Prime Choice Meat Market provides quality custom holiday gifts

Prime Choice Meat Market, located just south of Eagle River on Highway 45, has been a local favorite for almost 25 years, as well as a destination stop for those visiting the area.

Owners Todd and Jacqui Monge have always had a commitment to high-quality products and excellent customer service.

Prepare for the holidays by ordering Custom Gift Boxes with in-house smoked meats and sausages, fresh cut steak, cheese, coffee, sauces & spices. These gifts are great for any occasion!

Other holiday goodies include prime rib roasts, tenderloin roasts, and whole or half ham smoked in-house.

According to manager Rick Behrens, Prime Choice is Eagle River's one-stop shop for freshcut USDA Prime and Top Choice beef, all-natural antibiotic-free pork and free-range poultry, as well as premium seafood.

Prime Choice carries a frozen selection of 100% grass-fed beef and select varieties of free range and

certified organic Smart Chicken, as well as their own signature smoked meats.

"Prime Choice focuses on quality and taste, while still being comparable in price," said Behrens. "We fresh-cut only the finest USDA Prime and Top Choice quality steaks and roasts, hand-trimmed to our customers' order and satisfaction."

"Customers are amazed at the quality and appearance of a hand-cut, hand-trimmed piece of meat. Everyone likes their steak cut a little differently, and you just can't get that type of thing from pre-cut showcase steaks. We strive to be sure our customers walk away happy, and return with their friends!"

Prime Choice features its own lean ground sirloin every day, sold fresh by the pound while supplies last.

Visitors can also find other varieties of ground meats in the frozen section, like juicy ground chuck, and many varieties of burger patties including the special Butcher's Blend beef patty, which incorporates a blend of three tender

cuts of beef ground together to make a juicy, tasty burger.

Customers can also buy the mushroom and Swiss burger patty, which has fresh mushrooms and creamy Swiss cheese mixed right in.

"All of our ground beef is made fresh on the premises, not bought from another processor," said Behrens. "We feel that our fresh-ground product makes for excellent grilling, especially our famous cranberry bacon burger, along with bacon burgers, and bacon cheddar burgers, which have bacon from our own smokehouse blended right into the mix for a unique flavor," noted Behrens.

"Always be on the watch for new items we've added. We are always toying around with new recipes, checking out newly trending items, as well as getting new ideas from our customers and crew at the market. Be on the lookout for more to come!"

Recent additions include the "All American" brat, a red, white, and blue brat with smoked gouda inside. An all beef summer was added to complement the current sausage varieties, as well as an expanded line of grass fed, natural venison products.

"Our market produces authentic Italian sausage (hot or mild), chorizo sausage, fresh Polish sausage and sauerkraut-stuffed polish sausage," said Behrens.

In addition, five different flavors of pork breakfast sausage are made in patties, links and in bulk. Bratwurst are available fresh (on a rotating schedule) or frozen, and include their original bratwurst, onion, jalapeno & cheddar, garlic, cheddar, jalapeno, sauerkraut, cranberry, blueberry, triple berry, mushroom & swiss, bacon & cheddar, cheesy onion beer brat, and wild rice varieties.

Everyone has something to give.
 Please help us warm our children.

Many children are wishing for things much more basic than toys: a warm winter coat, boots to keep their feet warm and dry mittens to warm chilly fingers. Through the Vilas County News-Review's WARM THE CHILDREN FUND, needy area children will get the winter clothing they so badly want and need.

So what is the Vilas County News-Review's WARM THE CHILDREN FUND?
 It's neighbors helping neighbors. The Vilas County News-Review is asking readers to donate to the fund, and proceeds will be used to buy warm winter clothing for needy area children. There are no administrative fees; all the money will be used for the children.

How will needy children be identified?
 The staff at Social Services and area officials will help us identify needy children and work with the Vilas County News-Review's WARM THE CHILDREN coordinators.

How will the children's clothing be purchased?
 The coordinators of the Vilas County News-Review's WARM THE CHILDREN program have made arrangements with Glik's in Eagle River and Northland Clothing Co. in Three Lakes and will assign volunteer shoppers to take the children shopping for their winter clothing. Shoppers will be volunteers who want to help by donating a little of their time for this worthwhile cause.

How can I help?
 Simply complete the coupon on this page and send it with your donation to the address on the coupon. All donations are tax deductible, as they go through the Eagle River Rotary Club Foundation Inc. (ERRCF).
