Wednesday, March 20th
Special Calf & Yearling Sale

Compared to last week, steers and heifers traded 10.00 to 20.00 higher, many spots 25.00 higher. Slaughter cows 2.00 to 5.00 lower. The local cash trade got off to a hot start, trading sharply higher early, and only got better as the day went on, topping out at some really impressive price levels along the way. Quality was excellent from start to finish and with a large number of active buyers, very few cattle had trouble finding a ride to a new location. A lot of mud remains throughout the area but most consignments came to town in really clean condition. Supply heavy, demand very good. Supply included: 98% Feeder Cattle (59% Steers, 41% Heifers); 2% Slaughter Cattle (94% Cows, 6% Bulls). Feeder cattle supply over 600 lbs was 63%.

Guess Who?

I am a singer/songwriter born on June 7, 1958 in Minnesota. I may be considered a musical prodigy because I began writing music at age seven. I have released 10 platinum-selling albums. Even though it's 2015, I may still be "partying like it's 1999."
