Special Cow, & Yearling Sale

Compared to the last sale four weeks ago, steers sold 12.00 to 15.00 higher, spots sharply higher. Heifers traded 5.00 to 15.00 higher. Slaughter cows 3.00 to 7.00 higher. The new year kicked off on a very positive note with some renewed optimism and a number of active buyers. The quality was excellent all day long with several top prices coming late in the day. This sale is traditionally known as a source for reputation replacement heifers and this year was no exception with several groups returning to the farm. Supply moderate, demand good to very good. Supply included: 94% Feeder Cattle (57% Steers, 43% Heifers); 6% Slaughter Cattle (94% Cows, 6% Bulls). Feeder cattle supply over 600 lbs was 57%.
