ZELAZOSKI
Wood Products, Inc.

Zelazoski Wood Products, Inc. began as Thos. Zelazoski Mfg. Co. in 1924 in an old blacksmith shop in the area of 4th Ave and Superior Street. In 1928 we began making wooden blocks for the brush and broom industry, which has been our mainstay ever since. We moved to 10th and Edison Street in the 1940s and into our current facility in 1997. Over the years we have tried to even out the peaks and valleys of the brush block business by making other products. We have made crutches, cutlery racks, fishing lures, just about anything out of wood.
