KIDS DESIGN AN AD

Pictured on pages 2 and 3 are the winners of the "Kids Design An Ad" contest for area third-, fourth- and fifth-graders. Each winner will receive \$25 for their efforts. We'd like to congratulate the students on the artistic abilities they shared in designing each ad, and thank the principals, teachers and all the participating advertisers. It is their support that made this a great success. We hope you enjoy paging through this special section of the Vilas County News-Review and The Three Lakes News.
