Strong Timbers tradition continues into summer season for St. Germain staple

Timbers Bar & Grill in St. Germain is getting ready for the 2024 summer season and with it they are expanding their hours to now be open seven days a week.

The restaurant will hone down its menu each Tuesday with pizzas only, while still offering weekly specials such as tacos each Monday, wings every Wednesday, Chicago-style hot dogs Thursdays, and Friday fish and shrimp. That, to go along with their always popular burgers, sandwiches and wraps every other day of the week.

The bar reopened after their spring shutdown recently, and now serves every day, 11 a.m. to 9 p.m. Bar hours are until 11 p.m. or later and until 10 p.m. Sunday. Pizza, pretzels and snacks are also available until bar close.

Monday starts the weekly specials with hard and soft shell tacos loaded with all the toppings. Wednesday is for wings as Timbers fries some of the biggest wings around. Get 10 of them breaded and served with French fries

and a choice of sauce for just \$10. Thursday the kitchen crew puts together made-to-order Chicago Dogs featuring an all-beef frank on a poppy seed bun. They are topped with sport peppers, onion, bright relish, tomato, celery salt and yellow mustard.

Friday is for fish fry as Timbers offers their three-piece breaded had-dock alongside French fries, coleslaw and rye bread. A shrimp dinner is also available and served with a choice of seasoned lime rice or fries. A beer-battered

shrimp basket is also available to go along with grilled shrimp skewers served with seasoned rice or fries.

Saturday is always a big day for their grilled steak sandwich that can be topped with cheese, onions and mushrooms.

The Timbers is one of the area's top spots for sports fans, and with a full menu served daily, new owners Bobbie and Phil Hams are excited to carry on the tradition of great food, good drinks and a friendly atmosphere.

"Like anyone who comes in here, we felt welcome when we first visited as customers, and immediately became regulars every time we came North," said Bobbie. "And that is something we hope never gets lost with Timbers. It's always been and always will be a friendly spot for people to meet, have a good time, a great burger or sandwich, and a few drinks."

Hams recently purchased the bar and grill after Bobbie retired from

her job at West Rock in Adams where she worked for more than two decades. Phil continues to work as a local heavy equipment operator and driver for Pitlik & Wick. You can find him helping out in the kitchen or behind the bar at Timbers when he's not on the road.

Hams knows previous owners Jason and Sarah Hegewald have set the bar high in terms of reputation. But that is what made the investment to her and her husband so intriguing.

"We're fully-vested in keeping this place what it has always been to so many people," said Bobbie. "And whether it's your first time or your 100th time in this building, we want it to be a positive experience."

The Timbers Bar & Grill is a nostalgic North Woods family-friendly establishment nestled among the towering pines in St. Germain. Originally built in the 1920s as the recreation hall and tap-

The Ribeye steak sandwich has returned to The Timbers menu everyday. Cooked-to-order it comes with your choice of mushrooms, onions, cheese and topped with two onion rings alongside a generous portion of french fries.

Newly opened Nature RV Resort provides a relaxing getaway

The Land O' Lakes Nature RV Resort is the perfect relaxing destination for vacationers. The age-restricted resort, for adults older than 25, has two lakes, observation towers, a kayak launch and miles of nature trails for hiking and biking.

The 215-acre property was purchased over 30 years ago by DuWayne Reek. DuWayne, his wife Karen, and their children, Matt and Rachel, enjoyed the property for years while DuWayne crafted his vision to transform the property into an exclusive escape for North Woods visitors.

After a brief opening in August of 2022, a grand opening took place May 1, 2023. The Reeks enjoyed a very successful first summer season at the resort.

"We've been blessed with wonderful guests

and have received excellent reviews," said Matt who now co-owns the business with his father.

The father and son team continue to look for ways to improve their

guests' experience and are looking forward to another successful season at the resort.

As the name suggests, the main amenity is the natural beauty.

"We have miles of trails that are great for hiking and biking," said Matt. "Our main trail loop also gives guests access to the lake, the Enchanted Forest, and the two observation towers."

The main trail loops around Blue Diamond Lake with additional trail loops through the Enchanted Forest and to the South Observation Tower where you can enjoy views for miles.

The branching trails lead guests to the kayak launch and lake frontage with picnic tables, as well as the North Observation Tower. Miles of trails can be directly accessed from the resort. Bikers and hikers can also utilize trails throughout the area.

Visitors of the Nature RV Resort can go to the North Observation Tower and enjoy a view that spans for miles.

Sail the Chain of Lakes at Pirates Hideaway

One of Eagle River's best-kept secrets, Pirates Hideaway, continues to provide visiting guests with a truly unique lakeside experience, blending the adventure of the high seas with the small-town atmosphere of the North Woods.

In 2004, Captain Steve Strauss, his wife Linda, and their family built a pirate ship and have been giving pirate ship rides on the world's largest chain of inland freshwater lakes ever since.

This year they'll celebrate their 20th anniversary and season as pirates on the Eagle River Chain of Lakes, and the crew have celebrations planned.

The pirate ship offers family-fun public tours, along with the option to rent the ship for private

Guests can also reserve a ship of their own for private events, birthday parties or weddings.  ontributed Photo

events. It has become a well-known icon on the Eagle River Chain and attracts visitors from all over the state and beyond.

The iconic pirate ship sails from Memorial Day through mid-September. Guests can make reservations and enjoy a public tour of the Chain of Lakes.

Public scenic tours include Coffee with the Captain rides, afternoon tours and sunset rides. They're the perfect way for families and friends to enjoy the Chain, which Eagle River is known for.

Guests can also reserve the ship for private events such as family reunions, weddings, birthday parties or any event that requires a fun, festive venue.

"Fun for kids and adults alike, visitors enjoy a scenic tour of several lakes on the Eagle River Chain. We are so fortunate that we get to help so many people make lasting memories with their families and friends every summer," said Captain Steve.

Pirates Hideaway also features its unique on-land services that are open to the public.

In addition to providing

weekly live entertainment by the lake, Pirates Hideaway has a lakeside ice cream shop, tiki bar, gift shop, and offers various menu items such as delicious homemade wood-fired pizzas.

In 2021, the Strauss family added the wood-fired oven to offer fresh-made pizza to visitors. The restaurant's homemade dough is topped with fresh, quality ingredients and has become a big hit in the area. The business has become known for having some of the best and freshest pizza in the North Woods. They now serve their wood-fired pizzas during both lunch and dinner hours, as opposed to just evenings as they had in the beginning.

The ice cream shop now offers 24 flavors of Wisconsin-made Cedar Crest ice cream, soft serve, Lotus concoctions, and more. What sets the ice cream shop at Pirates Hideaway apart from others is that guests don't just get ice cream, they also get an experience.

"What better way to spend the summer with your family than to sit by the lake and enjoy ice cream?" said Captain Steve about the business' unique appeal. There is

an abundance of spacious lakeside seating too, where patrons can enjoy malts, shakes, sundaes, candies and cones.

Lehner-Stephan Jewelers provides full-service jewelry experience

The array of trinkets and jewelry inspired by local wildlife and native art will catch the eye of anyone entering the storefront of Lehner-Stephan Jewelers on

Wall Street in downtown Eagle River. Owned and operated by Mike Stephan, the shop offers jewelry, repairs, ear piercing, decorative items, and even a year-

round Christmas area.

In 1943, Lehner Jewelers in Eagle River was founded by Stephan's uncle, Al Lehner. Inspired by his uncle, Stephan grew up admiring the intricate work and satisfying rewards that watchmaking has to offer, explaining that he always enjoyed art — especially the creative side of things.

Stephan, who had come to Eagle River every summer since the 1950s, always enjoyed fishing the area lakes and the lifestyle offered by the North Woods. Driven by his admiration of his uncle, he went on to school to become a certified master jewelry designer and watchmaker. He attended college at UW-Oshkosh and then enrolled at Milwaukee Area Technical College in 1978.

In 1980, Stephan took over his uncle's business, renaming it Lehner-Stephan Jewelers to honor Lehner's 37 years in the business. Shortly after, Lehner died from cancer. With over 40 years of experience, Stephan crafts one-of-a-kind quality jewelry. He offers handcrafted watches and jewelry designs that showcase a simple elegance that anyone can appreciate.

"Trends are always changing, but simple elegance has stood the test of time," Stephan said. "I try to show that elegance in my work."

The beauty of the North Woods influences Stephan's work, providing inspiration in the form of pine cones, acorns, deer and the multitude of wildlife. Stephan also takes his inspiration from modern-day styles

By combining his simple elegance with modernized style, Stephan said he is able to craft a rare composition for each of his customers. — Contributed Photo

and designs.

"The serene atmosphere of the North Woods offers endless possibilities for jewelry designs," he explained.

Recently, Stephan has added southwest art-inspired jewelry to his store. After the passing of his friend John LaBelle, the previous owner of Pink Coyote Southwest Art and Jewelry, he bought the remaining merchandise from his store to continue his legacy of southwest jewelry.

Customers who want a piece refurbished can take their jewelry to Stephan. He can transform pieces of jewelry into unique art forms to suit his customers' needs and ideas. He works with a variety of materials ranging from metals and stones to rare elk teeth, and enjoys creating something new out of older jewelry pieces.

Stephan also works with high-end gemstones,

saying, "Every piece of jewelry has an owner." To Stephan, having a high-quality piece is more than just having a piece of jewelry. He said he takes pride in selling quality products and gemstones. In addition to the high quality, he is always aware of the price point, ensuring he is getting the best value for his customer, he explained.

Stephan's unique style is not the only extent of his craft. His vast portfolio ranges from natural shapes to elegant and modern designs. By combining his simple elegance with modernized style, Stephan said he is able to craft a rare composition for each of his customers.

"I'm always looking for ways to improve my technique by researching new and improved ways of designing," he said.

"Even after all these years, there are still projects that come in that are new and challenging

to me — something I have not done before and get the opportunity to do. It's exciting," Stephan shared.

While doing watch repairs, Stephan works with minuscule screws and gears. As visitors walk through the store, they can see him crafting jewelry or repairing watches.

"We pride ourselves in being a full-service jewelry store. We're here to service what we sell," he said. Stephan said that they can handle numerous repairs, including jewelry chains, pins, broaches, pendants, earrings, rings, eyeglasses, metal sculptures, teapots and more. Other work involves rebuilding prongs on rings, new posts on earrings, ring sizings, soldering cracked ring shanks, stone repairs, diamond setting and settings on colored gemstones and minerals.

Marina Bar to host live music to benefit Wounded Warriors

The Marina Bar will be hosting a live music event on Saturday, July 20, to benefit the Wounded Warriors in Action Foundation's annual Eagle River Muskie Chal-Lunge event this September.

The event will be hosted from 7 - 11 p.m., with music being provided by the band The Hucksters.

The Eagle River Muskie Chal-Lunge event will be celebrating a decade of "welcoming and honoring America's combat-wounded veterans," described a press release. This all-expense paid event will host eight Purple Heart recipients who will experience guided fishing over three days with local sportsmen.

Jim Constine, owner of the Marina Bar and Everett Resort, and a sponsor of the Eagle River Muskie Chal-Lunge event stated, "We are very proud to be involved in such a great local event for our Wounded Warriors. Every year I am amazed how our community comes together to give back a little bit to these brave men and women. Please join us here at the Marina Bar on July 20 and help us raise the funds needed to keep this very special

event going. You can also register to win a Les Paul electric guitar anytime this summer. It's only a \$1 entry (you do not need to be present to win) and all funds go toward the WWIA Eagle River event."

The Marina Bar is right on the edge of Catfish Lake and is part of The Everett Resort.

If unable to attend the event, but would like to make a donation to the Eagle River Muskie Chal-Lunge, contact Scott Samuels at muskiewarriors@outlook.com or (715) 547-3340.

The Wounded Warriors in Action Foundation is a national nonprofit organization headquartered in Apollo Beach, Fla. Their mission is to serve combat-wounded Purple Heart recipients by providing outdoor sporting activities such as hunting and fishing as a means to recognize and honor their sacrifice, encourage independence and connections with communities, and promote healing and wellness through camaraderie and a shared passion for the outdoors. To learn more information about WWIA, visit www.wwiaf.org

A participant from last September's event shared,

"I was extremely impressed by this trip. From the initial contact to the arrival at Eagle River, everything has run smoothly. The treatment of our group by what appears to be the entire town of Eagle River was awesome. Our guides worked hard to get us on fish and this group of veterans was great. Thank you WWIA!"

Often, when wounded veterans return home, they can find that both their personal and professional lives have been impacted by their war experiences, said the WWIA, and the muskie fishing event can help veterans connect with one another.

Muskie Chal-Lunge Host Scott Samuels commented, "We are blessed and privileged to host these American Heroes here in Wisconsin for some world-class Muskie fishing! Spending time on the water and around the dinner table with these Purple Heart veterans is truly an honor. We salute their service and sacrifice and hope this event will help bring them some well-deserved time away, and that it will continue to foster healing and restoration in their lives. They deserve nothing less."

JEWELERS

from page 12

Recently, Stephan purchased a new laser welder to help him repair even more types of items such as eyeglass frames and costume jewelry. He also can weld any type of metal, even steel pieces.

"If you would like it repaired and you're not sure if it can be repaired, just ask!" Stephan exclaimed. He also enjoys the challenging repair pieces people bring in, saying, "If it could be made once, it can be made again."

Stephan does repairs on watches, including quartz, mechanical and pocket watches, providing availability of parts.

"We do a lot of battery replacements while also checking the watch movement and back gasket, cleaning debris away," Stephan said. He said his career as a certified master watchmaker has

given him a fine eye and patience to craft and repair intricate pieces of art.

In addition to custom work, Lehner-Stephan Jewelers also offers a large selection of Citizen watches for men and women. Jewelry brands such as Officina Bernardi and Carla have yellow and white gold necklaces, anklets, earrings, bracelets, pendants and rings. Preciosa Czechoslovakian Crystal offers quality sterling silver jewelry. Stephan receives new designs each year from the various companies he stocks.

Stephan goes out on the road throughout the year to shop for inventory and pieces at different trade shows and stores across the country. He said he believes in laying his eyes on pieces and said it affords him the opportunity to, "Only buy what I like and what I think my customers will like, and ensure its quality."

Along with a large

variety of diamond sizes that range from small to large, the store also sells pearls and an assortment of colored stones such as rubies, emeralds, sapphires and more. If the store doesn't have the style a customer is searching for, shoppers can look through Stephan's catalogs to find their ideal piece.

"I have extensive access to more than 20 different diamond companies, numerous colored stone companies and a catalog of jewelry manufacturers to help ensure that the customer receives exactly what they wish for," said Stephan. "We sell beautifully crafted wedding bands and engagement rings with diamonds that are cut in the most elegant fashion," he said. The shop offers a range of prices to suit anyone's needs.

In addition to the array of jewelry and watches, Lehner-Stephan Jewelers also sells clocks and other fine home décor items.

"We have a large variety of decorative frogs, lizards and turtles throughout the store that are a huge hit," said Stephan.

They offer gifts for every occasion, according to Stephan. "We appreciate the patrons that contribute to the local businesses in the North Woods. With our customers' support, we can provide help to their needs and requests."

"I want my current and future patrons to know that when I work on something, my full attention is on that project. No matter how long it takes. Each piece deserves and gets the attention it needs, no matter the monetary value. I approach each piece as if it were my own, and how would I want it to look," said Stephan.

The store is located at 110 Wall St. in downtown Eagle River. Hours are Mondays through Fridays from 10 a.m. to 4 p.m.

"Stop in and introduce yourself," said Phil. "We're always ready to meet another friendly face."

Bobbie, who has spent the majority of her time getting accustomed to the kitchen routine at Timbers, said the restaurant is best known for grilling a mean burger, cooking an amazing Friday fish fry, making an old-fashioned that guests just can't pass up and top-notch hospitality.

"We take pride in our kitchen, food, drinks and service," she said.

Timbers is still a well-known Packers and Brewers bar, and if they aren't cheering on a Wisconsin team, fans can always find their favorite team on one of the seven flat-screen TVs.

"No matter what team you're cheering for, we promise not to discriminate," said Bobbie with a grin.
