# Rep. Tiffany announces September Telephone Town Hall

WAUSAU -- Congressman Tom Tiffany (WI-07) has announced that he will be hosting a telephone town hall on Wednesday, Sept. 4 at 7 p.m. to answer questions on redesignating the Apostle Islands to Wisconsin's first National Park, the economy, border, and more.

"Telephone town halls provide a convenient way to ask any questions you have, right from the comfort of your home," said Congressman Tiffany. "I look forward to answering your questions, clarifying any misinformation about elevating the

Apostle Islands to a national park, and discussing solutions to the issues facing Wisconsinites."

Constituents in Wisconsin's Seventh District may join the call by dialing 833-946-1523 at the time of the event. The event will approximately last one hour.

\*Please be advised that Congressman Tiffany's telephone town halls are subject to last-minute cancellations. Be sure to follow Congressman Tiffany on Facebook for updates.

## It's time for the annual fall clean-up in Hillside, Immanuel Lutheran, Gate of Heaven cemeteries

MARSHFIELD -- The annual fall clean-up for Hillside, Gate of Heaven, and Immanuel Lutheran cemeteries in Marshfield is approaching.

All decorations, containers, shepherd hooks, solar lights, and other adornments at Hillside Cemetery must be removed by Oct. 1 for fall clean-up. Staff will discard any remaining items beginning Oct. 1.

It is strongly encouraged that any items/decorations of great monetary or emotional value be protected in a safe place outside of the public cemetery grounds where they cannot be lost, stolen, damaged or removed for any reason.

For a complete list of cemetery rules and spring clean-up dates, visit the Hillside Cemetery website at ci.marshfield.wi.us (click Departments, Parks and Recreation, Cemetery Division). If you have any questions, please call the cemetery office at 715-486-2098 or email hilltop@ci.marshfield.wi.us.

# Honoring Marshfield's 150th

# Marshfield 150 for 150: Beatrice Ann "Betty" Ptacek

### NOMINATED BY JOYCE BILLINGS AND JANE KENNEDY

Betty Ptacek was born Beatrice Ann Hahnon June 13, 1936, in Oacoma, SD, and died on June 25, 2024, at age 88, in Fitchburg.

Common themes in Betty's life include a respect for people of all ages, races, genders and religions, a burning curiosity about the world we live in, a desire to preserve the earth and its inhabitants, an intellectual focus on the "big questions," and activism, starting with herself. She was known as a community organizer, bringing people together for worthy causes.

Betty graduated from high school in Chamberlain, SD, in 1953. She attended Mount Marty College in Yankton, SD, graduating in 1958 with a bachelor's degree. Betty often said that this was a pivotal time in her life and is where she "learned to think." She always praised the nuns at her college for instilling the ideas of social justice and action.

After completing her degree, Betty worked as a medical technician in New York and Milwaukee. While working in Milwaukee at St. Joseph's Hospital, Betty met Louis Ptacek on a blind date. He proposed on their second date. Betty wisely said no, but they continued dating, and when Louie proposed again several months later, she said yes. In 1959, Betty married Dr. Louis J. Ptacek, longtime Marshfield medical researcher and pediatric neurologist who contributed to the fields of genetics and neuroscience. In 1965, they moved to Marshfield where they raised their five children.

Betty threw herself into community projects and was very involved in supporting the clinic, education, business, church

projects, land preservation and local governance. She, along with three other women, became owners and operators of the Brass Lantern Bookshop, opened at 338 S. Central Avenue in downtown Marshfield.

In 1995, Betty received the Paul Harris Community Service Award from the Marshfield Noon Rotary Club in recognition of her "exemplary service to the community." At that time, she had been a member of the city council for six years, executive director of Marshfield Area United Way, a member of the UW-Marshfield/Wood County Foundation Board, Marshfield Leadership Board, Columbus High School Board, Marshfield Area Community Foundation Board, a member of the Marshfield Woodlands Preservation Committee, a member of the Wood County Medical Alliance, and a St. Vincent de Paul volunteer, organizing donated books.

Betty and Louie Ptacek, along with other students' parents, established an annual Ski Swap at Columbus High School in 1979. Within one year, the ski swap had grown into a weekend-long

celebration. Each year the organizers would gather in the Ptacek's basement to make sauerkraut, which was served at the event, known today as the popular fundraiser Alpine Holiday.

Betty believed strongly in the democratic process and in citizens' responsibility to actively participate. Betty served on the State of Wisconsin Judicial Commission (1985-1988).

voters, participating in marches, and volunteering countless hours to candidates and causes that matched her values.

Betty was deeply concerned about the environment and about preserving nature. She and Louie, along with the Hansens and others, were instrumental in acquiring the property abutting the UW-Marshfield Campus and Arboretum. Once purchased, the wooded land was gifted to the UW and became the Woodview Condo Association property. Betty frequently took walks outdoors. She could be seen on her walks carrying a bag and picking up any litter she encountered, no matter where she was hiking. Betty spent a great deal of volunteer time as a Friend of the Mead Wildlife Area where she gave tours to students and other groups, and encouraged her friends to join.

Education was very important to Betty. She was a great supporter of UW-Marshfield and of the whole UW system. Betty served on the UW-Colleges Board of Visitors from 1985 to 1992.

Betty and her husband sponsored a need-based college scholarship at

Marquette for Marshfield area residents. They also sponsored scholarships at UW Marshfield. Betty served on the school board at Columbus High School. She organized used book sales for the community. She would round up her friends to sort, organize, and price the books, and all proceeds went for scholarships or other worthy causes. She was a member of the Literacy Council and actively recruited others to work on the Literacy Council.

Marshfield Clinic and the community benefited from Betty's support. At the time she and Louie moved to Marshfield, the Clinic was decidedly patriarchal. Physicians' wives who were health care professionals, such as Betty, were not allowed to work at the Clinic. Betty and her friends took these women under their wings, introduced them to the community, and helped them become involved in community activities. In this way, she helped the Clinic in its physician recruitment efforts, and the community benefited from this group of talented, highly intelligent and motivated women. Gretchen Blau, one of these

## CAROLINE AGNES STINI

Caroline Agnes Stini (Buchholtz), 98, (prayers answered) was received into the loving embrace of her dear Lord Jesus Christ on Wednesday, August 21. She was born on the April 11, 1926 in Marshfield, the daughter of Adolph and Margaret Buchholtz (Meyer) where she resided her entire life.

The Mass of Christian Burial will be on Tuesday, August 27 at St. John the Baptist Catholic Church, Marshfield at 10:30AM, Fr. Daniel Thelen, celebrant. The Knights of Columbus Fr. John Eisen Council #1799 will pray the rosary at 9:00AM with visitation to follow. She will be laid to rest in the Gate of Heaven Cemetery, Marshfield. Pall bearers will be Doris Briedl, Daryl Kopp, Daniel Flees, Doug Schnitzler, Crystal Mutschler, and Nikki Grabow.

Caroline attended a country school through 8th grade and then performed live-in housekeeping for area families. On September 25, 1948, she married Joseph Stini at St. John the Baptist Catholic Church, Marshfield. She was employed by Roddis Plywood and Lumber for 8 years and the Elks Club for 26 years as a waitress. She volunteered at the Samaritan House for 15 years.

Caroline worked tirelessly and was meticulous in all aspects of her life. She found comfort, peace and joy in her cats, especially Buttons (lap cat), and Doris Breidl (niece), her enduring "Samaritan House" friends, Sheila, Grace, Bev, Andrea, and Peg and in preparing meals, especially "no-bake" desserts in her declining years. She looked forward to her weekly visit with Dan and the opportunity to look at the pictures of her "adopted piglets" aka grandchildren and attending the Senior Community Dinners with her can of peas in hand. Caroline graced many lives across many years with her contagious smile and endless stories about life – the hard times without a complaint and the joyful times which carried her through. Life's lessons were passed on if only you took time to listen – no need to speak – just listen. She lived her life filled with faith and prayed God would take her home sooner rather than later.

Caroline is survived by her son, David, sister-in-law, Lucinda Kopp (Stini), many nieces, nephews, cousins, and friends. She was preceded in death by Joseph (husband), LaVern (son), Marie Buchholtz and Anna Mae (Roman) Andres (sisters), Adolph & Margaret Buchholtz (parents), and Joseph & Mary Stini, Sr. (father/mother-in-law), and brother-in-law & sister-in-laws.

Thank you to the staff at Safe Haven for Seniors for the compassion and care you showed Caroline; Dr. Allyson Mayeux, Dr. Gary Martin, and Penny Vinnedge (Marshfield Clinic); Taiya, Donna, Chaplain Dennis, and Julie (Heartland Hospice), Doug Schnitzler's watchful eye and yard maintenance, and Fr. Daniel Thelen's spiritual care.

**The Meaning of Labor Day**

Dear Reader,

As summer begins to wane and the promise of autumn lingers in the air, we find ourselves on the cusp of another Labor Day. To many, this holiday may simply signify the end of vacation season, marked by parades, barbecues, and perhaps a final trip to the beach.

However, beyond the festive atmosphere and political speeches lies a deeper, more profound significance.

Labor Day was instituted to honor the contributions of the everyday worker—the men and women who rise each morning, don their uniforms, and perform the myriad tasks that keep our society functioning smoothly. It's a day dedicated to the recognition of the sweat and resilience of those who tirelessly contribute to our collective well-being.

Historically, Labor Day emerged from the labor movement in the late 19th century, a time fraught with industrial strife and the struggle for workers' rights. It was a time when workers came together to demand fair wages, reasonable hours, and safer working conditions. Their efforts laid the groundwork for the labor protections many of us take for granted today.

But beyond its historical roots, Labor Day serves as a poignant reminder to pause and reflect on the value of hard work. It's a moment to appreciate the quiet dignity of those who grind it out day after day, doing whatever it takes to provide for their families. These are the individuals who form

the backbone of our communities—the teachers, nurses, factory workers, farmers, and countless others whose labor often goes unnoticed, yet is essential to our daily lives.

As we enjoy the holiday's festivities, let us also take a moment to honor the spirit of Labor Day. Let's remember that it is not just a day off, but a day to celebrate the perseverance, skill, and hard work of our fellow citizens. May we carry this appreciation with us throughout the year, recognizing that every contribution, no matter how small, is worthy of respect and gratitude.

## 10 FASCINATING FACTS ABOUT LABOR DAY

The first Monday in September is celebrated nationally as Labor Day. So how did we get here? The Labor Day holiday grew out of the late 19th century organized labor movement, and its role in American society. Here's how it all started, with the facts, as we know them, summarized in 10 interesting facts.

1. The idea first became public in 1882. In September 1882, the unions of New York City held a parade with support for all unions. At least 20,000 people were there, and the workers had to give up their day of work.
2. The New York parade inspired other unions. Other regions started having parades, and eventually Labor Day a state holiday.
3. How did the Haymarket Affair influence Labor Day? On May 4, 1886, a bomb exploded in Chicago, killing seven police officers and four others. The incident also led to May 1 being celebrated as International Workers' Day to avoid a celebration on May 1 and New York's unions had already picked the first Monday in September.
4. Two people with similar names are credited with that first New York City event. Matt Guilan and Peter McGuire of the 1882 parade. The men were from rival unions; in 2011, Linda Stinson, a former U.S. Department of Labor official, said she was partially because people over the years confused them because of their similar-sounding names.
5. Grover Cleveland helped make Labor Day a national holiday. After violence related to the Haymarket Affair, he wanted a federal holiday to celebrate labor - and not a holiday celebrated on May 1. Congress had already passed laws establishing a Labor Day holiday by that point. Sen. James Hendricks introduced the holiday on the first Monday of September. It was approved on June 28, 1894.
6. The holiday has evolved over the years. In the late 19th century, celebrations focused on labor with fewer parades, and more activities. It also marks the perceived end of the summer season.
7. Can you wear white after Labor Day? This old tradition goes back to the late Victorian era when it was officially ended on Labor Day. The tradition isn't really followed anymore. EmilyPost.com says it's a vacation mode at your summer cottage.
8. Labor Day is the unofficial end of Hot Dog season. The National Hot Dog and Sausage Council says that Americans eat 1.5 billion hot dogs.
9. How many people are union members today? According to the Bureau of Labor Statistics, there were 17.7 million in 1983.
10. What is the biggest union today? The National Education Association has about 3 million members.

women, stated, "For me personally, Betty was an instigator for community action and persuaded me to serve on the city's Parks and Forestry Committee. Marshfield became a Tree City USA, by adopting a terrace tree-planting program, still in existence." By involving her talented friends through kind and gentle persuasion, Betty's impact was magnified. She was a humble and self-effacing person herself and did not seek the limelight, but acted as a catalyst to make things happen.

Betty's interesting conversational style was to ask questions. She would introduce a topic and then ask each person in the group their opinion. Betty loved contemplating the "big questions." She started a philosophy group that lasted several years just to read and discuss these things. She eagerly attended lectures and participated in discussions on moral and philosophical issues, particularly as they related to current events or the environment.

Betty's legacy can be seen in the lives of the many people she touched. Those of us who were fortunate to fall into the orbit of Betty Ptacek during her life will always be grateful for the love and kindness which she radiated, the talents she possessed and the many gifts she shared.
