCLUSIVE FRANCHISE, RIGHT, PERMISSION AND AUTHORITY TO CONSTRUCT, RECONSTRUCT, EXCAVATE FOR, PLACE, MAINTAIN, OPERATE, AND USE ALL EQUIPMENT, FACILITIES, DEVICES, MATERIALS, APPARATUS OR MEDIA INCLUDING BUT NOT LIMITED TO DUCTS, LINES, PIPES, HOSES, CABLES, CULTVERTS, TUBES, POLES, TOWERS, WIRES, CONDUITS, CONDUCTORS, MANHOLES, TRANSFORMERS UNDERGROUND VAULTS, SWITCHGEAR, CAPACITORS, RECEIVERS, AND TRANSMITTERS, WITH ALL NECESSARY OR APPROPRIATE APPURTENANCES AND APPLIANCES IN CONNECTION THEREWITH, IN, ALONG, ACROSS, OVER AND UNDER THE CITY PROPERTY OR RIGHTS OF WAY, AND OTHER PUBLIC PLACES IN THE CITY OF KIRKSVILLE AND AREAS DEDICATED TO THE CITY FOR PUBLIC UTILITY USE, FOR THE PURPOSE OF TRANSMITTING, FURNISHING AND DISTRIBUTING ELECTRICITY WITHIN AND THROUGH SAID CITY, PRESCRIBING THE TERMS AND CONDITIONS OF SUCH GRANT, IMPOSING CERTAIN OBLIGATIONS UPON THE GRANTEE, ITS SUCCESSORS AND ASSIGNS, SUCCESSIVELY, IN CONNECTION THEREWITH. THIS ORDINANCE IS MADE SUBJECT TO THE CITY'S RIGHT OF WAY AND GENERAL CONDITIONS ORDINANCE ARTICLE III.-RIGHTS-OF-WAY MANAGEMENT.**

**BE IT ORDAINED BY THE CITY COUNCIL MEMBERS OF THE CITY OF KIRKSVILLE, MISSOURI, AS FOLLOWS:**

**Section 1.A** non-exclusive franchise, right, permission and authority is hereby granted to, and renewed and vested in, its successors and assigns, hereinafter called "Cooperative" to construct, reconstruct, excavate for, place, maintain, operate, and use all equipment, facilities, devices, materials, apparatuses or media including but not limited to ducts, lines, pipes, hoses, cables, culverts, tubes, poles, towers, wires, conduits, conductors, manholes, transformers underground vaults, switchgear, capacitors, receivers, and transmitters, with all necessary or appropriate appurtenances and appliances in connection therewith, in, along, across, over and under the City property and rights of way and other public places within the corporate limits of the City of Kirksville, Missouri, hereinafter called "City", as now fixed and as hereafter extended, and areas dedicated to the City for public utility use, for the purpose of furnishing and distributing electricity and other services within said City and in territory adjacent to said City, and for the purpose of transmitting electricity through said City; all such equipment, appliances and apparatus to be installed and maintained with due regard to and the rightful use by other persons, with vehicles or otherwise, of the City property and rights of way and other public places, and areas dedicated to the City for public utility use, and Cooperative's exercise of the rights, permission and authority hereby granted shall at all times be subject to regulation by the City in the exercise of its police powers.

**Section 2.** All facilities of Cooperative in said City shall be installed and maintained in accordance with the applicable rules and regulations of the National Electric Safety Code. The rates to be charged by the Cooperative for electric service rendered under this Ordinance shall be such as are approved from time to time by the Board of Directors of the Cooperative and/or such other duly constituted governmental authority as shall have jurisdiction thereof. All Rules and Regulations of the Cooperative and City of Kirksville applicable to the rights, privileges, and authority granted by this Ordinance, in the event of conflict herewith, shall govern.

**Section 3.** In order for Cooperative to render efficient and continuous electrical service it will be necessary for Cooperative to trim the trunks and branches of trees along or over the City property and rights of way and other public places and areas in said City, dedicated to the City for electric public utility use, wherever the same are likely to come in contact with its equipment; therefore, Cooperative is hereby granted the right to trim such trees, including the trunk branches, and all parts thereof, so as to enable it to erect and maintain its equipment in a regular and consistent form and manner and to enable it to provide the most efficient and continuous service that the circumstances will permit so long as constructions does so in conformance with City policies and Code requirements; provided, however, that Cooperative shall exercise proper care and discretion in cutting and trimming said trees and all parts thereof unless in the City's judgment, the removal of the tree would be appropriate. The Cooperative will notify and consult with the City Manager about removal of trees in their entirety, including the stump, prior to such removal.

**Section 4.** The rights, privileges and authority hereby granted shall inure to and be vested in Cooperative, its successors and assigns, successively, subject to all of the terms, provisions and conditions herein contained, and each of the obligations hereby imposed upon Cooperative shall devolve and be binding upon its successors and assigns, successively, in the same manner.

**Section 5.** This Ordinance shall confer no right, privilege or authority on Cooperative, its successors or assigns, unless Cooperative shall within ninety (90) days after due notice to the Cooperative of the enactment of this Ordinance, file with the City Clerk an acceptance of the terms and provisions hereof; provided, however, that if such acceptance be not so filed within said period of ninety (90) days, all rights, privileges, and authority herein granted shall become null and void.

**Section 6.** This Ordinance and Franchise, upon its enactment and its acceptance by Cooperative, as hereinbefore provided, shall continue and remain in full force and effect for a period of twenty (20) years from the filing of the Cooperative's acceptance.

**Section 7.** The City acknowledges that Cooperative is vested in rights, permissions and authority independent of this Ordinance. Neither acceptance of this Ordinance nor compliance with its provisions shall impair in any way or waive any right, permission, or authority which Cooperative may have independent of this Ordinance. In addition, neither use by Cooperative of public property or places as authorized by this Ordinance nor service rendered by Cooperative in said City shall be treated as use solely of the rights, permission and authority provided for by this Ordinance and in no way shall indicate non-use of any right, permission or authority vested in the Cooperative independent of this Ordinance. In the event the City vacates any City property, rights of way or other public places during the term of this Ordinance, City agrees to use reasonable efforts to reserve unto Cooperative the rights, privileges and authority herein given and granted to the Cooperative in upon, along, over and across each and all of such vacated premises which are at the time in use by the Cooperative.

**Section 8.** All ordinances and parts of ordinances in conflict with this Ordinance or with any of its provisions are, to the extent of such conflict, hereby repealed.

**Section 9.** Subject to the requirements of Mo. Rev. Stat. § 67.1830 thru § 67.1846, this Ordinance shall not relieve Cooperative of the obligation to comply with Chapter 32 Article III. - Rights-of-Way Management of the Kirksville Municipal Code of Ordinances of the City including Section 32-74 Technical specification for utility work in city rights-of-way or as amended in the future requiring Cooperative to obtain written permits or other approval from the City prior to commencement of construction of facilities within the rights of way thereof, except Cooperative shall not be required to obtain permits or other approval from the City for the maintenance and repair of its facilities, which do not require excavation.

**Section 10.** If any provision of this Ordinance, or the application of such provision to particular circumstances, shall be held invalid, the remainder of this Ordinance, or the application of such provision to circumstances other than those as to which it is held invalid, shall not be affected thereby.

**Section 11.** If, at any time, during the term of this Ordinance, City grants or renews a franchise to another entity or person for the purposes of transmitting, furnishing and distributing electricity for light, heat, power or similar services, and Cooperative reasonably believes the other entity or person is granted more favorable treatment, terms, or conditions, then Cooperative shall notify City of such treatment, terms, or conditions. Upon receipt of such notice, City and Cooperative shall negotiate in good faith to amend this Ordinance to provide Cooperative such treatment, terms or conditions on an equivalent basis. Such amendment shall take into consideration all circumstances that distinguish between Cooperative and entity or person receiving the more favorable treatment, terms, or conditions.

**Section 12.** Except as provided in Mo. Rev. Stat. § 67.1830 thru § 67.1846, the Cooperative shall be exempt from any special tax, assessment, license, rental or other charge during the term of this Ordinance, on all poles, conductors, wires, cables, conduits, equipment and other apparatus placed in the City property and rights of way or other public places within the City under this Franchise Agreement. However, the Cooperative shall pay to said City on or before the 15th day of each month of each year that this franchise remains in effect, an amount equal to five percent (5%) its gross receipts, as herein defined, from sales of electricity delivered by it within the corporate limits of the City for the preceding month, in lieu of payment due pursuant to Sec. 12-226. - Fees levied.

All payments made hereunder will be reduced by the total payments made by Cooperative for the applicable periods of time or portions thereof on account of any tax levied or imposed by said City upon the business of selling electricity or upon the proceeds of sales of electricity or upon the right or privilege or engaging in such business within said corporate limits, whether said tax be designated as an occupation tax, license tax, or a gross receipts tax or otherwise; but not including a sales tax levied or imposed pursuant to the City Sales Tax Act.

With each franchise payment hereunder, Cooperative shall file with the Clerk of said City a sworn statement of the gross receipts for the applicable period and also a sworn statement of all payments made by it for such period on account of any of the taxes enumerated above in this Section. The term "gross receipts" shall mean the aggregate amount of all sales and charges that result from Cooperative's business of supplying electric energy or electricity transmission and distribution service to customers within said City during any period less discounts, credits, refunds, sales taxes, state or county taxes on electricity distribution service, and uncollectible accounts. In the event retail wheeling of unbundled electric energy becomes available in the City (i.e., retail customers are permitted to choose their suppliers of electric energy), then Cooperative and City agree within three (3) months of the availability of retail wheeling ("the Negotiated Period") to revise the definition of gross receipts to be consistent with law and regulation in effect at that time and to eliminate any provision that prevents Cooperative from competing equally with other potential suppliers of electric energy in the City. In the event the Cooperative and City cannot agree upon a revised definition of gross receipts within the Negotiation Period, this Ordinance shall automatically terminate. The Negotiation Period may be extended at any time prior to termination by written agreement between City and Cooperative.

**Section 13.** This bill shall take effect and the rights, privileges and authority hereby granted and renewed shall vest in Cooperative upon its filing of an acceptance with the City Clerk according to the terms prescribed herein. The Ordinance shall not be subject to approval or disapproval of the voters of this City only upon the terms and conditions as provided in Mo. Rev. Stat. § 88.251, unless there is a petition submitted by qualified voters requesting an election. If the City Clerk does not receive within thirty (30) days after the passing of this Ordinance a petition sufficient in form and signed by the requisite number of voters, it shall be a valid and binding franchise of the City upon the filing of an acceptance by the Cooperative according to the terms prescribed herein and shall remain in full force and effect and cannot be repealed or amended. 699262f

# Truman State turnovers prove costly in loss to Indianapolis

By Adam Tumino

Turnovers and a costly special teams play proved costly for the Truman State football team in an otherwise closely-contested game against Indianapolis on Saturday. The No. 13 Greyhounds beat the No. 19 Bulldogs 38-17, handing Truman its first loss of the season. The Bulldogs are now 6-1 while Indianapolis improved to 6-0.

Three Truman turnovers led to 21 Indianapolis points, and a field goal that would have given Truman a 17-14 lead was blocked and returned for a Greyhound touchdown. Those 28 points obviously loomed large in a game the Bulldogs lost by 21.

Truman held on to a top-25 ranking in the AFCA Coaches Poll following the loss, coming in at No. 25. Indianapolis is now ranked 11th in the nation.

Truman head coach Gregg Nesbitt said that he felt mistakes took away any opportunity for the Bulldogs to get a big conference win in a game he felt they were well-suited for.

"I'll start with positives, but we're way past silver linings. That's not where I'm coming from," he said. "Our guys played hard, and they were physical. I thought we matched up physically very well. The negative is that you can't make the mistakes that we made. We had a low kick that turned into a game-altering play where we go from taking the lead to being behind. It happens. It's football. And then we simply turned the football over too many times today and didn't give ourselves a chance."

The first Truman turnover came on the game's opening possession, when a red zone interception from quarterback Nolan Hair ended a prime scoring chance for the Bulldogs. Indianapolis then drove 80 yards and took a 7-0 lead with a 22-yard touchdown pass from Gavin Sukup to Cobi Lewis.

The two teams then exchanged punts on the next two possessions, with Truman scoring quickly after the Greyhound punt. Denim Cook, back for the second-straight game after missing time with an injury suffered in the season opener, ran for 59 yards on the first play of the drive. Tim Johnson Jr. spelled Cook on the next play, and ran 18 yards for a touchdown.

The Greyhounds reclaimed the lead with a lengthy drive that once again ended with a touchdown pass from Sukup to Lewis. Truman's ensuing drive was kept alive by an excellent catch along the sideline from Chris Kerr on a third down, and the Bulldogs were able to finish the drive off with a 16-yard touchdown pass from Hair to Parker Erickson.

Truman seemed to gain even more momentum when Ben Thomas intercepted Sukup on the second play of the ensuing Indianapolis drive. It was only Sukup's third interception of the season.

But then when attempting a field goal to take their first lead of the game, Truman instead found itself trailing. Grant Ross' 36-yard attempt was blocked by Aaron Barnett and recovered by Landry Muvungu, who ran it along the sideline for an 82-yard touchdown.

Truman had to punt it away on the ensuing possession but Jacksyn Miller recovered a muffed punt to give the Bulldogs another chance to score before halftime. But with 48 seconds left in the half, Ross missed a 26-yard field goal to continue his tough day, coming after he received GLVC Special Teams Player of the Week honors for the previous two games.

Truman quarterback Nolan Hair looks to escape pressure in the game against Indianapolis on Oct. 14. PHOTOS BY ADAM TUMINO

Truman defensive lineman Mason Crim fights through a block in the game against Indianapolis on Oct. 14.

Indianapolis kicker Dylan Hillger gave the Greyhounds a 24-14 lead on the first drive of the second half. The two teams then both went three-and-out on the next two drives before Truman's second turnover hit. Hair fumbled on a third-down scramble and Indianapolis took over just across midfield. Five plays later, running back Jon Lewis gave the Greyhounds a 31-14 lead.

Neither offense produced much for the remainder of the third quarter or the first half of the fourth quarter before Truman got back on the board with a 23-yard field goal from Ross cut the deficit to 31-17. That was followed by a three-and-out forced by the Truman defense, but any hopes of a comeback were soon dashed. Hair was intercepted for the second time, this time at midfield. It was nearly a pick six, but Indianapolis took over at the Truman two-yard line. A Sukup touchdown pass to Anthony Crowell to bring the score to the final of 38-17.

Truman outgained the Greyhounds 379 yards to 313 and outrushed them 214 yards to 101, numbers that are perhaps a bit misleading given the final score. Truman also won the battle for time of possession and held the Greyhounds to 5-of-13 on third down conversions.

Hair finished 15-of-32 passing for 165 yards and a touchdown to go with his three turnovers. Tate Crane continued to be a reliable target in what is shaping up to be the best season of his career by far. He had four catches for 60 yards and leads the team 33 catches and 439 receiving yards

this season, which rank third and fourth in the GLVC respectively. Kerr also had four catches Saturday for a team-high 63 yards.

Cook had his best game of the season by far, running 15 times for 130 yards. Johnson Jr. added 50 yards and a touchdown on just six carries. Mason Huskey was held out of the endzone for the first time this season. He was banged up early on and carried just four times for nine yards.

Brock Jones led the defense with eight solo tackles and recorded one of the team's two sacks. Mason Crim had the other. In addition to his interception, Thomas had a QB hit and four total tackles.

Truman has a chance to rebound from the loss when they host William Jewell for homecoming on Oct. 21. The Cardinals are 2-4 overall this season and 1-2 in conference play. They seem to be a little more challenging than in recent years, averaging 29.7 points per game on offense. But they have allowed 100 points total in their last two games against Indianapolis and Quincy, the top two scoring offenses in the GLVC. Truman ranks third.

Nesbitt said that the game against William Jewell can start a strong four-game stretch to close the year for the Bulldogs now that the toughest game of the season is behind them.

"That's the good thing about the timing of this game, is that the wins our guys have put together have set themselves up for some postseason," he said. "We certainly control our own destiny from that perspective."

The homecoming game will kick off at 2 p.m. from Stokes Stadium.

Macon senior Jonathan Bray (4) celebrates after a fumble recovery in the first quarter of the game against Monroe City on Oct. 13. ADAM TUMINO

# Mental mistakes hurt Macon football team in 36-7 loss to Monroe City

By Adam Tumino

The Macon football team hosted Monroe City on Friday for the final home game of the season for the Tigers. The Panthers were another strong obstacle standing between Macon and its first win of the season, and the Tigers dropped the game 36-7 to fall to 0-8 on the season. Monroe City improved to 6-2.

Self-inflicted damage was a theme for Macon, as it has been throughout this difficult season. Mental mistakes just keep getting in the way for the Tigers, said head coach Van Vanatta.

"They've got to trust what we're doing," he said. "I was really with the scheme we had, both offense and defense, and special teams. The bottom line is, and it's the point of our season, is we just keep shooting ourselves in the foot."

The Macon defense was able to hold the Panthers off the board on the opening drive of the game thanks to a mistake on the part of Monroe City. The Panthers were in the red zone and on fourth down when they fumbled on a play that they looked sure to convert for a first down.

Macon took over on their own eight-yard line, but the first of a series of costly mistakes quickly took the win out of their sales. On the first play of the drive, an errant pitch play led to the ball rolling into the endzone, where Macon fell on it for a safety.

Monroe City got the ball back on the kick and soon scored on a 28-yard touchdown run. Macon then picked up a couple of first downs on the ensuing drive before stalling out and attempting a 33-yard field goal, which came up just a bit short.

The next Monroe City drive bridged the first and second quarters and ended when the Macon defense forced a turnover on downs. Another Macon miscue came when they punted on their next possession. A false start on a solid punt forced the Tigers to re-kick, and Monroe City returned the ball deep into Macon territory. The Panthers scored soon after on a wide open 28-yard touchdown pass.

Macon punted again and the Tiger defense forced the first Monroe City punt of the game after that. Looking to get points on the board before halftime, the Tigers once again fumbled the ball away and Monroe City ran out the clock to head to halftime with a 16-0 lead.

Monroe City expanded the lead to 22-0 early in the third before Macon mounted their lone scoring drive of the game. Two big plays from senior Jonathan Bray kept the drive alive, the first being a big gain on a fake punt and the second being a circus catch on a deflected pass to give the Tigers the ball at the Monroe City nine-yard line.

Penalties then threatened to spoil the Tigers' drive, but on third and goal backed up to the 21-yard line, quarterback Skyler Anderson found Justice Moyer in the middle of the field, who briefly bobbled the ball before gathering it while falling backward into the endzone for a touchdown.

Monroe City grabbed back the momentum on the ensuing drive, getting a 74-yard touchdown run on a reverse play that also produced the Panthers' first score of the game. This gave Monroe City a 28-7 lead. Macon would only possess

Macon defenders swarm to bring down a Monroe City ball carrier in the game on Oct. 13.

the ball two more times in the game, punting it away late in the third quarter and turning over on downs in the fourth.

Before that turnover on downs, Monroe City capped off the scoring with a four-yard touchdown run to finish a 64-yard drive. They got the ball after the turnover on downs with 5:39 left in the game, running out the clock from there.

Vanatta said that mental mistakes are unfortunately stifling progress for the Tigers so far. Pre-snap penalties on offense kill drives before they really have a chance to get going.

"That's the most frustrating thing as a coach, is it's just 'when are we going to make a mistake?' It's just constant," Vanatta said. "We've been in more 3rd and 15's or 1st and 15's than probably any team you can think of."

The Tigers entered the season as a relatively inexperienced team, missing a large senior class that helped lead the team to a 9-2 record in 2022, the best in six years. Still, 12 seniors on the roster gave the Tigers some continuity heading into 2023. However, a rash of injuries have led to Macon playing a large number of underclassmen this season, with a majority of the players on the field at any time often being freshman and sophomores.

"We had 12 seniors, and I've got four on the field left," Vanatta said. "And it's the same with juniors. When you look at Kirksville, who we opened up with at the beginning of the year, there are 12 guys that started on that field that are not playing any more. I don't have an answer for it. In my whole career I've had three broken collar bones. We've had five."

Even with the bad injury luck, Vanatta said that the players still show up and work hard throughout the week. It's just when they take the field on Friday nights, the good things from practice are often absent.

"They practice hard, I mean they get after it," he said. "It's hard for them to transition what we're doing into the game, and when they do do it, we do well."

Things will likely not get much easier for the Tigers in the season finale this week, with a road matchup against 7-1 Centralia looming. The Panthers are coming off their first loss of the season against a now 8-0 South Shelby team, which Centralia lost 48-14.

The game will end a tough three-game stretch to end the season for Macon, who also played South Shelby before coming home to play Monroe City. The Tigers' last three opponents of the season have a combined record of 21-3.
