On Wednesday March 20th, Green City Livestock Marketing had a light offering of mostly calves sold with a sharply higher undertone, particularly heifers under 550 lbs which found a couple extra outlets. Slaughter cows 2.00 to 5.00 higher. With the exception of a couple stick out consignments, quality as a whole wasn't as attractive but with all systems go in the beef sector, most weights and classes traded well beyond the tops of two weeks ago. Supply light, demand very good. Supply included: 89% Feeder Cattle (68% Steers, 29% Heifers, 3% Bulls); 11% Slaughter Cattle (89% Cows, 11% Bulls). Feeder cattle supply over 600 lbs was 58%
