Special Calf & Yearling Sale

Wednesday, August 7th, 2024

Special Calf & Yearling Sale

Wednesday was the second day of a two day Customer Appreciation BBQ Sale. Compared to the last sale four weeks ago, steers sold mostly 5.00 to 10.00 higher, spots up to 15.00 higher. Heifers sold 10.00 to 20.00 higher. The market picked up Wednesday morning right where it left off Monday with no warm up needed. The sale order was stacked with reputation consignments, nearly all long time weaned and in good summer condition. Cattle were offered in mostly smaller groups this time around but with enough numbers and similar kind for buyers to work with. A couple of the newer faces in the crowd were quite active throughout the day, pushing prices higher, particularly on the light calves under 550 lbs. Supply included: 97% Feeder Cattle (56% Steers, 44% Heifers); 3% Slaughter Cattle (85% Cows, 15% Bulls). Feeder cattle supply over 600 lbs was 54%.

Special Calf & Yearling Sale

Monday was the first of a two day Customer Appreciation BBQ Sale featuring load lot yearlings on Monday and calves on Wednesday. Compared to the last tested market from 4 weeks ago, yearlings traded mostly 10.00 to 20.00 higher. Nearly all the cattle were marketed in load lots with most of the 9 weight steers bringing 2350.00-2450.00 per head; several stick out prices on the heifer end as well, including a load of 643 lb heifers going to feed at 2.99/cwt. A number of extra buyers were on hand but for the most part, the cattle on offer were scattered across a number of the regulars. Supply included: 100% Feeder Cattle (60% Steers, 40% Heifers). Feeder cattle supply over 600 lbs was 97%.
