All trails lead to Timbers Bar & Grill in St. Germain

BY DOUG ETTEN
EDITOR

Timbers Bar & Grill in St. Germain is getting ready for the 2024 fall tourism season and with it they are “ready for some football.”

Known across the North Woods as one of the top sports bars, Timbers has the Sunday NFL Ticket which allows fans for ANY team to watch whether it’s Thursday, Sunday or Monday games.

With Major League Baseball now in the postseason swing, be sure to catch the Brewers in action on one of the eight different tvs in the bar or dining room areas.

The restaurant will hone down its hours some, closing Tuesday while still offering weekly specials such as tacos each Monday, wings every Wednesday, Chicago-style hot dogs Thursdays, and Friday fish and shrimp.

That, to go along with their always popular burgers, sandwiches and wraps every other day of the week.

The bar serves every day except Tuesday, open 11 a.m. to 8:30 p.m. for food Bar hours are until 10 p.m. or later during the week and until at least midnight on Friday and Saturday night.

Pizza, pretzels and snacks are also available until bar close.

Monday starts the weekly specials with hard and soft shell tacos loaded with all the toppings. Wednesday is for wings as Timbers fries some of the biggest wings around. Get 10 of them breaded and served with French fries and a choice of sauce for just \$10.

Thursday the kitchen crew puts together made-to-order Chicago Dogs featuring an all-beef frank on a poppy seed bun. They are topped with sport peppers, onion, bright relish, tomato, celery salt and yellow mustard.

Friday is for fish fry as Timbers offers their three-piece breaded haddock alongside French fries, coleslaw and rye bread. A shrimp dinner is also available and served with a choice of seasoned lime rice or fries.

A beer-battered shrimp basket is also available to go along with grilled shrimp skewers served with seasoned rice or fries. Saturday is always a big day for their grilled steak sandwich that can be topped with cheese, onions and mushrooms.

The Timbers is one of the area’s top spots for sports fans, and with a full menu served daily, new owners Bobbie and Phil Hams are excited

to carry on the tradition of great food, good drinks and a friendly atmosphere.

“Like anyone who comes in here, we felt welcome when we first visited as customers, and immediately became regulars every time we came North,” said Bobbie. “And that is something we hope never gets lost with Timbers. It’s always been and always will be a friendly spot for people to meet, have a good time, a great burger or sandwich, and a few drinks.”

Hams recently purchased the bar and grill after Bobbie retired from her job at West Rock in Adams where she worked for more than two decades.

Phil continues to work as a local heavy equipment operator and driver for Pitlik & Wick. You can find him helping out in the kitchen or behind the bar at Timbers when he’s not on the road.

Hams knows previous owners Jason and Sarah Hegewald have set the bar high in terms of reputation. But that is what made the investment to her and her husband so intriguing.

“We’re fully-vested in keeping this place what it has always been to so many people,” said Bobbie. “And whether it’s your first time or your

100th time in this building, we want it to be a positive experience”

About Timbers

The Timbers Bar & Grill is a nostalgic North Woods family-friendly establishment nestled among the towering pines in St. Germain. Originally built in the 1920s as the recreation hall and taproom of Elbert’s Resort, it still boasts the same original log character it did years ago.

“Stop in and introduce yourself,” said Phil. “We’re always ready to meet another friendly face and hear about where you’re from and what brings you to the North Woods.”

Bobbie, who has spent the majority of her time getting accustomed to the kitchen routine at Timbers, said the restaurant is best known for grilling a mean burger, cooking an amazing Friday fish fry, making an old-fashioned that guests just can’t pass up and top-notch hospitality.

“We take pride in our kitchen, food, drinks and service,” she said.

Timbers is still a well-known Packers and Brewers bar, and if they aren’t cheering on a Wisconsin team, fans can always find their favorite team on one of the seven flat-screen TVs.

“No matter what team you’re cheering for, we promise not to discriminate,” said Bobbie with a grin.

Customers can access The Timbers by lake as they are located on the West Bay of Little St. Germain Lake at Elbert’s Resort. They are also located along the walking/bicycle path in St. Germain. ATV and UTV riders are now also able to get to the business with the opening of a new section of trail off the highline on the south side of highway 70.

And the state-funded snowmobile trail runs right through their parking lot.

For more information about the business or to view a menu or daily specials, visit thetimbersbar.com or call 715-479-3059.

Tara Stephens

Pride of ownership is evident in this 3 BD, 2 BA home with two levels of finished spaces. And everyone loves garages! The 50x30 detached garage w/high ceilings, heated workshop that is drywalled & has a wood stove & cadet blower for heat. The stairs from the garage lead to an untapped potential loft area. The 2nd detached garage near the house is 24x46 w/2 large lean-to's. This home has enjoyed several recent updates: new flooring throughout the main level, stainless steel appliances, updated electric and ceiling fixtures, new deck, professional interior paint, improved landscaping and back driveway graded. The two fireplaces on each level are attractive focal points. Master suite has a walk-in tiled shower, lower level family room w/hot tub, storage galore. A blacktopped drive, newer water heater & newer forced air furnace with central air, nearby to Carpenter Lake and the Eagle River Chain, snowmobile and atv trails.
