## Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Advanced

### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**New Federal Reporting Requirements Impact Small Business**

Effective January 1, 2024, under the Corporate Transparency Act, many companies in the United States must report information about their beneficial owners—the individuals who ultimately own or control the company—to the Financial Crimes Enforcement Network (FinCEN), a bureau of the U.S. Department of the Treasury. Filing is simple, secure, and free of charge. Below are a few frequently asked question from fincen.org intended to help navigate the Corporate Transparency Act (CTA) and beneficial ownership information (BOI) reporting.

**Who Has to Report?**  
Companies required to report are called reporting companies. Reporting companies may have to obtain information from their beneficial owners and report that information to FinCEN.  
Your company may need to report information about its beneficial owners if it is:  
• a corporation, a limited liability company (LLC), or was otherwise created in the United States by filing a document with a secretary of state or any similar office under the law of a state or Indian tribe; or  
• a foreign company and was registered to do business in any U.S. state or Indian tribe by such a filing.

**Who Does Not Have to Report?**  
Twenty-three types of entities are exempt from beneficial ownership information reporting requirements, including publicly traded companies, nonprofits, and certain large operating companies.

**How Do I Report?**  
Reporting companies report beneficial ownership information electronically through FinCEN's website: [www.fincen.gov/boi](http://www.fincen.gov/boi). The system provides a confirmation of receipt once a completed report is filed with FinCEN.

**When Do I Report?**  
• If your company was created or registered prior to January 1, 2024, you will have until January 1, 2025 to report BOI.  
• If your company is created or registered in 2024, you must report BOI within 90 calendar days after receiving actual or public notice that your company's creation or registration is effective, whichever is earlier.

The above information and more information about the CTA and BOI can be found on [fincen.org](http://fincen.org).

The Small Business Development Center is here to help.  
If you need help filing a Beneficial Ownership Information Report or need more resources to determine whether or not you should file, the SBDC is a great place to start! Give us a call to schedule an appointment at 660-665-3348.
