## Cozy's Polaris becomes Cozy's by Koehne

BY KAT HALFMAN  
ASSOCIATE EDITOR

MARINETTE - After a 41-year tenure, owner and founder Mike "Cozy" Costello is stepping back from Cozy's Polaris.

Chad Koehne, the new owner, first met Cozy when Koehne moved his Chevrolet GMC dealership next door to Cozy's Polaris.

"We got to know each other quite well after I moved the Chevy dealership out onto the highway in 2015," Koehne said. "We

started to stop over by each other to talk about business and ideas and so forth."

Koehne first spoke to Costello about buying the store in 2015, as he began planning for his retirement, but the plan wasn't set into motion until this year.

"Cozy would ask me, 'When are you going to take it over someday?' And I told him, 'When you're really, really ready, Cozy, then you come and talk to me.' And it was probably about in April that he came and said, 'Chad, I'm really

ready,'" Koehne said.

Costello, who is well-known for his community-focused approach, has retired in order to move north with his wife. However, Koehne says customers may still spot him at the store from time to time.

"He's told me that I can give him a call and he'll be here in a heartbeat to help me out, and he still wants to come on in and talk with his

## Peshtigo H. S. Volunteer Club plants the SEED

BY ANN MEYER  
CONTRIBUTING WRITER

PESHTIGO - Each Friday, about 60 students at Peshtigo Public Schools open their lockers or backpacks to find food donations to take home for the weekend.

Three student members of SEED - or Students Eat Every Day - are responsible for organizing the donated food items, such as mac and cheese, soup, oatmeal, granola bars, snacks and canned vegetables, and delivering the food to certain lockers discreetly.

The recipients are among the 38% of Peshtigo students who qualify for free or reduced breakfast and lunch at school. The students from low-income families received a notice at the start of the school year asking if they needed food for the weekend. "If there's a need, they're not going to go hungry," said Dan Vanidestine, vocational studies teacher and volunteer club coordinator.

Vanidestine shared he was homeless for a time, See **SEED**

## Oconto Falls High School to be recognized at manufacturing event

BY ANN MEYER  
CONTRIBUTING WRITER

OCONTO FALLS - When students start Oconto Falls High School, they might not know what occupation they'll pursue, but by the time they graduate many will have a career in mind and the skills to get a job.

The high school is situated in an area where manufacturers and other employers often have more job openings than applicants to fill them. At Trades Day, which the high school's Tech Ed department hosts each May, students from 10 other area schools also are invited to participate in hands-on activities and meet employers.

The annual event, which

draws about 600 students and representatives from 40 area employers, is likely the reason the Oconto Falls High School will be recognized with an award at the NEW Manufacturing Alliance's Oct. 29 Excellence in Manufacturing/K-12 Partnership Awards dinner.

"The award is validating all of the hard work we put into this department and the students to be successful when they leave here," said Matthew Beschta, Technology and Engineering Education teacher at Oconto Falls High School. "It shows the

## Shipyard Estates gets nod from Marinette officials

Annexation cements municipal water service for new housing

ANN MEYER  
CONTRIBUTING WRITER

MARINETTE - The City of Marinette has approved a zoning change and has annexed a portion of land from the Town of Peshtigo to make way for Shipyard Estate, a development of single-family homes

and apartments being constructed where the old Bay Area Hospital formerly was located, said Marinette Common Council Member Doug Oitzinger. "There are still more steps, but this was another part of the process."

Green Bay-based Tycore Built purchased the land for about \$900,000 and plans to build about 174 apartments and 22 single-family homes in separate areas of the development at Shore Drive and University Drive, said Wade Micooley, owner of

## Oconto Bellin worker spearheads NO GIRL WITHOUT. campaign

BY KAT HALFMAN  
ASSOCIATE EDITOR

OCONTO - Bellin Health Oconto Hospital Lab Assistant Cheryl Risner pioneered the NO GIRL WITHOUT. campaign three years ago to address period poverty, which refers to the lack of access to feminine hygiene products. Last year, NO GIRL WITHOUT. collected donated period and hygiene products for three counties, 18 schools and one pantry. Risner said she was surprised by all

hygiene products, not just those for periods.

"I understood there was going to be a need for feminine products," she said. "But when I heard that kids didn't have toothbrushes or combs, it was very heartbreaking."

This year, Risner, now the chairperson and ambassador of NO GIRL WITHOUT., aims to continue creating happier, healthier and more secure students.

"Feminine hygiene products are a need, not a want," Risner said.

NO GIRL WITHOUT. is accepting donations of sanitary pads and panty liners, tampons, feminine and body wash, deodorant, hygiene, flushable or baby wipes, reusable products like period panties and menstrual cups, as well as toothbrushes and toothpaste, combs and brushes, shampoo and men's deodorant.

Even though 51% of teens report they wear feminine products longer than suggested, which can lead to urogenital infections, dermatitis and

Toxic Shock Syndrome, a potentially life threatening illness, there are no state programs in Wisconsin offering feminine products.

Risner said many Wisconsinites assume programs like EBT and WIC cover feminine hygiene products, but that isn't true.

Risner initially learned about period poverty through social media, and she brought the idea of NO

# Peshtigo High School students express themselves through new art club

**FOR THE PESHTIGO TIMES**  
**PESHTIGO** – Students at Peshtigo High School have a new extracurricular activity; the Peshtigo High School Art Club. Once a month students meet up to pick the topic or theme and collectively create a monthly “zine,” a small-collaborative art magazine. A zine is a small circulation self-published collection of original artwork that is reproduced via copy machine. Each month students will pick a random theme and then meet for three hours. Each student makes one of the pages. Then each zine is

distributed throughout the school and community. The September theme was aesthetics and the October theme was cryptids. “The goal of our art club is to create a community of artists at Peshtigo and give students a place to express themselves,” teacher Andrea Rosenow said. “For me as a student, the art room was my sanctuary. I could express myself and do what I love without fear of judgment.” “The thing I most love about art is how I can use it to tell a story and communicate,” student Liah Furlong said. Student

Daphne Wellner shared a similar sentiment, “I love to express myself through a creative outlet. As our art club grows, I hope to create more forms of art in addition to the zines. I hope to help spread more art throughout our school.” “Doing something creative is so important for mental health.” Rosenow added. “To have a space where kids can be themselves and make something positive is very important to me.” Furlong said, “In all honesty it was really fun. In the future I would like to see more people join our art club.”

# Peshtigo School District receives \$15,000 grant for Mindful Room

**BY GRACELYN GIESE**  
**CONTRIBUTING WRITER**

**PESHTIGO** – The Peshtigo School District Board of Education held their most recent meeting on Wednesday, Oct. 9. After roll call and approval of the agenda, the board began discussing donations they have recently received. Provident Health Foundation made a donation of \$15,000 to benefit the proposed Mindful Room. Superintendent Patrick Rau explained that the Mindful Room will be a space with sensory activities open to general education and special education students that is “hopefully more effective than sitting in the office and trying to calm down.” Funding to finish furnishing the room will come from a Wisconsin Department of Public Instruction grant. Another donation was made from Provident

Health Foundation for \$3,000. Half of the funds will benefit the middle and high school De-Stress Fest and the other half will go towards the Peer Mentorship Program. The Parent Education Event received \$300 from the Bulldog Booster Club, \$250 from the Peshtigo Area Chamber of Commerce and \$250 from the Parent Teacher Student Organization. Rho Kappa received multiple donations for their Together for Tomorrow event. These donations were \$500 from David Doll, \$250 from Peshtigo Asphalt, \$500 from Peshtigo Area Chamber of Commerce and \$250 from Peshtigo Area Chamber of Commerce. In personnel news, the board approved the resignation of Matt LaCoursiere as the varsity head softball coach. Next, the board discussed the preliminary budget

for the 2024-25 school year. They began by reviewing enrollment numbers. This year 1,078 students were enrolled in the school district, which is slightly up from last year at 1,074. The total makeup is 918 resident students, 199 open enrollment students and 22 online students through Rural Virtual Academy. There were 39 students open enrolled out of Peshtigo. Director of Finance Sarah Swanson provided some insight into the preliminary budget. The total budget, combined from special and general education, is \$15,000,051. This amount comes from a few different sources, which is 68% state revenue, 4% federal revenue, 11% open enrollment and 16% property taxes. The Peshtigo School District works off of a balanced budget and has expenditures of \$15 million. 70% of the expenditures are

payment and insurance for faculty and the rest goes towards transportation services, custodial services, open enrollment out of the district and general supplies. Swanson shared that the finalized numbers will be shared at their Annual Budget Meeting on Monday, Oct. 28. Afterwards, the board passed the 2024-25 Crisis Plan as no major changes were made from the previous year. The Peshtigo School Board then discussed a video scoreboard and scorer’s table for the new gym. Superintendent Rau shared that they looked at bids from Daktronics and Nevco. They ultimately decided to go with Nevco as the preliminary quotes were lower. While the school district

# Notice of Peshtigo School District budget hearing

**FOR THE PESHTIGO TIMES**  
**PESHTIGO** – Notice is hereby given to the qualified electors of the Peshtigo School District that the budget hearing will be held at the Peshtigo Elementary Learning Center — Cafeteria, 341 N Emery Ave., Peshtigo, on Monday, Oct. 28, at 6 p.m. Detailed copies of the budget are available for inspection in the district’s office at 341 North Emery Ave., Peshtigo. ## Peshtigo Town Board discusses website changes

BY GRACELYN GIESE  
CONTRIBUTING WRITER

PESHTIGO - The Peshtigo Town Board held their budget workshop on Thursday, Oct. 10. After approving the agenda they moved into a discussion about self-publishing software.

The usage of self-publishing software will be incorporated into their website so that ordinances can be updated in real time. They discussed two options, enCodePlus and Civic Plus. Chairperson Jennifer Friday said, "enCodePlus is by far superior," and the board decided to go forward with that software.

The cost for enCodePlus is \$3,050 for a one time build in addition to a yearly \$2,000 licensing and maintenance fee. These prices are down from original quotes and are projected to raise no more than 3% after a five year period.

Afterwards, the board began discussions regarding employee compensation, namely at the Peshtigo Recycling

Center. Friday shared that there is a need at the center for someone to step into a more leadership-oriented role.

Approved raises will be effective Jan. 1.

Next, the board approved the 2025 fee schedule. Clerk Kayla Okins explained that no fees were increased — the only change was that the fees were officially listed out for ease of access.

The Peshtigo Town Board then began to discuss usages for the remaining fund balance from the American Rescue Plan Act. The balance's remaining amount was \$63,543.06 to be used.

While many different ideas were brought forward, the main discussion surrounded the need for a new fire truck. Ultimately, the board agreed to use funds towards a fire truck.

Final votes to approve these decisions will take place at the next meeting on Tuesday, Oct. 15, at the Peshtigo Town Hall, W2435 Old Peshtigo Rd.

**Peshtigo Lions Club completes its final 2024 Adopt-A-Highway clean-up**

Members of The Peshtigo Lions Club participated in their annual fall Adopt-a-Highway project in the evening of Oct. 7th. The Peshtigo Lions pick up trash four times a year and this was the final pick-up for 2024. This group picked up over eight large garbage bags of trash throughout four miles of roads in Peshtigo. From left to right: Lions Mark Neumann, Steve Peterich and Rhonda McClain. Second row, from left to right: Lions Jim Engman, Riki Rysewyk, Carl Gullicksen and Terry Gardon. Back row, from left to right: Lions Paul McClain, Tom Gryzwa, Dennis Rysewyk and Dale Edlbeck

## Methodist Youth Fellowship Fall Fest

FOR THE PESHTIGO TIMES

PESHTIGO - Methodist Youth Fellowship Fall Fest invites the community to Bergeson Farm, N3166 Jandt Rd., Peshtigo, on Oct. 19, from 2-4 p.m. for hayrides, a corn maze, bounce house and more.

Free to all community youth — adults may join in

at their own expense.

A free chili supper will be served for all afterwards at Harmony UMC, N3949 Cty Rd. DD, Peshtigo.

Pre-registration required by Oct. 11.

Call Jeanne at (920) 606-9957, Lucy at (715) 938-5600 or Debbie at (715) 927-4554 to register.

## Peshtigo Lions Club volunteers to help the new Peshtigo Libaray

FOR THE PESHTIGO TIMES

PESHTIGO - The Peshtigo Lions Club was recently asked to assist with picking up shelves from the previous UW-Marquette Library, which was located in Coleman. The Peshtigo

Library has undergone renovation and expansion so there was a need to pick-up and assemble the shelves for books.

The call went out and seven Lions Club members responded.

## Athelstane Town Board discusses Special Meeting of the Electors

BY KAT HALFMAN  
ASSOCIATE EDITOR

ATHELSTANE - The regular monthly meeting of the town board of the Town of Athelstane was called to order by Chairman Kelly Barnes on Tuesday, Oct. 8, at 7 p.m. in the town hall. Roll call of officers was taken. All officers were present.

Kelly Barnes verified the meeting notices were posted.

David Jose made a motion that all bills with checks numbered 19,985-20,034 be accepted and approved. Denis DeJardin seconded and all voted aye, carrying the motion.

### Communications

Chairman Barnes reminded everyone that the November meeting of the town board will immediately follow the Budget Hearing and the Special Meeting of the Electors. These meetings will begin at 6 p.m. on Nov. 12. At the Special Meeting of the Electors, a vote will be taken for or against a proposed tax levy which would exceed the allowable town tax levy for 2024 by 36.57% for a dollar increase of \$100,000. Based on last year's rate, it would increase the town portion of each individual's tax bill by approximately \$197 per \$100,000 of assessed value — if this proposal passes. This will be the only vote taken on this

issue. The Town Board encourages citizens to try to attend this meeting on Nov. 12.

### Public comment

There were no comments from the public.

The Fire Department report was given by Dan Johnson. They had two meetings, one training meeting, a medical call and an assist with Silver Cliff Rescue.

Dan Johnson gave the Planning Commission report. They did not meet.

The highway report was given by Kelly Barnes. Sand is being screened in the pit and will be mixed at 75% sand and 25% salt. Maintenance is being done on the excavator.

### New business

Marquette County Circuit Court Judge Peggy Miller gave a presentation. She is running for Circuit Court Judge in April of 2025. She went over her accomplishments and goals for the future.

Denis DeJardin made a motion to set a date for the Budget Workshop on Wednesday, Oct. 16, at 9 a.m. The motion was

seconded by David Jose. All voted aye and the motion carried.

David Jose made a motion to approve a donation to Marinette County Elderly Services to make needed improvements to the central kitchen in Crivitz in the amount of \$250. The motion was seconded by Denis DeJardin. All voted aye and the motion carried.

Denis Delardin made a motion to approve a donation to the Silver Cliff Auxiliary for the children's Christmas Party, which includes the children in Athelstane, in the amount of \$250. David Jose seconded the motion and all voted aye, carrying the motion.

Kelly Barnes made a motion to purchase a plaque to recognize the stonework done by Bill Jose and Sons. The motion was seconded by Denis DeJardin. All voted aye and the motion carried.

The Oct. 8 meeting adjourned at 7:17 p.m.

## Village of Coleman Trick or Treat hours

FOR THE PESHTIGO TIMES

COLEMAN - Village of Coleman Trick or Treat hours will be on Thursday, Oct. 31 from 4-6 p.m. Residents, please put your porch light on if you would like the ghosts and goblins coming to your door.

The Village of Coleman

is also having a Fall Scavenger Hunt for the children starting Oct. 18 and ending Oct. 27. Find items hidden throughout the village.

For more information please go to the Village of Coleman website or Facebook page.

## Wausaukee Town Board meets to discuss Budget Workshop, Hearing

BY KAT HALFMAN  
ASSOCIATE EDITOR

WAUSAUKEE - The Wausaukee Town Board met Tuesday, Oct. 8, at 7 p.m. All members were in attendance. Bob Wesolowski and Jack Pociask were also present.

The financial report stated the beginning on hand (BOH), as of Sept. 30, is \$4,051.85 in checking and \$570,162.45 in the MM General Account.

Supervisor Vicky Mueller made a motion to approve the financial report and it carried.

Chairman Jeff Engelman reported road construction is nearing the end. Some shouldering will be finished this month and final paperwork has been submitted for the Local Roads Improvement

Program (LRIP) Grant.

Treasurer Hope Wesolowski reported the personal property tax of a property owner in the Town of Wausaukee has not been paid for a period of time. Options for the Town include small claims court or write off. Supervisor Brandon Taylor made a motion to write off and the motion carried.

Mueller made a motion to schedule the Budget Workshop on Thursday, Oct. 24, at 6 p.m. The motion carried.

Supervisor Brandon Taylor made a motion to set the Budget Hearing for Tuesday, Nov. 12, at 6:30 p.m., followed by the regular meeting at 7 p.m. The motion carried.

The meeting adjourned at 7:29 p.m.

## Crivitz hosts Lions Award Banquet

**FOR THE PESHTIGO TIMES**  
CRIVITZ – Wausaukee and Crivitz held their Lions Award banquet at Renne's on Tuesday, Oct. 8. Social hour was at 6 p.m. and dinner was at 7 p.m.

Crivitz was the host for the evening. District Governor Mae Enz handed out a few awards. Wausaukee Lion members receiving awards were Lion Diane Maule:

Appreciation Award, President Gary Johnston: Lion of the Year and Linda Koester: Community Service Award for all her work behind the scenes.

## Crivitz joins Near North Municipal Court in Town of Stephenson

**BY ANN MEYER**  
CONTRIBUTING WRITER

CRIVITZ – Village of Crivitz residents wishing to contest citations for ordinance and traffic violations should head to the Town of Stephenson instead of Coleman for municipal court.

Crivitz trustees agreed to switch to the Near North Municipal Court in Stephenson from the Northeast Wisconsin Joint Municipal Court, effective Oct. 1.

"We've been trying to do more services with the Town of Stephenson since we are surrounded by Stephenson, and this was a good time to make the move," said Kaitlin Deschane, clerk and treasurer at the Village of Crivitz, which approved the change at its last board meeting.

"The board didn't want to sign a two-year contract without an out clause with the Village of Coleman," Deschane said.

Crivitz residents receiving citations for ordinance violations or speeding tickets will be directed to the Near North Municipal Court at the Town of Stephenson's Town Hall, W9472 County Rd. X, if they want a hearing. More serious matters will continue to be heard at Circuit Court in Marinette, Deschane said.

Mike Kudick, board

chair of the Town of Stephenson Town Board, said he was glad to have another municipality sharing the cost of the Near North Municipal Court. "I think it's great for all communities. It helps with the costs for all the communities involved," he said. The other municipalities using the Near North Municipal Court are the Town of Silver Cliff, Town of Lake and Town of Wausaukee.

Fees collected by the court are remitted to the municipality where the violation occurred, he said.

Most of the citations heard in the municipal court are for ordinance violations related to housing and yards, such as noise violations, he said, though Crivitz might have more traffic violations. Judge Catherine Stichmann serves the Near North Municipal Court. Kudick said it's an elected position.

Crivitz operated its own municipal court until the judge serving in Crivitz passed away about five years ago, Deschane said. That's when the village joined the Northeast Wisconsin Joint Municipal Court in Coleman.

A court clerk in Coleman said she wasn't aware of the change, but confirmed Coleman hadn't received an

agreement from the Village of Crivitz for court services. The Wisconsin Joint Municipal Court serves Coleman, Beaver and the Town of Pound and Village of Pound.

## Fatal crash in Stephenson

**FOR THE PESHTIGO TIMES**  
STEPHENSON – Marinette County Sheriff Randy Miller reported that at 11:13 a.m. on Sunday, Oct. 13, Marinette County Dispatch received a call of a two-vehicle crash on Parkway Rd. near Johnson Falls Rd. in the Town of Stephenson.

The investigation indicates that a vehicle operated by Kent J. Klempke, age 58, of Crivitz was traveling north on Parkway Rd. and traveled left of center just north of Johnson Falls Rd., where he collided head on with an RV motor home traveling

south, driven by Brialeigh R. Hendricks, age 31, of Pound. Klempke, who was not wearing a seatbelt, sustained fatal injuries in the crash. Hendricks was transported for further medical treatment as were passengers from both vehicles.

Speed and failure to maintain control appear to have been factors in the crash that remains under investigation by the

Marinette County Sheriff's Office, Wisconsin State Patrol and the Marinette County Medical Examiner's Office. Also assisting Marinette County deputies at the scene were members of the Wisconsin State Patrol, Town of Stephenson Fire Department, Twin Bridge Rescue, Crivitz Rescue, Brazeau Rescue and Aurora Bay Area paramedics.

Please send us a text or give us a call to make arrangements for drop-off of these items.

**Monetary donations are welcomed and appreciated. 5 pts per every dollar donated to the Pantry.**

- Any Frozen food products like meats, pizzas, and heat and eat meals.
- Anyone can drop off food items, if you're not the team dropping them off make sure to let us know what business team to give the points.

## | OBITUARIES |

### Erica Noble

Erica J. Noble, 46, of Crivitz, passed away on Sunday, October 6, 2024.

Visitation will be held at Thielen Funeral Home Monday, October 14th from 3-6pm.

### Darlene Wysocki

Darlene Wysocki 75 of Middle Inlet/Wausaukee was called home to God to join her husband, Rick in heaven. Darlene passed away Sept 4, at her home near Lake Noquebay.

She will be missed by her many friends and neighbors from the lake and church.

A memorial mass will be held Tuesday, October at 11:00 am at St Mary Catholic Church in Crivitz. Fr Dave Schmidt will officiate. A celebration of life will follow the mass in the church hall.

She may be gone but will never be forgotten. May she rest in peace.

### Daniel Olson

In loving memory of Daniel "Bubba" Olson, who departed this life courageously on October 11th after a valiant battle with cancer. Born on March 20th, 1965, he leaves behind a legacy of profound impact and unwavering dedication.

A graduate of Menominee High School, Dan's passion for mentorship shone

brightly as he coached the Hornets 7th grade football team for numerous years. Additionally, he poured his heart into guiding his three daughters in youth softball, instilling in them the virtues of teamwork and perseverance.

Dan's commitment to service extended beyond the field, as he proudly served in the esteemed ranks of the US Army. With valor and honor, he contributed his talents to the 534th Military Police Company in Panama and the 170th MP Co. at Ft. Lewis, WA and was awarded for his achievements during Operation "Just Cause."

He is survived by his cherished daughters Nicole (Danny) Cazares, Kennedy Olson, and Kamryn Olson, whose lives he enriched immeasurably. Also left to cherish his memory are his beloved mother Shirley, brother Morgan (Kris), sister Mary Olson, sister-in-laws RoseAnn and Karen Olson, and nephews Christopher, Tony, and Dillon Olson. Nicole's mother, Kelly Johnson, and Kamryn and Kennedy's mother, Michelle, remain to honor his memory. He is also survived by special pets Lucas, Justice, River, Jepson, and Asher.

Dan is preceded in death by his beloved father, Obrey, and his two brothers John and Mark.

In honoring Dan's remarkable life, a celebration of life will be announced at a later date to celebrate his enduring spirit and profound impact. Following the service, he will be laid to rest at Riverside Cemetery, with Military Honors, surrounded by the love and memories of those whose lives he touched deeply.

Special thanks to Unity Hospice and the nursing staff at Bellin especially Megan Schroeder and Erin Olson for the excellent care.

The Cadieu Funeral Home is assisting the family with arrangements.

## Mike "Billy" Polzin Oct. 19, 2019

It's hard to believe it's been 5 years since we said goodbye but as we walk along life's path your there by our side.

It may be a funny story or sitting having a beer. You are so far away and yet still seem so near.

Our world has been turned upside down since you went away but we find comfort knowing we'll be together again some day.

*We love and miss you so very much.*

Dave, Jeff & Cathy, Amy,  
Your Nieces & Nephews

## NO GIRL from page 1

GIRL WITHOUT. to Bellin Health Oconto Hospital's Engagement Committee, which is always seeking new ways to engage with the community.

"Vice President Julie Bieber was super excited about my idea," Risner said. "She came to me and said, 'We've got to do this.' And I said, 'Yeah, I can put some collection bins out here in the hospital.' She told me, 'No, we need to do this in all of the north.'"

"It was late September when we decided to get this campaign going, and Bieber's assistant noticed Oct. 14 is Period Action Day, so that first year we put it together in two weeks," Risner said.

Thanks to volunteers at Bellin Health Oconto Hospital, Risner was able to pull off NO GIRL WITHOUT's first campaign and start planning the next.

"We've been pretty steadfast at about 35 volunteers in the north," Risner said. "We started with three counties and now we're at six."

Risner said her team is always open to new volunteers who may be able to place bins in the community and transport them once full.

"We're still figuring out the logistics for Iron Mountain and other communities in Northeast Wisconsin — we just haven't figured out how to tie them in yet."

Despite the NO GIRL WITHOUT. campaign exploding faster than Risner was prepared for, she and her team are still working hard to include as much of the community as possible, with a presence in 28 schools this year.

"I encourage anybody who doesn't have NO GIRL WITHOUT. in their area to check with their

schools and see if they'd be interested in a free pantry situation," Risner said.

The team of NO GIRL WITHOUT. places donation bins across multiple counties, which schools, businesses and clinics can sign up to host.

"NO GIRL WITHOUT. operates thanks to a courier system where volunteers put containers out in our community and bring them to the Bellin Bond Center once full," Risner said. "We sort, count and divide supplies and then the boxes go back out."

All the couriers and other team members are volunteers who donate hours of their time and countless miles to bring supplies to and from locations that need them.

"They put a lot of time and energy in, but especially in healthcare, issues like period poverty really tug at your heartstrings," Risner said.

When Risner first pioneered this campaign, she said community members came forward with their own stories of period poverty.

"One lady told me, 'When I was a kid, I used rags. I wish there had been a program like this,'" Risner said.

While some may insist period poverty is a relic of the past, an estimated two-thirds of women in the U.S. will choose between buying food or menstrual products this year.

"It's time to normalize talking about periods," Risner said.

After donation bins are filled, couriers pick them up and transport them to a sorting site.

"We group our supplies by type and count, which means hair products are separate from something like tampons, but tampons are sorted by the amount per package," Risner said. "For example, a package of 96 pads would go into a bin with 85-100 count pads."

When it comes to distribution, there is no preference given to certain schools or brands, and no school will be dispensed less based on their community's ability or willingness to contribute.

place where students can contact the nurse, who will privately get them packages to take home."

Donations of hygiene products are accepted at 120 different locations across

A donation box from last year's campaign.

Submitted photo

"The larger schools get more because of their populace, but our rural schools are all roughly the same size. We start with the largest box of pads and walk down the line, putting one package into each school's box until we run out," Risner said.

Donated products can vary from salon quality to dollar store, but the priority of NO GIRL WITHOUT. is to supply everyone equally, regardless of brand.

"Each school has their own method of giving out those products. Sometimes it's an open closet situation and sometimes it's left in the restrooms. Some schools, like Peshtigo,

Marinette, Menominee, Oconto and Forest Counties in Wis. and Menominee County, Mich. for the 2024 campaign.

"We've had anonymous cash donations from some local businesses, and Good Shepherd Church recently decided to give us some of the proceeds for their up-and-coming booyah sale," Risner said.

Cash donations from the public are always welcome, and can be made by scanning the QR code on NO GIRL WITHOUT's poster.

For more information or to host a bin or volunteer, email [nogirlwithout@bellin.org](mailto:nogirlwithout@bellin.org).

## NEW Band celebrates 30th season

FOR THE PESHTIGO TIMES

MARINETTE — On Sunday, Oct. 27, the Northeastern Wisconsin Concert Band, under the direction of Mr. Glen Reinke and Mr. Bob Berndt, will be celebrating the start of their 30th season in the W.J. Jones Auditorium at Marinette High School. The public is invited to the celebration.

Beginning in the autumn of 1993, a group of local musicians performed their first concert. Under the direction of retired Marinette band director Paul Luhning and his friend and colleague David Pelow, they began a musical tradition which still carries on today. This adults-only organization has been open to anyone willing to work hard and share their love of music.

Since its beginning, the band has grown in size to 70 members from six surrounding counties in two states. They include welders, medical professionals, foresters, clergy, engineers, teachers and retired folk from every walk of life. The common thread is their love of music and desire to spread

the word that school music programs are not only essential for learning and development, but give young people a gift that carries throughout the rest of their lives.

Throughout the years, the band has performed in Lena, Peshtigo, Oconto Falls and other surrounding venues. This fall they were privileged to be a part of the dedication of the Bob Berndt theater in Crivitz.

With only six rehearsals which take place at Coleman High School, the band performs a concert in Marinette. They have played selections from classical to Broadway, hymns to rock, and all things in between. They have also sung, whistled, "played" a chainsaw and included alpine horns.

Join them on Sunday, Oct. 27 at the W.J. Jones Auditorium at Marinette High School. The concert begins at 3:30 p.m. Doors open at 3 p.m.

In celebration of the band's 30th season, and as a thank-you for the community's past patronage, they are offering free admission for all (donations accepted).

## Missing person Norman Hoefert located safe and alive

FOR THE PESHTIGO TIMES

MARINETTE — Marinette County Sheriff Randy Miller reports that on Friday, Oct. 11, at approximately 1:24 p.m., an article of interest was located in a heavily wooded area in the Town of Lake, approximately one mile from the last known location of missing person Norman Hoefert. Officers were directed to this area by search members, where it was confirmed

to be a clothing item from the missing person, Mr. Hoefert.

Once in the area, officers performed a perimeter check of the area and located several other items and eventually came across Mr. Hoefert, who was lying on the ground, alive and able to speak to officers. Mr. Hoefert was transported out of the wooded area and to a waiting rescue squad to receive medical treatment.

**EVENT**  
from page 1

strong connection between us and the community and the industries we have connections with," he added.

Workers from companies like Custom Metal Specialists in Oconto Falls and Unlimited Services in Oconto will rub elbows with those from giant Fincantieri Marinette Marine at the high school's Trades Day, which generally pulls more interest from employers than there is space for, Beschta said. The employers participate with hopes of influencing the students' career choices.

"One out of four people in our region work in manufacturing. It's the lifeblood of this region's economy," said Ann Franz, executive director of the organization she helped to start 18 years ago. Yet many companies can't find the talent they need, she said.

"They are starving for talent," Beschta said.

To develop a pipeline of talent, Franz works with Northeast Wisconsin Technical College (NWTC) and area employers to educate students and others about manufacturing.

CEOs at manufacturing companies have told Franz, "I have a lot of great jobs, but nobody wants them," she said, explaining the nonprofit exists to help to change the image of manufacturing jobs. "We're helping kids realize manufacturing isn't dirty and dingy," Franz said.

The organization declares October a Manufacturing Month in northeast Wisconsin. At the awards dinner, Franz said, "We will be recognizing Oconto Falls High School in the Brighter Image category," she said.

A second event is scheduled for Oct. 30, where manufacturers and other employers will be on hand to talk to students about careers in the trades and provide hands-on activities to engage them.

At Oconto Falls High School's own Trades Day, held the first Thursday in May, students participate in activities like concrete pouring and brick laying outside the school. To demonstrate electrical work, the City of Oconto Falls' linemen will be on hand, Beschta said. Welding companies bring their employees and let students try their hands at welding. Last year, L&N Metal Works in Gillett brought a laser welder last year for the students to try the precision equipment.

"Our goal for that day is for students to figure out what is a career I might never do, a career I might do and a career I can see myself doing," he said. Even students who don't pursue jobs in the trades can benefit from high school trade courses. "Everyone is going to be a homeowner. How much does it cost to have a repairman to your house?" Beschta said.

For Oconto Falls students, the Trades Day also is an opportunity to meet students at neighboring schools and observe what they've learned. "It lets them see the competition at other schools. They get to learn and talk to other students about their programs," he said. In the work world, "the opportunities are there for

everybody."

About 55 Oconto Falls High School students are earning college credit for technical courses they're taking as part of a dual enrollment program with Northeast Wisconsin Technical College, Beschta said. Students earn credit if they pass the course with a C grade or higher, he said.

High school classes in computer-aided design help to prepare students for computer programming for vertical milling machines, precision tools for metal fabrication, said John Bursa, Tech Ed instructor of computer-aided design classes. Automotive classes provide the skills for jobs as ATV And UTV technicians, two areas in demand in Wisconsin.

"We use that Trades Day to connect with the companies and find out what should we be doing," Bursa said, "so we're not just teaching a curriculum we think we should be taught but one that also serves the needs around us."

Vandervest Harley Davidson is a partner because it needs people trained as automotive technicians.

About 25 percent of students enrolled in trades classes are female, though the numbers are higher in the health care pathway. But many times, students end up in a different pathway from where they started. "We have a female student who took a bunch of medical classes and also took trades and welding, and she's having a difficult time trying to determine which she wants to go into," Beschta said.

Besides the Trades Day, Oconto Falls High School participates in Skills USA

contests in Madison in April to keep the students motivated to improve their skills. "The students who want to compete, they go above and beyond with different instructors. We pair them with industry where they can learn the different trades as well. We help them develop so they're ready to compete in the spring," Beschta said.

A national competition is held in June. "It allows the students to put on display the skills they've learned," he said. Their goal, besides the prizes, is to get noticed by major employers who attend the Skills USA events to scout for employees.

Oconto Falls School Board Treasurer and parent Ginny O'Harrow said she toured the high school's Tech Ed facilities with Leadership Oconto County before she joined the school board "I can also attest to how great the programs are, and what an amazing job our instructors do, because as a parent in the district I've had the pleasure of having my own students enrolled in the tech classes," she said.

"These programs are really shaping our students for life after high school," O'Harrow said. "I'm proud to have students in this district and in the

technology education program, and I'm proud that we can offer such high level classes to all our students."

The NEW Manufacturing Alliance strives to introduce manufacturing to students, facilitate partnerships between area schools and manufacturing companies and recognize excellence, Franz said. The organization has given over half a million dollars in scholarships and works with the technical college system on grants for leadership training, Franz said. It has designated the entire month of October to draw awareness to manufacturing. "What's kind of cool is as a country, we designate one day as Manufacturing Day. In the state of Wisconsin, it's an entire month because we realize how important manufacturing is," Franz said.

Tickets for the awards dinner are \$65 and can be purchased online. The 14th annual Manufacturing First Expo & Conference is scheduled to be held Wednesday, Oct. 30 at Resch Expo in Green Bay with over 200 exhibitors and a keynote address on ways to develop a winning culture. The cost is \$165. More information is available at ManufacturingFirst.com.

**Pound Women's Club meets**

FOR THE PESHTIGO TIMES

POUND - The Pound Women's Club met on Tuesday, Oct. 8, at Nancy Rosner's. A potluck lunch was served. Olivia Cherry spoke on Marinette County Elderly Services.

The next meeting will be at Jeanne Lesperance's on Nov. 12. Rita Dohl will speak about the children's book she wrote and the process of publication.

New members are always welcome. Contact Barb Martens at (906) 290-3032.

**Country Gospel Jam**

FOR THE PESHTIGO TIMES

CRIVITZ - The community is invited to attend the Country Gospel Jam this Friday, Oct. 18, from 7-9 p.m., for a night filled with good old, and new, gospel music. Help the town welcome many local musicians and singers.

The Country Gospel Jam will be held at the Town of Stephenson town hall, located at W11280

County Rd. X, in Crivitz. The evening will be filled with music, faith, fun, friends, and food. Bring an instrument to play, a song to sing or just join for some good gospel music and fellowship. The public is invited and encouraged to attend. No charge. Refreshments are provided.

For more information, please feel free to call Don Olson at (715) 923-4851.

**Ninth annual Viking Dave's Frosty Toy Run**

FOR THE PESHTIGO TIMES

MARINETTE - The ninth annual Viking Dave's Frosty Toy Run will be held at Corky's, 50 W Hosmer St., on Saturday, Oct. 19. All bikes and vehicles are welcome.

Pre-register at www.TripleCRiders.com or register in person from 9-10:30 a.m. the morning

of the event at Corky's. All proceeds go to Triple C Riders Annual Toy Drive which benefits children at local hospitals.

Dress in costume for a chance to win a prize.

For more information or to donate, visit www.TripleCRiders.com or call Jeff Miller at (715) 923-2355.

**Loomis Historical Society hosts Thanksgiving Potluck Dinner**

FOR THE PESHTIGO TIMES

PORTERFIELD - The Loomis Historical Society will have its Thanksgiving Potluck Dinner on Thursday, Nov. 7, at noon at the Town of Lake Hall.

All those attending are asked to bring a dish to pass and their own tableware. Beverages will be provided. A business meeting

will follow the dinner. A program on Ukrainian Egg decorating will be presented by Ed Brandt, a resident of the Town of Lake.

New members and visitors are always welcome.

For more information, call Harold or Pat Kaufman at (715) 854-2997.

# Vegas night fundraiser to benefit CTC

**FOR THE PESHTIGO TIMES**  
**MENOMINEE** – Communities that Care (CTC) of Marinette and Menominee Counties will be hosting its 2nd annual Vegas Night fundraiser on Friday, Nov. 1, at Pullman House (Whistle Stop) in Menominee. Vegas Night is a fun and interactive event for adults 21 and older. Doors open at 6:30 p.m. and activities to be held from 7-9:30 p.m.

Attendees will experience Vegas-style excitement without the real-life risk. A professional outside company will run tables with attendees earning chances to win a variety of prizes. There will also be a variety of additional large-ticket raffle items at the event (Must be present to win).

Tickets are \$30 each if purchased by Oct. 21. The fee includes appetizers, desserts, a stack of funny money (no cash value) and bottomless mocktail punch and soda. A cash bar will be

open.

Guests are encouraged to dress in their best Vegas attire.

To purchase tickets, please visit <https://CTCVEGASNIGHT2024.eventbrite.com>. From Oct. 22-Nov. 1 (or until sold out/sales limited due to venue capacity), tickets will be \$35 per person. Tickets must be purchased in advance and will not be available for purchase at the door.

Attendees are welcome to donate (cash only please) at the event for additional play. Only those 21+ are allowed to purchase tickets and attend the event.

More information can be found at the Eventbrite ticket page, our website [www.ctcmarinettemenominee.org](http://www.ctcmarinettemenominee.org) or the CTC Facebook page. All funds raised will go back to CTC to build a sustainability fund for future prevention activities to target youth substance use risk and protective factors in our community after federal grant expiration.

Coleman/Pound Lion Dave Pellman presents a check for \$500 to Trish Zeidler for the 12th annual Coleman "Tackle Breast Cancer" game. Submitted photo

## Coleman/Pound Lions donate to tackle breast cancer

**FOR THE PESHTIGO TIMES**  
**COLEMAN/POUND** – Coleman/Pound Lion Dave Pellman presented a check for \$500 to Trish Zeidler for the 12th annual "Tackle Breast Cancer" game between the Crivitz Wolverines and Coleman

Cougars this Friday, Oct. 18. In the past 11 years, \$205,000 has been raised for 41 local ladies battling breast cancer.

Presentation of the 2024 recipients will be before the big game. There will be bucket raffles before

the game, starting at 4 p.m.

In other business, the "Salute to Veterans" meals is scheduled for Friday, Nov. 8. This year 12 Coleman/Pound Area restaurants will be serving US Military

Veterans and a guest.

A \$15.00 voucher will be provided for each attendee to offset the total food bill.

See posters around the area for a list of the participating restaurants and for more information.

## SEED from page 1

and he still remembers what it was like. "I was in that situation and never want to see anyone in that situation," he said. He started the Volunteer Club about 15 years ago. "God put it in my heart,"

Vanidestine said. SEED grew out of the Volunteer Club.

"I realized a lot of kids are eating 10 meals a week at our school, so what are they doing over the weekend? We have to give them something for over the weekend to bridge that gap," he said.

Local churches collect

donations for SEED along with groups like the Lions Club, which raises funds through a Fire Tower 5K run every year. The program also has received a grant from Provident Health Foundation to include fresh produce in our bags, Vanidestine said. "This year, another Provident grant provided a hydroponics growing station to help supplement healthy options in our food bags," he said.

Lilliana Berman, 17 and a senior at Peshtigo Middle-High School, said volunteering with SEED is helping her achieve a goal of 100 volunteer hours this year, the amount needed for the Presidential Scholar award. She became involved with SEED after helping out at a Peshtigo food pantry. "This is a way I could get more involved with my

school and help out people directly in my school," she said.

From SEED, Berman said she's learning "there are people everywhere that need help, whether or not you expect it."

Berman is also a class officer, a member of Future Business Leaders of America, a national honor society and a social studies honor society, she said. She's been involved with the Volunteer Club for four years. "There is quite a bit I like about it," Berman said. "For the most part, I just enjoy helping people and being able to make a difference for people in their lives in the way that we can."

She spends at least one class hour per week putting together food in bags and another class hour distributing in lockers. "Every Friday,

I'll go and pass them out to the list of lockers," Berman said. Some bags are packed in doubles with food for more than one student. SEED households with one student receive a grain, soup, canned fruit or vegetable, and a couple of granola bars, fruit snacks, bagel chips or Rice Krispie Treats.

The Volunteer Club, which is 100 students strong, also runs "The Locker," a small store where students can pick up free hygiene items, school supplies and backpacks, Vanidestine said. Outside The Locker is a dropbox where students in need can request free food for the weekend. They drop a slip in the box with their locker number, but without their name.

Student volunteers involved with SEED give up their study

halls to organize, pack and distribute the food, Vanidestine said. "They come to my room every day. They know the routine," he added. Students also organize food drives for SEED.

Occasionally, the club shops for certain items at Aldi when the stock of donations runs thin, Vanidestine said. Just before winter and spring breaks, the students in need receive a \$20 gift card to Lofaro's Fresh Market in Peshtigo, he said.

"There's not a budget. It's what we get," Vanidestine said, but SEED generally seems to have enough donations coming in to provide for the students in need. "We have a little bit of money in our account. It just seems like it never runs out," he said. "This community is so good to us."

**SCHOOL DISTRICT OF COLEMAN**  
 Villages of Coleman and Pound, Towns of Beaver, Pound, and Grover, Marinette County, Towns of Brazeau and Bagley, Oconto County.

**NOTICE OF ANNUAL DISTRICT MEETING/BUDGET HEARING**

Notice is hereby given to the qualified electors of the School District of Coleman, Coleman, Wisconsin, that the Annual Meeting/Budget Hearing of said School District for the transaction of business will be held in the Board Room on Monday, October 21, 2024, at 6:00 p.m. in the evening. Copies of the proposed budget may be procured for inspection eight (8) days prior to the said meeting from the Administrative Office of the Coleman Schools. It is anticipated that more than one-half of the school board members will attend the Annual Meeting. This notice of anticipated board member attendance is given in order to comply with the open meeting law. A quorum of the school board may be in attendance.

**COZZY'S**  
 from page 1

Cozzy's Polaris is in the top 5% of Polaris dealers nationwide, and Koehne said he is eager to maintain that reputation — especially because Cozzy's name is still a part of the business.

"I don't see any reason why to make many changes at all," Koehne said. "His people are wonderful. He's got a great atmosphere inside the store. So at this point in time, I really don't see major changes happening to the store."

For Koehne, dealing motor vehicles is a family affair.

"I bought my first dealership in Oconto with my mother," Koehne said. "Two years later, I bought a store with my brother in Marinette, which was the old Gustman's dealership. In 2015 we built the dealership next to Cozzy's, and I bought my brother out in 2020."

Costello's emphasis on community was part of what made his store so popular, and Koehne wants to continue that tradition.

"I need to follow in his footsteps when it comes to community service," Koehne said. "He did a great job leading and creating an atmosphere for that community, and I want to continue on. I want to take his lead and keep on moving forward."

Koehne will carry over some of the traditions from his Chevrolet GMC dealership, like his passion for Christmas charities.

"We do Shop with a Cop every single year as a GM store for Christmas," Koehne said. "We also donate at the Rainbow

House to all the families to make sure that they have a Christmas and a Christmas dinner, because I believe that everybody needs to be happy on Christmas Day."

Although Koehne already owns a vehicle dealership, he said he isn't concerned about taking on another.

"It's a pretty easy transition to be able to manage them both because Cozzy's main guy Chum, I made him the general manager of the Polaris store, and he's very familiar with the community and the products," Koehne said.

In fact, Koehne hopes to continue to expand his presence in motor vehicle stores.

"I think that you have to always be looking to expand yourself. You can't just stay neutral in today's environment. You always have to continue to look for growth," Koehne said.

Even as he looks to continue to further his business growth, Koehne said he still values face-to-face interactions with customers.

"Anytime I'm around inside the dealerships, I try to spend most of my time on the showroom floors so that I can introduce myself. Sales people introduce me to their guests. I think it's extremely important that they know who I am and I get to know them all," Koehne said.

When asked what he might say to long-time Cozzy's customers who are concerned about the change, Koehne said, "Just come on in and meet us. Come on in and meet the team, meet me. You'll like what you see. Nobody can be Cozzy other than Cozzy, right? We can still be friends on a different level." He added, "We still have Cozzy's employees and they're all the same community-minded people with anchors here in Marinette."

# Red Cross: Blood donors needed to help restock after storm

FOR THE PESHTIGO TIMES

**N O R T H E A S T WISCONSIN** - The American Red Cross continues to work to restock critically needed blood products uncollected due to the ongoing impact of Hurricane Helene's devastation in the Southeast.

Donors outside of affected areas are encouraged to make an appointment to give now and help keep the blood supply stable in the weeks to come.

Since making landfall, the storm and its aftermath have

led to the cancellation of more than 100 blood drives, causing thousands of blood and platelet donations to go uncollected. For so many people living with urgent medical care needs, blood transfusions are essential, and donations in the Southeast are key to keeping our nationwide network stocked.

The Red Cross operates through a national inventory with the ability to move blood wherever and whenever it is needed most.

The time to give blood or platelets is now. Bring hope to those in need by visiting [RedCrossBlood.org](http://RedCrossBlood.org), calling 1-800-RED CROSS or by using the Red Cross Blood Donor App. As the Red Cross continues to urge people to give blood or platelets now, our teams are also on the ground providing vital relief — like food, water, shelter and support — in communities devastated by Hurricane Helene.

If anyone is able to help those impacted by disasters big and small across the

country, like Helene, please consider making a donation of any amount.

## Upcoming blood donation opportunities Oct. 8-31:

**Marinette County Crivitz**  
10/31: 9 a.m.-2 p.m., Crivitz High School, 400 S Ave.

## MINDFUL from page 3

will be paying for the new LED scoreboard, they are working with the booster club on fundraisers to earn back the money. They also shared ideas regarding selling display ads as well as offering a class or extracurricular for students to help with the display board and learn about digital marketing.

During his report School Board President Gary Larsen shared the most recent senior breakfast went well, with 20 community members attending. Larsen added that the next one will take place on Wednesday, Dec. 4, with a Christmas theme and musical performances from students.

The Peshigo School Board will hold their Annual Budget Meeting on Monday, Oct. 28, and their next regular Board Meeting on Wednesday, Nov. 14.

## Pioneer Presbyterian Church taking orders for peanut sale

FOR THE PESHTIGO TIMES

**MARINETTE** - Pioneer Presbyterian Church in Marinette is once again making one-pound bags of jumbo peanuts. This has been a tradition for 95 years.

Available for \$9 per pound, they may be frozen for later enjoyment.

Please order early as schedules fill up fast — the church is taking orders now. Call the church office at (715) 735-3025 on Monday-Thursday mornings to order.

Peanuts will be prepared on Sept. 23, Oct. 7, 14 and 28, Nov. 4, 18 and 25, and Dec. 9 and 16.

## SHIPYARD from page 1

Tycore Built.

The Marinette Common Council approved an ordinance allowing the annexation into Oitzinger's Ward 3 at an Oct. 1 special meeting. Oitzinger said most of the development falls within Marinette city limits. The part being annexed was described as part of government lots two and three, Section 17, in the Town of Peshigo. The development is behind the UW Green Bay-Marquette's campus.

With the annexation, the new development will pay City of Marinette property taxes and receive municipal water and sewerage services, which Micooley said was important to the project. The development at 3100 and 3132 Shore Dr. falls within the Marinette School District.

The annexation involved a right of way, Oitzinger said. Much of it was only about five feet in width, according to a description contained in Marinette Common Council board documents. With the approved ordinance modifying the zoning, the property now is zoned R-1 and RM-2.

"The zoning is good now. They're able to move forward," Oitzinger said. "There are things they have to do yet. Single-family lots have yet to be surveyed and approved by the Planning Commission."

As soon as roads are constructed at Shipyard Estates, Tycore Built will begin construction on the first five homes, Oitzinger said.

To begin the road

construction, the city had to approve the annexation. "Technically we couldn't be ripping up the road to accommodate this housing development" until the annexation was approved, he said.

The annexation was separate from the zoning approval. "It's a separate tangential thing because we discovered University Dr. between Shore Dr., as it comes around the university and hooks up to Bay Shore

St., had never been annexed into the city. We thought it was a city street and it wasn't. That will get rebuilt," Oitzinger said.

Before the new road is put in, the city will run city municipal sewer, water and storm lines to the development.

The Shipyard Estates homes and apartments that will be built on the property are sorely needed in Marinette, according to a housing study indicating

## Savvy Senior

YOU ASK THE SENIOR QUESTION - WE FIND THE SAVVY ANSWER. SYNDICATED COLUMN

## How SSI Benefits Can Help Struggling Seniors and the Disabled

### Dear Savvy Senior,

What can you tell me about the SSI program and what are the eligibility requirements for seniors? I'm trying to help my elderly aunt who is very low-income. Searching Niece

she gets from other sources like unemployment, Social Security retirement or gifts from friends and also free shelter.

And her assets must also be less than \$2,000 or \$3,000 for couples. This includes cash, bank accounts, other personal property and anything else that could potentially be converted to cash. Her home, household goods and one vehicle, along with life insurance policies and burial funds valued under \$1,500 do not count towards countable assets.

In 2024, the maximum SSI payment is \$943 a month for an individual or \$1,415 a month for a couple. But, if eligible, the amount your aunt would receive may be lower based on her income, living situation and some other factors.

To help you determine if your aunt is eligible for SSI, help her take the Social Security Administration's benefits screening test at [SSAbest.benefits.gov](http://SSAbest.benefits.gov). This online questionnaire takes approximately five minutes to complete and screens for a variety of benefits, not just SSI.

You should also know that most states — except Arizona, Arkansas, Mississippi, North Dakota, Tennessee and West Virginia — supplement the federal SSI payment with payments of their own. In some of the

states that pay a supplement, your aunt may qualify for the state payment even if she doesn't meet the federal SSI eligibility criteria.

### How to apply

If you think that your aunt is eligible for SSI, she (or you) can begin the application process and complete a large part of it online at [SSA.gov/apply/ssi](http://SSA.gov/apply/ssi). If she's disabled, she can apply for both SSI and Social Security Disability at [SSA.gov/disability](http://SSA.gov/disability). Or, if she can't apply online, call (800) 772-1213 and set up an appointment with her local Social Security office.

To help make the application process go quickly and smoothly, your aunt will need her Social Security number; birth certificate or other proof of age; information about the home where she lives, such as her mortgage or lease and the landlord's name; payroll slips, bank books, insurance policies, burial fund records and other information about her income and the things she owns; her proof of U.S. citizenship or eligible noncitizen status and if she is applying for SSI because she is disabled or blind, the names, addresses and telephone numbers of doctors, hospitals and clinics that have information related to her condition.

For more information visit [SSA.gov/ssi](http://SSA.gov/ssi) or see Social Security's online SSI publication at [SSA.gov/pubs/EN-05-11000.pdf](http://SSA.gov/pubs/EN-05-11000.pdf).

### Other assistance programs

Depending on your aunt's income, there are other financial assistance programs that may be able to help her like Medicare Savings Programs, prescription drug assistance, food stamps and energy assistance. To locate these programs and learn how to apply for them, go to [BenefitsCheckUp.org](http://BenefitsCheckUp.org).

Send your senior questions to: Savvy Senior, P.O. Box 5443, Norman, OK 73070, or visit [SavvySenior.org](http://SavvySenior.org). Jim Miller is a contributor to the NBC Today show and author of "The Savvy Senior" book.

the city could use about 600 additional housing units, Mayor Steve Genisot said.

The price point for three bedroom, two bath homes is \$299,000 including the lot, Micooley said. The company is building about 80 houses

a year in Wisconsin, which allows it better pricing, he said.

"It's not the McMansions that are being built," Micooley said. "It's all about really good quality houses at really good affordable prices."

## Porterfield Town Board discusses Treasurer's report

**FOR THE PESHTIGO TIMES**  
PORTERFIELD – Chairperson Dennis Bergeson called the Oct. 9 board meeting to order at 6 p.m. with 11 in attendance.

Wendell Philipps gave the Treasurer's Report, noting the total cash on hand as of Sept. 30 was \$228,932.89. Don Limberg made a motion to approve the treasurer's report as presented. Audrey Guseck seconded the motion. Guseck, Limberg and Bergeson voted yes and the report was approved.

During the open floor, District Attorney DeShea Morrow spoke about running for Circuit Court Judge in April of 2025. She is also running in Nov. for District Attorney.

There was discussion on the County budget proposal being put up for adoption this month. Check out the budget on Marinette County's website (marinettecountywi.gov). If you have questions or concerns, call Supervisor Tom Buelteman at (715) 732-0805 or Administrator John LaFave from Marinette County.

There were no operator's licenses this month.

Action was taken to set a date for the pre-budget meeting — Monday, Oct. 21, at 1 p.m.

Roadwork for the year has been completed except for grading. The bridgework on Miles Road has been completed. There was discussion on the speed bump on Twin Creek and Hwy 180 by the bridge.

The Fire Commission has been busy with a brush fire, a barn fire in Pound and a missing person search.

One worker is retiring from the Recycling Center, and another worker is filling in. If interested in working at the recycling center, contact the town chair or clerk. There was discussion on the weight of bags for solid waste.

The meeting adjourned at 8:04 p.m.

The next Town of Porterfield Board Meeting is scheduled for Nov. 13 at 6 p.m., following the Special Town Meeting which is preceded by the Town Budget Meeting at the Porterfield Town Hall.

## Can the agent charge a withdrawal fee?

### Dear Monty:

If the contract states that the broker will disclose to the owner if any fees are to be paid by the owner. If the agent writes: "Withdrawal Fee of \$575.00," and the owner decides they do not want to sell their property anymore, the agent can keep that \$575.00 when she has done nothing but put the owner's private photos on the Internet site. We wanted to start out at \$359,000, but she convinced us that it would not sell for that price, so she made us write \$299,500 in the contract space on price. We decided we did not want to sell our house at her price. Is the agent legally allowed to do this? Is there any rescinding of a three-day limit when selling our house? Is this a fair practice?

### Monty's Answer:

This situation highlights several important aspects of real estate contracts and agent-client relationships. Let's examine the key points:

**Disclosure of fees:** The contract clause states that the broker will disclose fees to be paid by the owner. This clause is designed to ensure transparency in the transaction. However, the effectiveness of this clause depends on how and when the fees are disclosed.

**Withdrawal fee:** If disclosed in the contract, a \$575 withdrawal fee is likely legal. This fee compensates the agent for initial work, such as market analysis, listing preparation, and marketing efforts. However, the fairness of this fee can be subjective and depends on the amount of work the agent performs.

**Listing price disagreement:** The significant discrepancy

between the owners' desired listing price (\$359,000) and the agent's recommended price (\$299,500) is concerning. While agents often provide pricing guidance based on market analysis, the final decision on listing price should ultimately be the owner's. Pressuring clients to list at a specific price, especially one significantly lower than their preference, raises ethical concerns.

**Three-day rescission period:** Many states have "cooling off" periods for specific contracts, but these typically don't apply to real estate listing agreements. However, some states or brokerages may have policies allowing cancellation within a short period.

**Legal considerations:** The legality of the agent's actions depends on the exact wording of the contract and applicable state laws. The withdrawal fee may be legally enforceable if it is clearly disclosed and agreed upon. However, if the cost wasn't properly disclosed or the agent misrepresented any aspects of the agreement, there might be grounds for dispute.

**Ethical considerations:** The agent's actions raise ethical questions even if legally permissible. Real estate professionals are generally expected to act in their client's best interests. Pushing for a significantly lower listing price than the owners desire and charging a substantial fee for minimal work may not align with this expectation.

**Recommendations for the homeowners:** Look for specific language about withdrawal fees and any clauses related to early termination of the agreement. Express concerns about the listing price and the fee. There may be room for negotiation or compromise. If unable to resolve issues with the agent, escalate concerns to the managing broker or brokerage owner. Consider consulting a real estate attorney to review the contract and advise on options. If necessary, file a complaint with the state's real estate commission.

## Pembine Town Board of Review discusses requirements for public comments

**FOR THE PESHTIGO TIMES**  
PEMBINE - Notice is hereby given that the Board of Review for the Town of Pembine shall hold its first meeting on Friday, Nov. 15, from 9-11 a.m. at the Pembine Town Hall.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. No person shall be allowed to appear before the board of review, to testify to the board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to view such property being assessed.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first two hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first two hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first two hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days. The board may require objections to the amount or valuation of property to be submitted on forms approved

by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board by telephone or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor with all the information about income and expenses as specified in the assessor's manual under s. 73.03 (2a), Wis. stats., that the assessor requests. The Town of Pembine has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law, the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (1), Wis. stats.

7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

8. No person may appear before the board of review, testify to the board by telephone or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s. 70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

Persons may contact the Town Clerk/Treasurer at (715) 324-6314 for a form to provide the necessary information to appear before the Board of Review.

## Marinette Fire Department reports Oct. 7-14

## Cherney Maribel Caves County Park Maribel

The entrance to Maribel New Hope Cave.

Cherney Maribel Caves County Park is a geological area that was formed by glacial activity which wore down the land and exposed a rock mass called Niagara Dolomite and formed a rocky cliff. Glacial ice melt, the climate and springs have created an environment which includes caves, rare ferns, wildflowers and woods, making it a rare

beauty in the state. The park was acquired by Manitowoc County in November of 1963.

Right next door sits the ruins of the Maribel Caves hotel, on private property but visible from the park.

The hotel was built by Austrian immigrant Charles Steinbrecker in 1900.

The structure is reminiscent of medieval castles with a rounded tower and imposing limestone walls of stone harvested from Steinbrecker's lime kilns

The hotel functioned as a therapeutic spa due to a natural spring and changed

The ruins of the Maribel Caves hotel, built by Austrian immigrant Charles Steinbrecker in 1900. Kris Leonhardt photos

ownership over the years. The historic building was abandoned in 1985, following a fire.

The park is located at 15401 County Rd. R, Maribel.

For more information, visit [www.maribelcaves.com](http://www.maribelcaves.com).

## St. Agnes Turkey Dinner

**FOR THE PESHTIGO TIMES**  
AMBERG - St. Agnes Catholic Church will be having their annual Turkey Dinner on Saturday, Oct. 26 from 4-6 p.m. at the church hall.

Dinner is available for takeout and in the hall. The meal will include turkey, mashed potatoes, gravy, vegetable, cranberry sauce, rolls and homemade pie for \$12.

## Town of Peshtigo public hearing notice

**FOR THE PESHTIGO TIMES**  
PESHTIGO - Public Notice is hereby given that the Town of Peshtigo will hold a public hearing on Monday, Oct. 28, at 5:30 p.m. at the Town of Peshtigo Town Hall, W2435 Old Peshtigo Rd., Marinette.

The purpose of the public hearing is to inform the public of the progress on the Town Hall HVAC project in the Town of Peshtigo and to request citizen input on the Community Development Block Grant (CDBG) program, which has partially funded the project. Discussion items will include a review of the current CDBG program activities, the project progress and construction activities and CDBG program goals.

At the public hearing, interested parties will be given a reasonable opportunity to provide questions or suggestions on

the CDBG program. Residents of the Town of Peshtigo are encouraged to attend, especially residents with low to moderate incomes. The meeting room is handicap accessible.

Persons needing additional accessibility accommodations should contact the Town Clerk's office at (715)582-4332 or by email at [topclerk@townofpeshtigo.org](mailto:topclerk@townofpeshtigo.org).

Dated this 16th day of October, 2024  
Greg Schroeder, District Clerk

418230

## NOTICE THAT THE ASSESSMENT ROLL IS OPEN FOR EXAMINATIONS AND OPEN BOOK

FOR THE TOWN OF PEMBINE  
STATE OF WISCONSIN • MARINETTE COUNTY

Pursuant to s.70.45, Wis. Stats., The Town of Pembine assessment roll for the year 2024 assessment will be open for examination on the 31st day of October, 2024, at the Pembine Town Hall from 9:00 am to 5:00 pm.

## NOTICE OF BOARD OF REVIEW MEETING

NOTICE IS HEREBY GIVEN THAT THE BOARD OF REVIEW for the Town of Pembine, Marinette County, Wisconsin shall hold its first meeting on **Friday, November 15<sup>th</sup> from 9:00 am to 11:00 am** at the Pembine Town Hall.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

- No person shall be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view such property being assessed.
- After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board.
- The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.
- Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.
- When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.
- No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s. 73.03 (2a), Wis. stats., that the assessor requests. The Town of Pembine has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (1), Wis. stats.
- The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.
- No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

Persons may contact the Town Clerk/Treasurer at 715-324-6314 for a form to provide the necessary information to appear before the Board of Review.

Notice is hereby given this 16<sup>th</sup> day of October, 2024  
Respectfully submitted,  
Suzanne Allen  
Town Clerk/Treasurer

# PERSPECTIVES

## From My Window

### Little Free Libraries

One of my favorite things to do during my stays in Madison is to walk around my brother's pleasant east side neighborhood. When I am doing that, I encounter little free libraries every few blocks.

LFL is an organization which promotes "building community; inspiring readers, and expanding book access." Reading is dear to my heart, and this effort is one of those small but meaningful grass-roots volunteer efforts that makes a row of houses into a neighborhood.

If you aren't familiar with the concept, it involves the "little library," which is a watertight structure that looks a bit like an oversized birdhouse on a post on a public street. Inside are books, magazines and sometimes little surprise items placed there for anyone who wishes to take them. Volunteers keep the libraries maintained, and ensure inventory turnover. The organization estimates there are 175,000 libraries in 212 countries, and more than 400 million books have been shared through these efforts.

On a gravel road like mine, there wouldn't be much utility for one; but I know for sure there is at least one in Marinette, maintained by friends of ours. I've encountered them in campgrounds and small towns, but Madison is ideal for them; they are embraced with enthusiasm.

One of the ones I check is devoted to children's books; appropriate given the demographics of the neighborhood. Sometimes I rummage through one and find a book I am interested in reading, and I take it. If I finish a book during my stay, or I have a current magazine I am done with, I put them in the library just around the corner from his house.

My last visit I found a current issue of "Vogue" magazine, so I nabbed it. "Vogue" is a fashion/style magazine with a weight of nearly two pounds, (yes, I weighed it,) selling for \$9.99 per copy. It is chock-full of artsy full-page ads, but without prices, so you know it is horrifically expensive. There are a few fluffy "articles," which are devoid of interest. It is fun for me to know what is currently in fashion, because I live out in the pickers and have little exposure to such things.

It appears enormous purses are on-trend. One from Nordstrom is almost the size of a carry-on I pack for three day trips. I can't imagine walking down a street carrying such an unwieldy item. One that was almost three feet long and round like

a tube was inspired, the designer said, by their dachshund.

Also hot: feathered and ruffled shirts and sweaters. One from "McQueen" looked like most of a sheep pelt, bulging out from under an attractive blazer. The model still looked very thin, despite this bulky garment. Another shirt from this designer sported gigantic ruffled sleeves, which looked like the costumes Flamenco dancers wear. "Sneex" featured athletic shoes, in bright lime green, with spike heels. I am puzzled about what you'd wear with these... leggings? A little black dress? Balenciaga had a dress the ad copy described: "it appears to be bound about the body with packing tape." This is a quote; no, I did not make this up.

The fall jeans include very wide-legged styles, with teeny little models almost lost in them. They are back to waistbands that barely hang on to the hips, but are secured there by large, black studded leather belts that would look at home around the neck of a Rottweiler. And of course, jewelry with lots of diamond spangles. One massive pair of earrings looked like they would weigh almost as much as the magazine. The model sporting them had fingernails 2.5 inches long. Nothing screams "I don't do anything" like nails that would make it hard to use the restroom.

I really enjoyed this peek at upcoming fashion trends, but as a rural Wisconsinite frequenting the feed mill, Fleet Farm and Menard's I would be a spectacle in Vogue style. But it is good to be exposed to culture! (And decide I am okay with not being part of the scene!) I will pass it on to a friend, who will be as amused as I was.

I also found a library that someone had stocked with little crocheted animals, sealed in individual plastic bags, with an inspirational or encouraging message included. I took a little inch worm, with the message "it seems like your progress is only inch by inch, but you are doing great! Keep me handy to remind you slow and steady will get you to your goal." I knew someone who needed to hear that; I'll get it to her. What a kind effort on someone's part to make and share these little gifts.

Little Free Libraries epitomize sharing, community, thoughtfulness, and the value of reading. If you ever encounter one, take a peek. You could find a romance novel, a book for your grandchild, or a western for your grandpa. Maybe even something hilarious like the Vogue I found!

I can't tell you what Vogue epitomizes, but you won't see me in sheep pelts or 2.5 inch nails any time soon.

I welcome commentary, alternative viewpoints or ideas at this e-mail address: JanieTMartin@gmail.com

JANIE THIBODEAU MARTIN

## Menominee County Board hears ISD superintendent's plug for CTE Referendum would build trades program

BY ANN MEYER  
CONTRIBUTING WRITER

MENOMINEE — With new funding for Career and Technical Education, Menominee County, Mich., could develop a pipeline of workers trained in the construction trades, said Steve Martin, the superintendent of the county's Intermediate School District.

In a presentation before the Menominee County Board of Commissioners on Oct. 8, Martin spoke about a referendum on the Nov. 5 ballot that would provide funds for Career and Technical Education in the trades and help the overall community, which has a shortage of plumbers, electricians and other contractors in building and construction trades.

The Intermediate School District is asking voters to approve one million dollars annually for 10 years for the CTE program, Martin said. ISDs work with local school districts and the Michigan Department of Education to provide special services, such as technical education and special education. They often partner with area colleges and employers. In Menominee County, the CTE program is part of the general education budget, as the county doesn't have a separate millage earmarked for vocational training, Martin said.

Menominee ranks 52 out of 56 in Michigan for career tech education because it hasn't been funded separately, according to Martin. By providing one million dollars annually dedicated to career and technical education, the referendum would allow the CTE program to grow. It could expand into more areas, such as building trades, and pay for busing and for classes up north, so students in the north end of the county can participate in the program.

County Board Chairman Larry Phelps asked Martin to elaborate on what the schools offer in agricultural sciences. "If you go to that classroom, they work with small animals, 4-H and they also get into the business of agriculture," Martin said.

"What role do you play in job placement, the actual connection between employers for job placement for these students?" Phelps asked.

"It's wrapped up into the CTE classes. They have an advisory committee of business owners," Martin said. The program facilitates internships and summer employment opportunities, he added. In the health care pathway, students are encouraged to shadow nurses to learn more about what they do on the job. This activity can lead to employment,

Martin said.

For employers, these opportunities allow them to see students' work habits, while students learn about expectations in the work world. "They get to learn the soft skills: Does this kid come on time? Are they appropriately dressed? How do they talk to adults? Are they on their phone all day long?" Martin said.

"A lot of us in the workplace know that even if you don't come in with all the right skills, but you come in with the right attitude and the right workplace skills, you can learn how to do business," he said.

The Menominee ISD offers nine CTE programs, including welding, machine tool, automotive, health occupations, culinary art, teacher cadet, business management, accounting/finance and cosmetology. "It's hugely popular," with 65% to 70% of students in grades 9-12 participating, Martin said.

Many of the pathways were selected decades

ago and don't necessarily reflect worker shortages in the county, such as the need for more plumbers, electricians, heating and cooling contractors, painters, carpenters and child care workers.

Besides the construction trades, workers trained in automotive are in demand, Martin said. Anyone who has dropped off a car for repair and has been told to come back in five days because they're too busy to get to it today should understand how an investment in the CTE program will benefit the community, he said. "It's good for the entire community," Martin added.

"One of the things we're missing now is building trades. Building trades is huge," Martin said. "You're getting into residential heating and cooling, residential electric, residential plumbing. It's such a diverse field. That's a great place to start when you're 18 years old," he said. An 18-year-old

plumber who's ready to start working when they graduate from high school can get a job in the area, he said.

"Is this more of a ground-level-moving-up program?" Phelps asked. "Are there any standards where it goes into a journeyman position? Just wondering about the direction?"

If you've got a kid showing promise, it definitely can be, Martin replied.

While most Michigan counties have expanded their Career and Technical Ed programs since the ISDs started in the 1960s, and Menominee County's ISD focuses on special educational services, such as speech, language and occupational therapy, Martin said. It also offers preventive education, such as the Healthy Youth Coalition and Dolly Parton's Imagination Library, which provides a free book monthly for children up to age five at library events. It also supports general education.

"For whatever reason, Menominee County ISD didn't go into Career Tech Education," he said. It's

## PUBLISHER'S LETTER

### Reaching Beyond The Veil

Dear Reader,

In the quiet moments of reflection, when the world around us falls still, it is natural to wonder about those who have gone before us. They lived, they loved, they achieved noble purposes, and now, they dwell in the spiritual realm, a world that seems distant

yet so intimately connected to our own. The question arises: Can we summon their guidance, their wisdom, to help us navigate the challenges of life and fulfill our own noble purposes?

It is a comforting thought to imagine that those we cherished in life could reach back across the divide to offer us support. We often think of them as watching over us, their presence felt in the whispers of intuition or the sudden, inexplicable clarity that descends upon us in moments of need. But is there a way to actively seek their counsel, to draw upon their strengths and love in a way that influences our own journey?

The idea of summoning those who have passed, much like Aladdin's three wishes, is a compelling one. Yet, unlike a magical lamp, the spiritual world operates on principles that we may not fully comprehend. Perhaps it is not a matter of summoning, but rather of aligning ourselves with the higher purposes they embodied. When our goals are steeped in goodness and love, when we strive to add light to a world often shrouded in darkness, we may find that their influence naturally flows into our lives. It is as though the veil between the physical and spiritual world thins, allowing their energy to blend with ours.

This raises the question: Are we truly alone in our struggles, left to our own devices to fight dragons and defend the vulnerable? Or are we, in fact, accompanied by unseen forces—guardian angels assigned to us in childhood, perhaps, or angelic warrior guides who step in as we mature? These beings, if they exist, could be seen as extensions of the love and guidance from those who have departed. They are the guardians of

our souls, nudging us toward the right path, helping us bear the burdens that life inevitably places upon us. As hybrids of the physical and spiritual realms, we walk a unique path. Our souls, tethered to this world by the body, are still deeply connected to the spiritual plane. In our imperfection,

we long for the perfection that our souls might achieve once freed from the body. But what if we could draw upon that spiritual perfection even now? What if we could channel some of the purity and wisdom from the other side into our daily lives?

It is possible, perhaps, to reach out and connect with the spiritual world more intentionally. Through prayer, meditation, or simply living a life aligned with higher principles, we might open ourselves to the influence of those who have gone before us. In doing so, we are not only connecting with them but also drawing from the eternal into the finite. We become conduits for the love and wisdom that transcends this earthly existence, allowing it to flow through us and into the world around us.

Ultimately, life may indeed be a test, a proving ground for the soul. But it is also an opportunity—a chance to blend the physical with the spiritual, to draw upon the resources of both worlds as we strive to fulfill our purpose. And in this endeavor, we are not alone. The spiritual world, with all its love and wisdom, is closer than we think, ready to support us as we walk our path.

So, as we move forward, let us do so with the knowledge that we are supported by those who have gone before us, by guardian angels, and by the very perfection that awaits us in the spiritual realm. We are here for a reason, and with the help of the unseen, we can fulfill that purpose with grace and courage.

### MENOMINEE from page 12

offered through the general education program, but he said the ISD could expand CTE offerings with funding.

Menominee County ISD is one of just seven ISDs in Michigan without a designated CTE millage, he said. "It's money that can be strongly invested in our county," Martin said.

Menominee County ISD has \$608 per student to work with, compared to a statewide average of \$1,156, Martin said. The additional million would add \$280 per student, which would still be \$270 below the state average, he said.

The one million dollars the referendum is seeking would amount to about \$1 per \$1,000 in taxable value for area property owners, Martin said. A home valued at \$200,000 has a taxable value of \$100,000 and would pay \$100 more per year, or about \$8.31 a month, he added.

Because of local millages, Schoolcraft and Dickinson have more ISD funds, he said. "Those are advantages to living in those particular areas," Martin said.

Menominee County, which recently welcomed a new HR director, has several open positions, Menominee County Administrator Jason Carviou said. Details are available on the county website for the following open positions: 911 telecommunicator, probation officer for district court, caseworker for custody and parenting time and correctional officers.

Carviou also is helping

to recruit a Menominee Business Development Corporation executive director. The organization is a separate nonprofit that works with the city manager and county administrator, Carviou said. Details are on the county website under "Career Opportunities." Brett Botbyl is the city manager.

The commissioners approved a corrected resolution related to compensation for nonunion county employees. Most nonunion employees moved up a step in pay or received a 2.5% pay increase effective Oct. 1. The pay raise is set to increase to 2.7% on Oct. 1, 2025, and Oct. 1, 2026. The Peshtigo Times had inquired about the compensation resolution in September when it reported on the original resolution, but didn't receive a response from the county.

The commissioners approved an agreement for extension services with Michigan State University - Extension for \$83,000 for the fiscal year beginning Oct. 1 for two half-time positions to coordinate and administer the 4-H program. MSU-Extension provides information and education on agriculture and agribusiness, children and youth development, health and nutrition, and community, food and environment.

Among expenditures approved at the meeting were \$16,679 to purchase 16 computers and \$18,220 to design yellow-striped taxi lanes for expansion at Menominee County Airport.

The county will sell 10 used county vehicles

at an online auction to the highest bidder. They include a 2006 Chevrolet Express 2500, a 2008 Chevrolet Impala, a 1979 International Heavy Duty, a 2001 Ram 1500, a 1979 GMC Sierra 3500, 2013 Chevrolet Tahoe, a 2009 Chevrolet Tahoe, a 2018 Ford Explorer and two 2019 Ford Explorers. The county also is unloading other equipment, including a Buffalo turbine blower, a telescopic boom and a snow bucket and a Union Chill Mat Pre-Heater.

The county is shopping for a new park ranger vehicle for the Parks and Recreation Department. Carviou said he drove to Appleton and Oshkosh to look at several vehicles advertised online, but learned they didn't all match the online photos. "I looked at every dealer's website for ¾-ton trucks. For Fords, I couldn't find any vehicle close to our budget," he said.

Bergstrom dealers had several trucks in the county's price range, Carviou said. With incentives, including a first-responder rebate, the county could purchase a black truck for about \$46,672 or a white one for \$46,372. Commissioners discussed at length whether to go with black or white, with Phelps saying, "I'm happy we're getting this purchase," and expressing an opinion for white. "Black shows up every little mark. A little branch hits that tailgate, and it's going to show a lot more marking. It will be filthy in no time," he said.

Others preferred black. The commissioners approved a motion to spend up to \$50,000 on the truck.

## Oconto hosts a "Dig Pink" game supporting people affected by breast cancer

REESE KRYGER  
CONTRIBUTING WRITER

OCONTO – Historical rivals Oconto Blue Devils and the Peshtigo Bulldogs went head-to-head last Thursday night, Oct. 3, at the Dig Pink Volleyball game hosted by Oconto.

Michelle McDowell, one of the main organizers, explained that she has been doing this for five to six years, often working with teachers, students, parents and coaches. She arranged the event, which included t-shirt sales, ticket sales, a bake sale and a raffle, with large numbers of prizes, treats and baskets being donated by the community on behalf of the many victims and survivors of breast cancer.

"All of the proceeds go to local women with breast cancer in each community, not through any organization," McDowell shared.

"Though there is an official Dig Pink organization, most school events are independent aside from the merchandise. Because of their independence, Dig

Pink is predominantly student, parent and coach-driven," OHS Assistant Principal and Athletic Director Adam Timm said.

He added that the Dig Pink game is not an annual event, as it is up to the community to decide on a sports-centered fundraiser. In past years, Oconto has hosted Layups for Landen and Dunking for Down Syndrome events — however, all of the events share one thing in common: the tremendous amount of care present.

A student reported that the gymnasium was full of supporters from both Peshtigo and Oconto, decked out in pink and positivity. The emotion behind this event was showcased during the speeches given by community members who have been affected by breast cancer.

This event and the strong community response made it clear that cancer victims and survivors are never alone in Marinette County. Oconto Varsity Coach Danielle Wusterbarth

said her team played a fierce game against their rival school, yet both teams displayed sportsmanship.

Oconto's Varsity team gracefully beat Peshtigo after an intense three sets, with the final score being 25-21. Wusterbarth mentioned how amazed she was that, "... everyone pitched in to make the event possible," specifically applauding the parent volunteers, including McDowell, who pitched in for the cause. Overall, community members from Oconto, Peshtigo and the surrounding area helped make this event successful and positive, despite the tension a high school volleyball game can bring.

## Highway maintenance taking place in Northeast Wisconsin

FOR THE PESHTIGO TIMES  
MARINETTE – Maintenance crews will be repairing pavement on northbound and southbound US 141 between Benser Lane

and the Marinette/Oconto County line daily, Tuesday, Oct. 15-31 (excluding Fri-Sun) from 7 a.m.-4 p.m. Various lanes will be closed during repairs.

**FOR THE PESHTIGO TIMES**  
**OCONTO** - The Oconto Veterans of Foreign Wars Post 3071 presented a recognition plaque, certificate and monetary

award to Oconto Firefighter and EMT Logan Sherman during a surprise ceremony held at the Oconto Fire Station. According to Chief Josh Bostedt, Logan

Sherman distinguished himself through dedication, superior job performance and world class professionalism. Chief Bostedt spoke

briefly about Firefighter Sherman, saying that although he is the newest member, Sherman has demonstrated unrelenting dedication, a passion to

serve the community and a positive attitude. The Oconto VFW Post 3071 would like to extend congratulations to Firefighter Sherman,

thanking him and the entire department for what they do for veterans and the entire community.

## American Legion Post 44 Gunless Poultry Shoot

**FOR THE PESHTIGO TIMES**  
**MOUNTAIN** - The next American Legion Gunless Poultry Shoot will be held on Saturday, Nov. 16, at School House Bar, 14007 WI-32 #64, starting at 1 p.m. The Legion will be raffling off packages of meat, poultry, sausages, bacon, beverages and items donated by local

businesses. There will also be 50/50 and basket raffles. Come on in, win a prize and help a veteran. Everyone is welcome. The American Legion Sylvan Post 44 of Wabeno is composed of veterans who are committed to helping veterans, their families and the community.

## Lena School District discusses annual budget

**FOR THE PESHTIGO TIMES**  
**LENA** - The Lena School District held its annual meeting and budget hearing on Oct. 7, at 6:30 p.m. Roberta Windus was nominated to serve as chairperson for the 2024-25 annual meeting. All Board members voted aye and the motion carried.

Charles Imig made a motion to set the time, date and location for next year's annual meeting and budget hearing to be Monday, Oct. 6, 2025, at 6:30 p.m. All voted aye and the motion carried. David McNurlen made a motion to accept the 2024-25 school year budget as it was presented. Lori Dufek, David McNurlen and Charles Imig voted aye and the motion passed.

David McNurlen made a motion to authorize the board to borrow an amount not to exceed half the estimated receipts for the operation and maintenance of the school to meet its financial responsibilities for the 2023-24 school year. All Board members voted aye and the motion carried. Charles Imig made a motion to keep the Lena Board of Education members' salary at \$1,000 to be paid to all five board members for the year, and \$50 per meeting attended. All voted aye and the motion carried. Lori Dufek made a motion to authorize the payment of actual and per diem expenses

when traveling outside the District. Per diem expenses may include reimbursement for wages lost up to a maximum of \$150 per day to the Board of Education members in performance of Board duties. All Board members voted aye and the motion carried. David McNurlen made a motion to fix the number of school days to follow the school calendar and to authorize the board to supply curriculum and provide a lunch/breakfast program for students of the Lena Public School District. All voted aye and the motion was carried. Lori Dufek made a motion to authorize the use of funds for the prosecution

or defense of any action in which the District may become involved. All Board members voted aye and the motion was carried. David McNurlen made a motion to authorize the sale and/or transfer of school property up to \$30,000 without holding a public forum. All voted aye and the motion was carried. Lori Dufek made a motion to authorize a tax levy of an amount to be determined and placed on the taxable property for the District school operations. All Board members voted aye and the motion was carried. The Lena School District Board of Education adjourned at 7:27 p.m.

## NEW Manufacturing Alliance announces new videos spotlighting Oconto and Shawano counties

**FOR THE PESHTIGO TIMES**  
**OCONTO** - The Northeast Wisconsin (NEW) Manufacturing Alliance announces its latest videos featuring what is made and careers in Oconto and Shawano counties. The new videos are part of the celebration of Manufacturing Month in the state of Wisconsin. Ann Franz, executive director for the organization, said, "Last year, we created videos showcasing Fond du Lac and Marinette counties. Due to the success of the videos, it was decided to spotlight other counties in northeast Wisconsin." Franz added, "People

drive past these buildings and have no idea of the amazing products and people that are working at these manufacturing companies." The companies featured in the Oconto County video are Amphenol Unlimited Services, Cruisers Yachts, Diversified Woodcrafts, Nercon and Nicolet Plastics. The products made are numerous, from yachts to science lab tables. Dallas with Cruisers Yachts stated, "It starts with a small piece of fiberglass to finished products that go around the world, not just Wisconsin." There are a variety of occupations featured in the

career's video, along with educational requirements. Shane with Amphenol Unlimited Services shared in the video, "I went to school for none of this, but they kept on developing me and giving me opportunities to grow." Shawano county videos feature Belmark, Charter Aarrowcast, Cruisers Yachts, KI and Nueske Applewood Smoked Meats. The products made by these companies range from bacon to iron foundry. The career video spotlights different positions within a manufacturing plant. Josh with Cruisers Yachts shared, "Manufacturing is something you need to take a look at because there is something for everyone - engineering, marketing and working with wood and metal."

# Oconto Falls to pursue federal housing grant for NEWCAP project

BY ANN MEYER  
CONTRIBUTING WRITER

**OCONTO FALLS** – The City of Oconto Falls Common Council gave its approval for NEWCAP to proceed with a federal Housing and Urban Development grant application for up to \$7 million for a new apartment complex and other housing programs.

Two council members – Tim Holman and Ashley Bahrke – opposed the resolution at the Oct. 8 meeting, preferring not to pursue the housing grant. Council member Devin Wirtz, who had been absent from a public hearing Sept. 30, was present and voted for the project, giving it a two-thirds majority. Council members Marty Coopman, Mathew McDermid and Jeff McDonald also voted in favor of submitting the application.

“This is just approving the HUD grant application. This city is the applicant. If the grant is approved, we have one piece of the funding. We still have to go through zoning,” said Mayor Clint Braun.

The need for apartments with rent on a sliding scale based on the tenant’s income persuaded most council members to give their approval.

Carrie Hill, executive vice president of community success services at NEWCAP, who lives in Oconto Falls and is on the school board, said her 19-year-old is an Emergency Medical Technician earning \$15 an hour and living at home because he can’t afford to live on his own. “But some parents say, ‘You’re 18 and you’re out, or you graduated and you’re out,’” Hill said.

NEWCAP, a housing and community action nonprofit, wants to pursue the housing grant because a housing study identified Oconto Falls as having a need. “Oconto Falls is the highest poverty city in the county by residents. That’s why we’re here. That’s why we came to Oconto Falls,” Hill said.

The Common Council has discussed plans to enforce the city’s code restricting Main Street buildings zoned for retail from being used for residences on the first floor. “We’re on track to displace 12 to 20 families in the future,” Coopman said.

If the NEWCAP project is funded and approved, it could provide housing for the displaced Main Street

residents along with those earning minimum wage, who don’t have many housing options. “I truly feel for some of those people who have nowhere to go but are still contributing to the community, but are homeless,” Hill said at the meeting.

Reached by phone Monday, Hill said NEWCAP planned to submit the HUD application for the Pathways Removing Obstacles to Housing (PRO Housing) by day’s end and should receive notification in December from the federal government. Other funds the project could be eligible for include \$3.2 million from the state’s Division of Energy, Housing and Community Resources and \$2.2 million from Community Development Fund Organizations, and \$3.2 million from other state funds.

The nonprofit has a site selected but can’t reveal it during negotiations, Hill said. It hopes to receive the property as an in-kind donation, she said. As a nonprofit, it wouldn’t pay property taxes on the

property. Locally, the proposed three-story project would require a zoning change. The city has a height restriction of 45 feet and plans are for a 48-foot three-story apartment building with about 45 units and total footage of just over 50,000 square feet, NEWCAP said at an earlier meeting. The building would feature a community room, workout room, package-pickup room, two elevators, a roof terrace and a property management office.

During public comments, Library Board Member Mary Beth Rice asked council members to examine the budgets of various departments for funds that could be re-allocated to the library, which saw its appropriations decline \$15,000. “That means we’ve got to cut places. We’ve got to cut things there at the library. Books are the library. When you do look at all your other departments as you formulate your budget, look hard at the library appropriation.”

A meeting of the Main

NEWCAP owns the Trolley Station Terrace apartments in Marinette, which uses a sliding scale based on income to determine the rent tenants pay. **Ann Meyer photo**

Street Committee will be held at 8 a.m. Wednesday, Oct. 16.

A public hearing on the proposed \$2.8

million Columbia Street project, which involves reconstruction of street, sewer, water and storm infrastructure, is planned

for October 30. A public hearing on the 2025 General Fund budget is scheduled for 5 p.m. Tuesday, Nov. 12.

# Welding soars to new creative heights at NWTC event

BY ANN MEYER  
CONTRIBUTING WRITER

MARINETTE – Samuel Pressure's welding team blasted away other professional participants at Northeast Wisconsin Technical College's Welding Rodeo Oct. 9 to soar to first place with a Freedom Flyer sculpture, while the team from Menominee, Michigan-based Enstrom Helicopters hovered above most other competitors to take second place for its Enstrom 580B helicopter sculpture.

Awarded third place was an Antlers of Glory sculpture Fincantieri Marinette Marine welders produced during the event, which challenged welding teams to produce their best art in keeping with a "Soar Higher" theme, said Tara Cribb, NWTC's media relations strategist.

About 25 welders competed and two artistic advisers assisted amateur teams in the welding rodeo at the technical college's Marinette campus. Marinette Mayor Steve Genisot and Marinette Schools Superintendent Corry Lambie attended the event along with area chief executive officers and operations managers, Cribb said.

The event also provided

information on welding and other technical careers.

With demand for welders outpacing supply in Marinette County, the technical college is encouraging young adults to consider welding as a career, said Cindy Bailey, dean of NWTC's Marinette campus. The college received a three-year Maritime grant for \$579,000 last spring from the U.S. Navy in support of its Marinette and Sturgeon Bay campuses, she said.

NWTC invited high school students to compete in the welding rodeo, and students from Marinette and Peshtigo high schools had a blast.

The Marinette High School welding team rose to first place with their Owl Be a Marine sculpture, while Peshtigo High School's team took to the skies with a second-place Plane & Simple sculpture.

Serving as competition judges were John Luck of Miller Electric, Mark Kornusky, an artist, and Matt Lewis, an NWTC instructor. John Hofer served as auctioneer.

NWTC decided to hold the Welding Rodeo to generate excitement for careers in welding and other technical fields, said Cindy Bailey,

dean of NWTC's Marinette campus. "It was a wonderful event to showcase the power of K12, higher education, and business & industry working together to highlight the careers of today and for the future," Bailey said.

The rodeo aimed to demonstrate the creativity and versatility of welding and encourage students and young adults to pursue careers in welding, Bailey said.

NWTC Welding Instructor Tom Topper said the event made him proud of NWTC's program.

"Many of the welding participants were NWTC graduates and former students of mine. I was very proud; it was a full circle

moment to see my students not only shine in their craft but also mentor those who were first time welders," Topper said.

Contest participants included the following: Arzack Brown, Clayton Reindl, Ryan Brown and Ricky Chaney from Samuel Pressure Vessel; Tyrone Miller, Garrett Wolsker, Cole Mylener and Ken Davis from Enstrom Helicopter; Colin Oleck, Mike Moser, Justin Wahl and Ron Wilch from Johnson Controls; Joe Seymour, Scott Guns, Dillon Wilczynski and Jacob Strahl from Fincantieri Marinette Marine. Artist Judah Kolell also participated in the professional category as a solo entrant.

## Wolverines ready for conference finale after 42-0 handling of Truckers

**MIKE WIETING**  
SPORTS EDITOR

CRIVITZ – The Crivitz Wolverines went wild Friday night when they played host to the Clintonville Truckers. For the Truckers the road was rough and filled with potholes as they struggled to get the wheels turning and found themselves stranded on the roadside 42-0.

“We had a lot of penalties last week in our game against Crandon,” said Crivitz head coach Matt Bernier. “So we wanted to come out and play a physical brand of football, eliminate the penalties and control what we were doing and set the tone for next week.”

And set the tone they did. The shutout win saw the Wolverines amass 272 yards of total offense while the Truckers slid backwards for negative 12 yards of offense. The Wolverine defense really dug their heels in during this one as they built up an eight sack total that netted 57 yards of lost yards for the Truckers.

Overall the Wolverines find themselves in great shape going into next week’s showdown with the Coleman Cougars. Currently the Northwoods standings have the Cougars in the driver’s seat with an undefeated 6-0 conference

readout. Oconto Falls is next with a 5-1 record along with Crivitz who is also 5-1. If the Wolverines can find their footing this coming Friday they will even the top echelon of the Northwoods, splitting the conference championship with a three way 6-1 tie.

That task will not be an easy one. The Wolverines opened the Northwoods season this year against the Falls and took a 39-7 loss. Oconto Falls faced Coleman mid September and fell 42-20. If one was a betting person, the safe bet may be one that puts all the money on the Cougars. But a contrary view may be that the Wolverines are not the same team they were when they lost their only game of the season. Since that loss to Oconto Falls the Wolverines have tore through their Northwoods opponents. They defeated Northland Pines 35-0, Manawa 47-0, Shiocton 20-8, Crandon 21-18 and last Friday Clintonville 42-0. That’s a 165-26 points for/against differential. Coleman over that same period of play has amassed a 240-39 differential. The Cougars also carry an interesting win in their schedule, that being the 22-20 win over Bonduel during early season non-conference play. The Bears of Bonduel are one tough squad this year and hold a perfect record

in Packerland play and look to be one game away from securing the outright Packerland crown. Any way its cut, Friday night’s match up should be a good one. Powerful Coleman will hold the edge while the visiting Wolverines will have their work cut out for them.

Digressing back to Friday night’s showdown with Clintonville, one weapon that became apparent, and was a bit of a surprise, was the passing game of the Wolverines. Crivitz lost their starting QB Colten Tarman due to an injury in a previous game and have moved Evan Orlando behind center. Friday night Orlando looked like he could not have been more comfortable, especially when finding teammate Stephan Allard. The two connected for 104 yards and two TDs with the longer of the two plays being a 69 yard.

“Anytime we can match a pass game with our run game it’s going to help our offense out,” said Bernier. “It was good tonight. We had some good throws and some great catches from Stephen (Allard) as well. His focus across the middle on that one was great. It was a great catch and a great run and the other one down the sideline he turned the jets on and made it into the zone.”

This passing ability to find big gains down field will be crucial Friday night when facing a Coleman team that can buckle down defensively.

Turning to the ground the Wolverine rush game was certainly alive and well Friday night. Evan Orlando crunched up 73 yards and a TD on a few great scrambles, while tough and hard hitting Brody MacNeil added up 27 yards and one TD. Devon Weiss helped to mix things up with 32 yards and one TD.

MacNeil also played a great defensive game, adding up five solo tackles along with a solo sack and an assisted sack that pulled 17.5 yards away from the

### Northwoods Football Standings

Coleman	6-0
Oconto Falls	5-1
Crivitz	5-1
Crandon	3-3
Shiocton	2-4
Manawa	1-5
Clintonville	1-5
Northland Pines	1-5

Truckers. Coming off the edge was defensive end Kade Thoma. Thoma led the team with two solo sacks to go along with his four solo tackles. Thoma’s sacks caused the Truckers to lose 21 yards. Zackery Zimmer helped to pull away 9.5 yards on his assisted sack while Reid Olson caused a forced fumble, Allard also recovered a fumble.

“We wanted to really fly around the field as a team,” said Bernier about his defense. “We knew they were going to spread out the field so we knew we had to hustle to get to some of the spots. We just had to play tough. We knew they were a little behind the eight ball with a few guys out, so we figured they might run it a bit. We played our end on both offense and defense and special teams too.”

Orlando also pitched into a great team defensive effort with the games only interception.

The Truckers received the game opening kickoff and were unable to get moving as Thoma helped shutdown the drive with a 13 yard loss on a sack during a third and 14 attempt.

The tone was definitely set on the ensuing punt as Wolverine Devon Weiss returned the punt 36 yards to the end zone for the games first TD. The score was followed by an Allard extra point kick which was good. Allard attempted six extra points during the night’s action making all six of them.

Clintonville was held to a three an out in the next drive and was forced to punt.

The Wolverines went right back to work in the next drive, cruising down field on an eight play drive that ended in the end zone. During the drive, Orlando broke loose on a third down play that saw him cruise 27 yards to the first down. The Wolverine offense almost stalled out on the seventh play of the drive, facing a fourth and three attempt, but MacNeil broke through for the 13 yard gain to help set up his next rush which was a two yard goal line breaker to bring the Wolverines to a 14-0 lead with 2:54 left in the first quarter.

After stopping Clintonville on the first two plays of the ensuing drive, Clintonville’s Jaxson Baribeau dropped back and unleashed a deep pass that was tracked down by Orlando who carried the interception to the 50 yard line, giving the Wolverines great field position to start their next drive.

Wolverine Evan Orlando moves up field on an option and looks to his right as he prepares to lateral the ball to teammate Devon Weiss. **Mike Wieting photo**

Weiss started that drive by breaking off 41 yards on the ground. Two plays later MacNeil found the end zone on a nine yard rush to bring the Wolverines to a three score lead, 21-0.

The Truckers went three and out again before the Wolverines went four plays to their next TD. On that drive Weiss sprinted down field on 27 yard rush, while Orlando capped the drive off with a 35 yard pass completion to Allard for another TD and the 28-0 lead with 8:24 left in the second quarter.

“I feel pretty comfortable,” said Crivitz QB Evan Orlando about his start behind center. “It’s the first year, Colton went down with an unfortunate injury and I was asked to step up and I’m just trying to play to the best of my ability.”

Though Orlando hasn’t had a ton of time starting at the position of QB, he appears to be pretty fluent at the spot. His connections with wide receiver Stephen Allard showed a flare of what this QB is capable of.

“That was fantastic,” said Orlando about his big pass to Stephen Allard. “I saw Allard go out in the middle and I was getting pressure and I just threw it up there and he caught it with an incredible snag.”

A big part of what is allowing Orlando to showcase his throwing ability is a tough offensive line who had quickly adjusted to the change.

“They were fantastic,” said Orlando about his offensive lines effort. “I’m so grateful for each and every one of my offensive linemen. They work every day very hard. Eric (Corrigan), I’m so proud of him. I can’t always take good snaps but he adjusts for me and I really appreciate that, Thank you Eric.”

Thoma got his second sack of the night during Clintonville’s next drive, netting and eight yard loss for the Truckers. After the sack the Truckers struggled to get back to the line of scrimmage and were forced to punt yet again.

Three plays later the Wolverines scored again, this time on another Orlando to Allard

connection, this time on a 69 yard completion for the 35-0 lead.

The Wolverines last score came with 8:52 left in the third. The score was set up after Baribeau was sacked and fumbled the ball which was recovered by Allard. Two plays later Weiss took a handoff seven yards for the 42-0 lead.

On the day Orlando was two for two passing with 104 yards and two TDs. Both passes were received by Allard.

Orlando led the rush game with 81 yards and one TD on six carries while MacNeil amassed 37 yards and one TD on 11 carries. Weiss had 34 yards and one TD on three carries. Colton Arpke posted 11 yards on one carry while Isaac Gerner had eight off two carries.

“Each and every day during practice this team works incredibly hard,” said Orlando. “This upcoming week against Coleman, we know they are good but we have to come out with an open mind to play to the best of our ability and eliminate the mistakes, play incredible and not shoot ourselves in the foot. This is my senior year and I’m having so much fun. Everyone on this team has wonderful personalities, they are fun, they know how to joke and they know how to win games.”

Through the air Clintonville’s Baribeau was five of 15 for 28 yards.

Rushing the ball the Truckers saw Baribeau amass 21 yards on nine carries while Linken Korth posted 12 yards on nine carries. But a loss of 67 yards due to tackles and sacks left the truckers with a net of negative 12 yards.

“We’ve been preaching since day one, work hard in the weight room, work hard in the classroom, work hard the field,” said Bernier. “And everything will take care of itself and we’ll see where it shakes out at the end of the season. We have a big match up with a team that’s become our rival in Coleman. We really need to buckle down this week and prepare for those guys. Keep being consistent and keep being physical and see how it shakes out Friday.”

# Rangers crush Bluejays for Northeast 8-Man victory

**JOSH STALOCH**  
SPORTS WRITER

**WAUSAUKEE** – Playing in front of their home fans against Three Lakes on Friday, Oct. 11, the Wausaukee High football team had little trouble bouncing back from a 54-20 loss to Lena/STAA the previous week, the Rangers' only defeat of the season, with an emphatic 46-0 beatdown of the Bluejays.

"We didn't go with our game plan last week," said Wausaukee head coach Kurt Stumbris on his team's turnaround from the loss against Lena/STAA. "We really dialed in this week, making sure we cover our gap responsibilities on defense. Our offense wasn't clicking last week at all. If our defense ain't

clicking, our offense ain't clicking. I told the boys we've got to work harder next week. Take care of White Lake and we're going into the playoffs working hard."

The scoreboard at Wausaukee High had barely warmed up before Luke Smith found the end zone for the Rangers' first score of the evening.

Wausaukee decided to follow up the early touchdown with an onside kick attempt and the special teams unit came through, recovering the ball at midfield to set up another touchdown jaunt by Smith (16 carries, 85 yards, 3 touchdowns) to make it 14-0.

Looking to put the game away early, Wausaukee put up three scores in the second

quarter. Smith scored his third and final rushing touchdown from 15 yards out to put the Rangers up 20-0. Next, Smith (9-for-12 through the air for 160 yards and another three TDs) connected with Jimmy Kanzenbach (2 receptions, 16 9 yards) on a short throw for a score.

Gavin Thomson (5 receptions, 118 yards and 4 carries for 19 yards) scored on a pass play late in the second quarter to make it 38-0 and then Nathaniel Kusba scored on a short yardage screen pass from Smith to cap the scoring and move Wausaukee into the win column.

As for the Wausaukee defense on Friday against the Bluejays, the Rangers were dialed in to say the least. Three Lakes/Phelps managed

just 11 yards on the ground for the game and another 67 yards via the passing game.

"I think our offense is one of the best right now in our conference," said Thomson after the Wausaukee win last Friday. "It was good to shut out a team. Earlier in the season, we gave up a few touchdowns on some blowouts that we could have had but this felt good. I think we can make a good run in the playoffs."

# Bulldogs battered by Storm

**JOSH STALOCH**  
SPORTS WRITER

**KEWAUNEE** – The Peshtigo High football team had trouble getting anything going on Friday, Oct. 11 in a road matchup with Kewaunee that saw the Bulldogs drop to 2-4 in Packerland Conference play with a 28-6 loss.

On a night where offense was hard to come by for the visiting team, Peshtigo's Dathan Sechen picked up 34 yards on 9 carries and also scored Peshtigo's lone touchdown of the evening while Adin Reiszewitz carried the ball 8 times for 31 yards and caught a pair of passes for a total of 43 yards, to go along with another 43-yards gained on oe big catch by Tristan Krejcarek.

Defensively, Peshtigo got 11 tackles and an assist from Carter Roeder, along with five solo and three assists from Sechen.

## Cougars dismantle Wolves

MANAWA – The Coleman

High football team had things wrapped up nicely by halftime on Friday, Oct. 11 in a 41-6 rout over Manawa to improve its Northwoods Conference-leading record to 6-0.

Micah Kuchta got the game's scoring started with a 30-yard punt return for a touchdown and then made it 13-0 later in the opening quarter with a short run into the end zone.

Back-to-back touchdowns from West Bieber added another 14 points to the Cougars' total, followed by a 12-yard run into the end zone by Tristan Kostreva and then a big 32-yard run for a score by Kolton Peters.

## Marines come up one score short vs. Mishicot

**MISHICOT** – Down 20-0 in the third quarter against Mishicot on Friday, Oct. 11, the Marinette High football team got a momentum-shifting, 85-yard kickoff return for a touchdown from Braxton Polzin, followed by

another score in the fourth quarter, but couldn't quite close the deal in a 20-14 defeat that drops the Marines to 1-5 in Packerland Conference play and 2-6 overall for the year.

The big special teams score from Polzin (3 returns for 100 yards), was backed up by a 37-yard scoring run by Chase MacGregor (23 carries for 162 yards) early in the fourth frame. Marinette signal caller Ethan Doubek had a rough night under center against Mishicot, going 4-for-10 for 57 yards and 3 interceptions.

Defensively for the Marines, Polzin was busy with 8 solo tackles, assisting on 3 others. Ryker Maye had 7 takedowns and both Max Jacobson and MacGregor finished with four solo tackles and two assists.

at home, the Gillett High football team put up 22 points over the game's final 12 minutes to claim a 38-34 victory in Across the Bay Conference action.

Quarterback Jesse DeBauch had a big game for the Tigers, going 14-for-26 through the air for 156 yards and two touchdowns, giving him a passer rating of 97.6 while also running the ball 13 times for 155

Adin Reiszewitz slips a backfield Kewaunee tackle attempt on his way to some positive yardage. **Dan Johnson photo**

yards and two scores.

Andrew Urich caught 5 of those passes for 88 yards and a touchdown while teammate Clayton Borremans had two grabs for 13 yards and a score.

Borremans also

rushed the ball 6 times

for 16 yards and a score. Defensively, Jedric Herzog had 8 solo tackles and 3 assists while teammate Ryan Pensis turned in four solo takedowns and assisted on 7 others.

# Oconto Falls chops down Northland Pines 51-13

**MIKE WIETING**  
SPORTS EDITOR

**EAGLE RIVER**- The Oconto Falls Panthers amassed a whopping 51-13 final verdict over the Northland Pines Eagles Friday night in Eagle River.

The win saw the Panthers start a bit slow before raging to a 29-7 lead at the half.

Oconto Falls ended the night with 474 yards of total offense while holding Northland Pines to 267 yards of offense. Of those 474 yards, Oconto Falls got 98 through the passing game and 376 on the ground.

Oconto Falls got things rolling in the first quarter with an Isaac Bramer 27 yard rushing score and a

Connor Wilquet extra point for the 7-0 lead.

During the second quarter Wyatt Laughrin helped to increase the lead with a five yard rush before Northland Pines answered with an 8 yard A. Minx rushing TD.

Laughrin added the longest scoring play of the night a short while later, getting in from 69 yards back off a rush to bring it to 22-7, before Emerich Skarban added to the score with a three yard pass to Jeremy Earley from three yards back. At the half the Panthers controlled the scoreboard 29-7.

The third quarter was all Panthers as they scored off a rush of seven yards from

Trent Blazek to get the half rolling. That score was followed by a 37 yard pass from Skarban to Cole Bozile to bring the game to a 44-7 readout.

Before the third quarter was over Elijah White scored Oconto Falls' last TD of the night, getting in from one yard out to give his Panthers the 51-7 lead.

Northland Pines added one fourth quarter score, getting in a nine yard T. Brock TD rush.

On the night Skarban passed his way to 98 yards and two TDs in a perfect 6 of 6 showing. Bozile received the majority of the passes, pulling in three for 52 yards and one TD. Earley had two yards and one TD off one

reception while both Alec Krejcarek and Bramer posted 22 yards a piece off one reception each.

Rushing to a game leading 119 yards was Laughrin who did it on six attempts and posted two TDs along the way. Bramer had 56 yards and one TD off four carries, while Blazek added up 98 yards and one TD on three carries. White had five carries for 44 yards and one TD. Ethan Hill posted 26 yards on two carries while Bozile added up 24 yards on two carries.

Defensively Bozile and Cole Judkins both forced one fumble apiece.

# Menominee survives contest with Negaunee

**MIKE WIETING**  
SPORTS EDITOR

**NEGAUNEE** – The Menominee Maroons had one of their toughest challenges to their undefeated season last Friday night when they traveled to Negaunee to take on the Miners. After a tough battle the Maroons came away with the 34-19 victory.

Turnovers played a huge part as to why the Maroons came out ahead. On the day the Maroons pulled in two interceptions. Being that the Negaunee boys generated more offense than the Maroons it played a huge part as to why they came out on top.

Negaunee generated 239 yards of total offense on the night. 98 yards though the air and 143 on the ground. Menominee on the other hand generated 227 with 86 coming through the air and another 142 on the ground. Rushing TDs were

registered by Tanner Theuerkauf, Clayton Miller and Isaiah Odom while a passing TD was carried in by Dawson Bardowski.

All of Negaunee's TDs were scored through the passing game, as QB Ty Jacobson completed five of his 14 passes for 98 yards and three TDs including two interceptions.

Along with a great day of offense and defense, the Menominee special teams got on the board as well, as Miller broke free on an 80 yard kick return TD.

Leading the rushing effort for the Maroons was Miller with 72 yards and one TD on 19 carries. Odom with 48 yards and one TD on six carries and Theuerkauf with 25 yards and one TD on 10 carries.

Theuerkauf passed his way to 86 yards and one TD on a four of 11 showing while Nathan Komp reeled in two of those receptions for 59 yards. Bardowski caught two for 28 yards and one TD.

# Wolverines cruise past Thunderhawks

**JOSH STALOCH**

CRIVITZ – The Crivitz Wolverines hosted Oneida Nation on Tues, Oct. 8 for an M&O Conference matchup, along with Pink Out Night. The Wolverines stayed consistent throughout the night to secure the 3-0 victory, 25-8, 25-22, 25-13.

Freshman Marli Meyers led the Wolverines with 9 kills, 3 assists and a block. Senior Kiya Brand led the team in assists with 28 to go along with 9 digs. Junior Taryn Tracy had 6 kills, 12 digs, 3 assists and a block. Senior Lucy Grusynski led the Wolverines in digs with 14.

The win moves the Wolverines to 12-6 overall (9-2 in the M&O.) They hit the road on Thursday, October 10th for a dual against the Suring Eagles. Action will begin at 7:00 p.m.

Eagles win battle against Wolverines

SURING – The Suring High volleyball team notched an upset win over one of the M&O Conference's top teams on Thursday, Oct. 10, taking down Crivitz in straight sets, 25-14, 25-18, 25-23.

In the win, which moved the Eagles to 6-5 in conference while dropping the Wolverines to 10-3, Crivitz got 10

assists, 8 digs and 2 kills from Kiya Brand. Taryn Tracy finished with 11 digs, 5 kills, 3 assists and an ace to go along with 8 digs, 3 kills and a block from Megan Pusick.

## Badgers take down Tigers in four

GILLETT – The Niagara High volleyball team improved its M&O Conference record to 11-1 with a 25-11, 25-10, 22-25, 25-20 victory over Gillett on Tuesday, Oct. 8.

In the victory, the Badgers were led by Mallory Sanicki's 14 kills, 5 digs and 4 assists. Rachael Walker turned in 9 aces, 7 kills and five digs, backed up by 22 assists, 13 digs and 7 aces from Raegen Frappier.

Gillett got 20 assists, 4 aces and 5 digs from Clara Schaal; Audrey Pate had 6 kills, 2 blocks and 4 digs; Emily Soper had 5 kills and Mia Soper finished with 7 kills.

## Panthers lose top hitter in busy week

OCONTO FALLS – On Tuesday - Oct 8th, Oconto Falls Volleyball lost to Freedom 15-25, 20-25, 21-25. Unfortunately, in the first set, they also lost senior Amber Otto to a torn ACL. Amber has had a stellar career for the Panthers and will be missed not only for her

**Legals 7700**

**NOTICE OF PENDING APPLICATION FOR PROPOSED WILDLIFE PONDS**  
 Arnie Spitzmacher, N7399 S4 Road, Stephenson, MI 49887 has applied to the Department of Natural Resources for a permit to construct 3 wildlife ponds. The project is located on parcel 024-00359.000 in the NE ¼ of the SW ¼ of Section 18, Township 29 North, Range 23 East, Town of Peshigo, Marinette County.  
 The applicant is proposing the construction of three ponds for the purpose of northern pike spawning habitat connected above the ordinary high watermark of WBIC 3000614. All three ponds will be connected to WBIC 300614 by channel above the ordinary high watermark to maintain base flow in the stream and consist of side slopes of 8:1 (H:V) or flatter with a varied bottom. Scarpe 1 will be 0.5 acres in size, Scarpe 2 will be 0.2 acres in size, and Scarpe 3 will be 0.3 acres in size. The overall project also includes a 0.8 acres of wildlife pollinator planting on each side of the stream and the replacement of a culvert with a rock ford crossing.  
 The Department will review the proposal provided by the applicant and any information from public comments and the public informational hearing. The Department will determine whether the proposal complies with ss. 1.11, 30.19 and 281.36, 30.208, Wis. Stats., and Ch. NR 150, Wis. Adm. Code.  
 The Department has made a tentative determination that it will issue the permit for the proposed activity.  
 If you would like to know more about this project or would like to see the application and plans, please visit the Department's permit tracking website at <https://permits.dnr.wi.gov/water/SitePage> and search for Spitzmacher.  
 Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.  
 Any person may submit comments and/or request a public informational hearing at Erin.Carviou@wisconsin.gov, (920) 360-2715, or writing to Erin Carviou, 2984 Shawano Ave, Green Bay, WI 54313. If you are submitting general comments on the proposal, they must be emailed, verbalized, or postmarked within 30 days after the date this notice is published on the Department's website. If you are requesting a public informational hearing, the request must be emailed, verbalized, or postmarked within 20 days after the date this notice is published on the Department's website. A request for hearing must include the docket number or applicant name and specify the issues that the party desires to be addressed at the informational hearing.  
 If no hearing is requested, the Department may issue its decision without a hearing. If a public informational hearing is held, comments must be postmarked no later than 10 days following the date on which the hearing is completed.  
 The final decision may be appealed as indicated in the decision document. Docket Number IP-NE-2024-38-03293

## Marines fall to Truckers

**JOSH STALOCH**  
 SPORTS WRITER

CLINTONVILLE – The Marinette High boys soccer team was deadlocked with Clintonville at 0-0 most of the way through their match on Thursday, Oct. 10 before the Truckers were unable to answer in

an eventual 1-0 defeat that dropped the team's overall record to 7-6.

"It was a very physical game and we were missing three starters. Clintonville is a growing soccer program," said Marinette Head Coach Chris Mahlik, who noted that his team had a handful of near misses against Clintonville, with three quality shots hitting

off the crossbar. "We are playing very well heading into the playoffs. We drew a 10 seed and will play at Kewauskum on the 24th. We played them earlier and it was a very good match, a 2-1 loss."

Marinette goalkeeper Alec Tipper had 7 seven saves for the Marines against Clintonville.

## Peshigo hangs on for win over Kewaunee

**MIKE WIETING**  
 SPORTS EDITOR

PESHTIGO - The Peshigo soccer team scored a goal early and leaned on some tough net play by goalie Ezra Proft

for a 1-0 win over Kewaunee Thursday October 10th.

Peshigo's lone goal came off the foot of Chayce Wesoloski early in the first half. His goal was rung in at the 34:48 mark. After that goal neither

team was able to break the tough defense and strong net play of both goalies. Bulldog goalie Ezra Proft dug his heels in and stopped multiple net assaults from the Storm to help his team secure the 1-0 win.

## Marinette's Hermanson, Oconto Falls' Miller moving on to State

**JOSH STALOCH**  
 SPORTS WRITER

SEYMOUR – Playing on the par 72 Crystal Springs Golf Club on Wednesday, Oct. 9, Marinette's Regan Hermanson and Taylor Miller of Oconto Falls punched their tickets to taking part in a three-way tie for second place on the day with a score of 92.

Both the Marines and the Panthers missed out on making the cut as a

team, with Oconto Falls finishing in 4th place with a team card of 409 and Marinette coming up short in a tie-breaker loss to Seymour after both of those teams ended regulation play with a score of 403.

"Not making it as a team is certainly disappointing and not at all the ending that we wanted. We had a really tough day specifically on the back nine and that just killed us," said

Marinette Head Coach Jordan Pedersen. "Again, obviously disappointed as a team, but the girls plan on heading to University Ridge to cheer on Regan as she competes in her final meet of her career. She has had these dates circled on her calendar since we left Madison last year. She is a much more well-rounded player than I think she was at this time last year, so I'm excited to see that play through after two rounds at State."

## Nelson on podium at Seymour, Draheim finishes strong

JOSH STALOCH  
SPORTS WRITER

SEYMOUR - A handful of TimesLand cross country runners from Marinette and Peshtigo High were in attendance for this year's Seymour Invitational held at Rock Ledge Park, with Peshtigo Rachel Nelson, only a junior, taking second place out of 89 runners in the girls race while Marinette's Jackson Draheim was fastest among our area's finishers on the boys side with a 14th place finish in a field of 100 runners.

Nelson turned in a time of 20:01.5 to lead the Peshtigo girls, who finished in 6th place as a team. Alaina Archambault was next for the bulldog in 25th place (22:54.8) and Samantha Miller came in 40th (23:55.5). The Marines, who placed 9th as a group, were led by Addison Lacy in 5th overall (21:01.1), followed by Lauren Sadowski in 26th (22:58.0) and then Savannah Schneider in 37th (23:44.4). For reference Oshkosh North's Lehna Mitchell was fastest for the day with a time of 19:48.0.

On the boys' side, Draheim earned his 14th place by clocking a time of 17:48.8 to lead the way for the 10th place Marines (226 points). Hunter Schneider was next in 40th position (19:08.8), followed by Bryce Vincent in 44th (19:15.4).

The Bulldogs clocked 223 points as a team to finish just ahead of the Marines, led by Dominik Baxter in 21st place at 18:13.8. Quentin Crawford took 39th (19:05.7) and then Eli Berndt in 42nd (19:13.3)

Green Bay Preble's Jacob Nuthals took first place with a time of 16:24.5

Bulldog Rachel Nelson sets a silver medal pace at the Seymour CC Invite. Nelson finished second with a time of 20:01.5. **Rebecca Archambault photo**

**Runners from Northwoods Storm, Maroons compete in Norway**

NORWAY, MI - Both the Menominee and Niagara/Florence High cross country teams had athletes on hand for the Norway Cross Country Invitational on Monday, Oct. 7, with the Menominee boys taking 2nd place as a team and the Florence/Niagara girls coming in fourth.

For the boys, Brayden Bourion of the Maroons took 4th overall with a time of 17:43.6 while Blake Bourion came in 6th (18:44.0). Henry Zuhels was the 3rd fastest from Menominee (19:50.6) for 15th place.

For the Northwoods Storm, freshman Zane Phillips came in 10th place (19:04.0); Christian Anderson was 13th (19:33.8) and Reid Schroeder finished 27th (22:04.2)

On the girls' side of things, Menominee's

Winley Brandt was the area's top finisher, coming in 8th place with a time of 22:43.0. Lilliana Revall took 20th (24:47.0) and Eden Allen took 30th for the Maroons (29:49.3).

Ina Holt was the Northwoods Storm's top finisher, coming in 17th (24:05.8), followed by Brynn Sullivan in 19th (24:43.1) and Greta Nault in 26th (27:04.6).

**Delzer, Adams of Oconto Falls pace TimesLand runners at Northbrook**

LUXEMBURG - Hailey Delzer took 5th place with a time of 20:18.79 and Ben Adams snagged 2nd with a time of 16:50.82 as the Oconto Falls High cross Country team was well represented at this year's Russ Framere XC Classic held at Northbrook Golf Course on Friday, Oct. 11.

See **NELSON** page 6

NELSON from page 5

In the boys' race, the Panthers finished with 160 points to take 5th as a team while Oconto came in 14th with 394.

Behind Adams, the Panthers got a 32nd place out of Isiah Holtz (18:14.28) and a 36th from Griffin Kopke (18:23.28).

The Blue Devils were led by Owen Brzozowski in 66th out of 124 runners (19:40.03), then Cooper Campshure in 81st (20:32.02) and Garrett Goetsch (20:37.88).

Conner Markiewicz of Coleman took part in the meet as an individual and took 34th (18:16.41), followed by teammate Landon Risner in 104th (22:22.69) and Emery KOstrevia in 110th (22:43.98).

Backing up Delzer, the Panthers' Emma Meissner took 17th (21:38.57) and Ava Hodkiewicz was in 40th (22:59.02).

Marinette's (5755) Savannah Schneider, Peshtigo's (5938) Samantha Miller and Gillett's (5626) Lily Hansen run in a group during the Seymour CC invite. Rebecca Archambault photo

Coleman took 14th as a team with 329 points attached to their team and Ava Kuchta led the way with a 14th place (23:33.07).

Aliza Jansen took 52nd (23:48.23) and GraceLynn Nowak finished in 75th out of 128 runners (24:44.78). The Oconto High girls

took 17th as a team with 482 points. Ariana Cooper was the school's fastest runner on the day, coming in 71st (24:38.19), followed by Hannah DeHut in 109th (27:09.68) and Harper Burke in 112th (27:21.31).

Maroons finish on podium at GNC Championship meet

IRON MOUNTAIN, MI - The Menominee High boys cross country team totaled 92 points for a 3rd place finish at the Great Northern Conference Championships on Thursday, Oct. 10.

Brayden Bourion was the Maroons' top finisher in 8th place, finishing with a time of 18:45.8. Blake Bourion was next in 16th (20:15.1), followed by Henry Zuhels in 19th (20:47.3).

For the Girls, Menominee's Winley Brandt took 9th at 23:38.0, followed by teammate Lilliana Revall in 18th (26:38.1) and Eden Allen in 23rd (30:26.7).

Peshtigo's Alaina Archambault sprints to a photo finish with Appleton North's Avery Werfal. Archambault finished 28th. Marinette's Lauren Sadowski came in just behind Archambault. Rebecca Archambault photo
